"Man! Know Thyself"

DR. HUNTER'S

MEDICAL MANUAL:

Being an original and popular Treatise on

MAN AND WOMAN,

Their Physiology, Functions, and Sexual Disorders of every kind, with never-failing Remedies for the speedy Cure of diseases of a private and delicate character, incident to the violation of the Laws of Nature and of Nature's God.

PRICE TWENTY FIVE CENTS.

The author of the above volume is a graduate and having devoted a quarter of a century to the study and treatment of Syphilis and kindred disorders as a specialty, he has become possessed of most invaluable information in regard to the same, and is able to compress into a single moderate compass the very quintessence of medical science on this important subject; as the result of the experience of the most eminent physicians in Europe and America is thoroughly demonstrated in his one highly successful practice in the treatment of secret diseases in many thousands of cases in the City of Philadelphia alone.

Testimony of the Professor of Obstetrics in Penn. College, Philada.

"DR. HUNTER'S MEDICAL MANUAL."—The author of this work, unlike the majority of those who advertise to cure the disease of which it treats, is a GRADUATE of one of the best Colleges in the United States. It affords me pleasure to recommend him to the unfortunate, or to the victim of MALPRACTICE, as a SUCCESSFUL and EXPERIENCED practitioner, in whose honor and integrity they may place the greatest confidence. JOSEPH S. LONGSHORE, M. D.

From A. Woodward, M.D., of Penn. University, Philada.

It gives me pleasure to add my testimony to the professional ability of the Author of the "MEDICAL MANUAL." Numerous cases of Diseases of the Genital Organs, some of them of long standing, have come under my notice in which his skill has been manifested in restoring to perfect health, in some instances where the patient has been considered beyond medical aid. In the treatment of Seminal weakness or disarrangements of the functions produced by MASTURBATION or EXCESS of venery, I do not know his SUPERIOR in the profession. I have been acquainted with the Author some thirty years, and deem it no more than justice to him as well as a kindness to the unfortunate victim of early indiscretion, to recommend him as one in whose professional skill and integrity they may safely confide themselves. ALFRED WOODWARD, M. D.

One Copy, securely enveloped, will be forwarded free of postage to any part of the United States for 25 Cents, or 6 copies for $1. Address post-paid COSDEN & CO. Publishers, box 197, Philada.
