SATURDAY MORNING..........Oct. 31, 1885.

Seeking Office Don't Pay.

"I was just thinking," remarked a well-known Congressman the other day, "what a fool I was to seek the office I now hold. It cost me thousands of cash to pay my campaign expenses, in addition to the loss by two months' neglect of my business. When I am at home about two-thirds of my time is taken up by people who come in to see me about offices. I have been down here four times trying to get some appointments. I've got candidates for U. S. marshals, U. S. district attorneys, pension agents, about forty postoffices, several consulates, and no end of Indian agents and land officers, and all I've succeeded in getting is one assistant keeper of a lighthouse, a place for which there was no candidate, and they asked me to recommend a man. I scarcely dare go home, for I am cursed all over my district by people who think I'm indifferent to their personal interest and ungrateful to my friends. It will take six weeks' steady talking to explain why I haven't been able to get the Republicans turned out and Democrats put in, and not half the people who hear the explanation will believe it. Until now I never sought anything that couldn't be bought, but I have spent $10,000 worth of my time trying to get a $1,200 office for one of my constituents. My business is going to ruin for want of attention, and there is a basketful of letters on my table at home I haven't had time to read. The first bill I introduce into Congress will be to prohibit Representatives from recommending any one for office."

White of an Egg in Obstinate Diarrhœa.

From the *Allg. Meg. Cent. Zeit.*, we learn that Celli has recently called attention to the curative properties of the albumen of hens' eggs in severe diarrhœal affections. In a discussion before a medical society at Rome he advocated its use, and related two cases of chronic enteritis and diarrhœa which, having resisted all treatment, speedily made complete recoveries under the use of egg albumen. The same diet is strongly recommended in the diarrhœa accompanying febrile cachexia, and in that of phthisis. In two cases of diarrhœa dependent upon tertiary syphilis, it was found of no avail. On post-mortem examinations diffuse amyloid degeneration of the arterioles of the villi was found in these cases. The whites of eight or ten eggs are beaten up and made into an emulsion with a pint of water. This is to be taken in divided quantities during the day. More may be given if desired. The insipid taste can be improved with lemon, anise, or sugar. In case of colic, a few drops of tincture of opium may be added.—*Med. Compendium.*

SOCIETY in Texas is beginning its festivities early this season. There was a ball at Hallettsville Monday, and two of the young men, who, of course, belonged to excellent families, disagreed on a little matter and began to punctuate their remarks and themselves with bullets. The result was one man killed, another fatally wounded, and two slightly hurt. This little affair, however, is a mere skirmish. When the season fully opens, we may expect much larger returns from the lists of dead and wounded.

EX-SENATOR DAVID DAVIS tells the following story on himself: One day on the stump, at the end of a burst of eloquence, he exclaimed: "I know no East, no West, no North, no South." "Then," said one of his hearers, "you had better go home and study up your geography." "It broke me all up," says Mr. Davis, "and from that on to the close of my address there was no personal magnetism in my bursts of campaign eloquence."

MRS. LANGTRY has been sued in England for refusing to pay debts contracted while living with her husband. A number of dressmakers' bills are among the items mentioned in the summons. Mrs. Langtry claims that her husband is responsible for the debts. Mr. Langtry's friends state that he is unable to pay the bills, as the only source of income he has at present is an annuity allowed him by his wife on condition that he does not molest her.

THE four ladies who acted as engrossing clerks at the recent session of the Georgia House of Delegates gave such satisfaction to the chief clerk that on the eve of adjournment he presented each with handsome baskets of fruits and flowers and gave expression to earnest words of praise of the excellence of their work. An Atlanta letter says it is known that in engrossing bills the ladies' work is neater and more accurate than was done by men in former sessions.

"GEORGE, who is your family physician?" "Dr. Smoothman." "What, that infernal old numbscull! How does it happen that you employ him?" "Oh, it's some of my wife's doings. She went to see him about a cold in her head, and he recommended that she wear another style of bonnet. Since then she won't have any other doctor."

MR. CHARLES LELAND, the well known hotel keeper of New York, Long Branch and Saratoga, died at Long Branch on Monday morning, aged 61. He was a widower, but leaves two daughters.

A BRIDGEPORT MAN has perfected an invention that he claims will revolutionize bicycling. He glides swiftly before a breeze by means of a huge sail attached to the wheel.

FIFTH DISTRICT, ATTENTION!

'Come, let us Reason Together!'

AS citizens we desire to have good roads—we wish to attract visitors and strangers; as good and charitable people we want to make the poor comfortable; to secure peace and order it is needful to have efficient officers. Your boys and girls must be educated. All these things need money—it is indispensable. The Tax Books are now ready, and to facilitate the payment of your taxes I will be at

ROCK HALL at 10 A. M., GREY'S INN 12 M., and EDESVILLE at 3 P. M..

First and Third Wednesdays in each month.

At LANKFORD and KILBURN the 2d and 4th Monday in each month

A Word to the Wise About Taxes!

THE MAN—or woman either—who pays his taxes most promptly, is the most happy. He has relieved himself of a burden that increases in weight the longer it is borne; costs and interest are added and the tax-payer feels justified in blaming everybody and everything for the results of *his own negligence*. Therefore, be wise and happy—PAY YOUR TAXES at once—out of your Wheat or Peach money and don't wait for corn or uncertain collections.

To accommodate payers I will be in Chestertown every Tuesday and Worton Station every Saturday afternoon.

I have my books now in hand and your bill are ready. Resp'y,

aug22-tf. JAS. S. GEMMILL.

PAY YOUR TAXES!

AS COLLECTOR of the Fourth Election District I have my tax books in hand, and bills made out against each individual tax-payer. I am prepared to receive taxes for the year.

To accommodate tax-payers I will be at the Register's office in Chestertown every SATURDAY and TUESDAY afternoon.

Prompt payments are requested, so that I may not be embarrassed and saved the unpleasant necessity of forcing collections.

A HEAVY RAIN!

COOLER WEATHER EXPECTED!

There is no better time to think of one's Shoes than after a rain. Whatever impression you have this is addressed to one who thinks the SHOE STORE can't possibly be the best place to go for Shoes. Will you look at a pair? We can show you the largest selection of shoes and give you what you want and not force something on you that you do not want.

Our Hand-Made Shoes!

are the shoes for ladies who have tender feet—better for comfort and economy but not for your shoemaker. We take that back, we firmly believe what is best for you is best for us in the long run.

Our Mat and Dongola Kid Shoes are becoming very popular. Have you seen our Ladies and Misses' "SCALCHIE?" It is a Button Gaiter to wear over the shoe, made of water-proof cloth and rubber, buttoning up high—the thing for mud. The first opportunity you have call and look at them. Our Ladies and Misses' Heavy Shoes are selling very rapidly and giving entire satisfaction.

We would call your attention to our

Line of Men's Boots!

Having purchased a large stock this season we can give you a better selection and save you money by buying of us. Our space will not allow us to give price, but will say we can sell you a fine boot for $1 75, a better one for $2, &c. Our Double-Upper Calf Boot takes the lead for those who do not want a heavy boot. Our stock of Men's Fine Shoes is complete.

We challenge the world to produce

A SHOE FOR $3

to equal ours for durability, style and comfort. Our Waulkenphasts which we have made are superior to all Eastern makes, will give you more wear, comfort and satisfaction and will not cost you as much money as others will charge you for those made by Eastern factories. Look at our Men's $4 Calf Shoes, they are beauties of the latest style.
