The Board 18th inst. appointed William A. Smith a Patrolman of the Third Grade.

The attention is again called to Section 20, Ordinance 9, approved July 21st, 1911, which reads as follows:

"No vehicle shall pass to the right of any street railway car going in the same direction as the vehicle, which has stopped for the purpose of allowing persons to enter into or alight from said car, but shall either come to a halt at least three feet from the rear of said car or pass said car on the left."

This applies to HORSE DRAWN VEHICLES as well as automobiles.

Officers will give this violation especial attention and see that the law in this respect is strictly enforced.
