Seventh Ward field notes finished on Thursday Sept 17th 1846 at 16 m past 10 O Clock A M.

By the ~~dun~~ piercing ray
Thou wert roasted all day
Yet murmur n'ever escaped from thy lips
Nor from measuring here
And valuing there
Thy fingers were sworn ~~at~~ the tips
While plodding along
With whistle and song
You bravely came off like old Taylor
Across the field of your fame
I here pencil each name –
Go it – Slicer, friend Josey & Staylor.
