ORDER OF PUBLICATION.

NO. 4394 EQUITY.

In the Circuit Court for Carroll County, in Equity.

Mary A. Gibson, Plaintiff, vs. John Gibson, defendant.

The object of this suit is to procure a divorce A Vinculo Matrimonii by the plaintiff from the defendant.

The Bill states that the plaintiff is now a resident of Carroll county, Maryland, and the defendant a non-resident of the State of Maryland, and that they were married on the 25rd day of February, 1878, in Westminster, in Carroll county, Maryland; that, though the conduct of the plaintiff to the defendant has always been kind and faithful, the said defendant has without just cause or reason abandoned her, and that such abandonment has continued uninterruptedly for more than 3 years and is deliberate and final and the separation of the parties is beyond any reasonable expectation of reconciliation, and that said parties have two children.

It is thereupon this 3rd day of January, 1908, ordered by the Circuit Court for Carroll county in Equity that the plaintiff cause a copy of this order to be inserted in some newspaper published in Carroll county, once in each of 4 successive weeks before the 3rd day of February 1908, giving notice to the said defendant of the object and substance of this Bill, warning him to appear in this Court in person or by solicitor on or before the 24th day of February next, to show cause if any he has why a decree ought not be passed as prayed.
