AMERICAN AND FOREIGN

STEREOSCOPIC EMPORIUM.

E. ANTHONY,

308 Broadway, New York,

After May 1st, 1860, at 501 BROADWAY, two doors from the St. Nicholas Hotel.

The Stereoscope is the most instructive, interesting, entertaining, amusing, and exciting of modern inventions.

None are too young, none too old, none too intelligent, none too uneducated, to acknowledge its worth and beauty.

No home is complete without it, and it must and will penetrate everywhere.

It presents to your view every part of the world, in all the relief, boldness, perspective, and sharpness of detail, as if you were on the spot.

Photographers are everywhere exploring Europe, Asia, Africa, America, in search of the grand and the beautiful, and the results of their skill are constantly enriching our stock.

We have an immense variety of paper Views of Science in Paris, London, England, Scotland, Ireland, Wales, France, Belgium, Holland, Switzerland, Spain, The Rhine, Versailles, St Cloud, Fontainebleau, Tuileries, Italy, Turkey, Egypt, Athens, the Holy Land, China, India, Crystal Palace, also Groups Historical, amusing, marriage scenes, breakfast scenes, pic nics, statuary, &c., &c. An exquisite assortment of illustrated Interiors of Palaces, Churches, and Cathedrals of France, Italy &c., &c. The effect of these illuminated views is most remarkable.

Every gentleman of wealth and refined taste should have in his drawing room some of our exquisite views on glass, with a revolving stereoscope, showing 12, 25, 50 or 100 scenes. Nothing can be more fascinating, and one can offer no greater treat to a friend fond of the picturesque and the beautiful.

Anthony's Instantaneous Stereoscope Views are the latest Photographic wonder. They are taken in the fortieth part of a second, and everything no matter how rapidly it may be moving, is depicted as sharply and distinctly as if it had been perfectly at rest. This gives an additional value, for to the beauties of intimate nature it adds also the charm of life and motion. The process is a discovery of our own, and being unknown in Europe, we receive from London and Paris large orders for Anthony's Instantaneous Views of American life and scenery.

Among other things we have just published Stereoscopic Illustrations of the Scene of the FULTON STREET PRAYER MEETINGS, in which many hearts feel an interest. The particulars of this will be found in our catalogue.

Our Catalogue of subjects and prices will be forwarded to any address on receipt of a stamp.

Parties at a distance sending us $3, $5, $10, $15, $20, or $25 can have a good instrument and such pictures as they may request, sent by Express.

Views alone, (without instrument) can be sent by mail.

Parties who wish to be advised of everything really valuable in the line that comes out, may send us their names to place on record, and we will keep them posted at our own expense.

Men of leisure will find Photography a most fascinating and delightful amusement. We are prepared to fit out *amateurs* with everything necessary for their success together with instructions "How to take Stereoscopic Pictures." E. ANTHONY.

Importer and Manufacturer of Photographic Materials, Stereoscopes and Stereoscopic Views.

☞Merchants from every section of the country are respectfully invited to make an examination of our stock, as our discount to the trade will be liberal.

HOSTETTER'S STOMACH BITTERS.

The proprietors and manufacturers of HOSTETTER'S CELEBRATED STOMACH BITTERS can appeal with perfect confidence to physicians and citizens generally of the United States, because the article has attained a reputation heretofore unknown. A few facts upon this point will speak more powerfully than volumes of bare assertion or blazoning puffery. The consumption of Hostetter's Stomach Bitters for the last year amounted to over a half-million bottles, and from its manifest steady increase in times past, it is evident that during the coming year the consumption will reach near one million bottles. This immense amount could never have been sold but for the rare medicinal properties contained in the preparation, and the sanction of the most prominent physicians in those sections of the country where the article is best known, who not only recommend the Bitters to their patients, but are ready at all times to give testimonials to its efficacy in all cases of stomachic derangements and the diseases resulting therefrom.

This is not a temporary popularity, obtained by extraordinary efforts in the way of trumpeting the qualities of the Bitters, but a solid estimation of an invaluable medicine, which is destined to be as enduring as time itself.

Hostetter's Stomach Bitters have proved a Godsend to regions where fever and ague and various other bilious complaints have counted their victims by hundreds. To be able to state confidently that the "Bitters" are a certain cure for the Dyspepsia and like diseases, is to the proprietors a source of unalloyed pleasure. It removes all morbid matter from the stomach, purifies the blood, and imparts renewed vitality to the nervous system, giving it that tone and energy indispensable for the restoration of health. It operates upon the stomach, liver, and other digestive organs, mildly but powerfully, and soon restores them to a condition essential to the healthy discharge of the functions of nature.

Elderly persons may use the Bitters daily as per directions on the bottle, and they will find in it a stimulant peculiarly adapted to comfort declining years, as it is pleasant to the palate, invigorating to the bowels, excellent as a tonic, and rejuvenating generally. We have the evidence of thousands of aged men and women who have experienced the benefit of using this preparation while suffering from stomach derangements and general debility; acting under the advice of physicians, they have abandoned all deleterious drugs and fairly tested the merits of this article. A few words to the gentler sex. There are certain periods when their cares are so harassing that many of them sink under the trial. The relation of mother and child is so absorbingly tender, that the mother, especially if she be young, is apt to forget her own health in her extreme anxiety for her infant. Should the period of maternity arrive during the summer season, the wear of body and mind is generally aggravated. Here, then, is a necessity for a stimulant to recuperate the energies of the system, and enable the mother to bear up under her exhausting trials and responsibilities. Nursing mothers generally prefer the Bitters to all other invigorators that receive the endorsement of physicians, because it is agreeable to the taste as well as certain to give a permanent increase of bodily strength.

All those persons, to whom we have particularly referred above, to wit: sufferers from fever and ague, caused by malaria, diarrhœa, dysentery, indigestion, loss of appetite, and all diseases or derangements of the stomach, superannuated invalids, persons of sedentary occupation, and nursing mothers, will consult their own physical welfare by giving to Hostetter's Celebrated Stomach Bitters a trial.

CAUTION.—We caution the public against using any of the many imitations or counterfeits, but ask for HOSTETTER'S CELEBRATED STOMACH BITTERS, and see that each bottle has the words "Dr. J. Hostetter's Stomach Bitters" blown on the side of the bottle, and stamped on the metallic cap covering the cork, and observe that our autograph signature is on the label.

☞Prepared and sold by HOSTETTER & SMITH, Pittsburgh, Pa., and sold by all druggists, grocers, and dealers generally throughout the United States, South America, and Germany.

HEALTH RESTORED!

MOTT'S Chalybeate Pills. DR. MOTT'S CHALYBEATE PILLS. NEW YORK.

DR. MOTT'S Chalybeate Pills.

An aperient and stomachic preparation of IRON purified of Oxygen and Carbon by combustion in Hydrogen, of high medical authority and extraordinary efficacy in each of the following complaints, viz:

DEBILITY, NERVOUS AFFECTIONS, EMACIATION, DYSPEPSIA, DIARRHŒA, CONSTIPATION, SCROFULA, SALT RHEUM, SCURVY, JAUNDICE, LIVER COMPLAINTS, RHEUMATISM, MERCURIAL CONSEQUENCES, INTERMITTENT FEVERS, NEURALGIA, CHRONIC HEADACHES, FEMALE WEAKNESS, MISMENSTRUATION WHITES, CHLOROSIS, etc., PIMPLES ON THE FACE, ROUGHNESS OF THE SKIN, etc.

The IRON being absorbed by the blood, and thus circulating through the whole system, no part of the body can escape their truly wonderful influence.

The experience of thousands daily proves that no preparation of Iron can for a moment be compared with it. Impurities of the blood, depression of vital energy, pale and otherwise sickly complexions indicate its necessity in almost every conceivable case. In all cases of female debility (fluor albus, chlorosis, etc.), its effects are delightfully renovating. No remedy has ever been discovered, in the whole history of medicine, which exerts such prompt, happy, and fully restorative effects. Good appetite, complete digestion, rapid acquisition of strength, with an unusual disposition for active and cheerful exercise, immediately follow its use. As a grand stomachic and general restorative it has no superior and no substitute.

Put up in neat flat metal boxes containing 50 pills, price 50 cents per box; six boxes, $2 50; one dozen boxes, $4 00. For sale by Druggists generally. Will be sent free to any address on receipt of the price. All letters, orders, etc., should be addressed to
