BŒRHAVE'S HOLLAND BITTERS

THE CELEBRATED HOLLAND REMEDY FOR

DYSPEPSIA,
DISEASE OF THE KIDNEYS,
LIVER COMPLAINT,
WEAKNESS OF ANY KIND,
FEVER AND ACUE,

And the various affections consequent upon a disordered

STOMACH OR LIVER,

Such as Indigestion, Acidity of the Stomach, Colicky Pains, Heartburn, Loss of Appetite, Despondency, Costiveness, Blind and Bleeding Piles. In all Nervous, Rheumatic, and Neuralgic Affections, it has in numerous instances proved highly beneficial, and in others effected a cound cure.

This is a purely vegetable compound, prepared on strictly scientific principles, after the manner of the celebrated Holland Professor, Boerhave. Its reputation at home produced its introduction here, the demand commencing with those of the Fatherland scattered over the face of this mighty country, many of whom brought with them and handed down the tradition of its value. *It is now offered to the American public, knowing that its truly wonderful medicinal virtues must be acknowledged.*

It is particularly recommended to those persons whose constitutions may have been impaired by the continuous use of ardent spirits, or other forms of dissipation. Generally instantaneous in effect, it finds its way directly to the seat of life, thrilling and quickening every nerve, raising up the drooping spirit, and, in fact, infusing new health and vigor in the system.

NOTICE.—Whoever expects to find this a beverage will be disappointed; but to the sick, weak and low spirited, it will prove a grateful aromatic cordial, possessed of singular remedial properties.

READ CAREFULLY!

The Genuine highly concentrated Boerhave's Holland Bitters is put up in half-pint bottles only, and retailed at ONE DOLLAR per bottle, or six bottles for FIVE DOLLARS. The great demand for this truly celebrated Medicine has induced many imitations, which the public should guard against purchasing.

☞Beware of Imposition. See that our name is off the label of every bottle you buy.

Sold by Druggists generally. It can be forwarded by Express to most points.

I have analyzed a sample of Chestnut Grove Whiskey received from Mr. Charles Wharton, jr., of Philadelphia, and having carefully tested it, I am pleased to state that it is entirely free from any of the Fusel Oil or other deleterious substances, it is an unusually pure and fine flavored quality of Whiskey. JAMES R. CHILTON,

Boston, March 7, 1859.

I have made a chemical analysis of commercial samples of Chestnut Grove Whiskey, which proves to be free from the heavy Fusil Oils, and perfectly pure and unadulterated. The fine flavor of this Whiskey is derived from the Grain used in manufacturing it.

Peale's Court of Death.

THE most elaborate and noted work of Art ever painted by an American Artist, is the "COURT OF DEATH," by REMBRANDT PEALE. This painting covers 312 square feet of canvass—containing 23 Life Size Figures, and has never been valued at less than

25,000 DOLLARS.

It has been gazed upon with admiration and delight by tens of thousands. The subscriber has purchased the painting, and issued a splendid

Chromo Lithographic Engraving

Of it, presenting a perfect *Facsimile Copy* of the original painting *with all its beautiful colors.*

The size of the Engraving is 23 by 31 inches, and the price ($1) for which it is offered is only *one-fifth* the usual price of similar works—100,000 being issued instead of 5,000, the usual number. The home of every family in the land, should be adorned with this picture as besides its beauty as an ornament, the lesson it teaches, illustrating the evils of *Intemperance* and *War*, and the end of a good—a *Christian Life*, are invaluable. Mr. Peale says of the Engraving: "I can certify that it is an accurate and admirable copy of the Original Painting." Testimonials without number, have been received from the leading Clergymen in praise of the Engraving. Many who receive it, say they would not part with it for ten times cost, if they could not procure another.

Clergymen and Church Societies supplied in quantities of not less than 20 copies at a time, on very liberal terms.

Terms for 1 copy, $1 and 4 letter stamps, or 5 copies for $4 without stamps. For a letter of Agency stating special terms, and 1 copy, $1 and 6 letter stamped. MOFFAT'S
Life Pills and Phœnix Bitters.

THESE Medicines have now been before the public for a period of THIRTY YEARS, and during that time have maintained a high character in almost every part of the globe for their extraordinary and immediate power of restoring perfect health to persons suffering under nearly every kind of disease to which the human frame is liable.

The following are among the distressing variety of human diseases in which the VEGETABLE LIFE MEDICINES are well known to be invaluable.

Costiveness, by cleansing the whole length of the intestines with a solvent process, and without violence; all violent purges leave the bowels costive within two days.

Fevers of all kinds, by restoring the blood to a regular circulation, through the process of perspiration in such cases, and the thorough solution of all intestinal obstruction in others.

The LIFE MEDICINES have been known to cure INTERMITTENT FEVER permanently in three weeks, and GOUT in half that time, by removing local inflammation from the muscles and ligaments of the joints.

Dropsies of all kinds, by freeing and strengthening the kidneys and bladder; they operate most delightfully on these important organs, and have never been found a certain remedy for the worst cases of GRAVEL.

Also WORMS, by dislodging from the turnings of bowels the slimy matter to which these creature adhere.

ASTHMA and CONSUMPTION, by relieving the air vessels of the lungs from the mucous which even slight colds will occasion, and which, if not removed, becomes hardened, and produces these dreadful diseases.

SCURVY, ULCERS, and INVETERATE SORES by the perfect purity which these LIFE MEDICINES give to the blood, and all the humors.

SCORBUTIC ERUPTIONS and BAD COMPLEXIONS, by their alterative effect upon the fluids that feed the skin, and the morbid state of which occasions all eruptive complaints, sallow, cloudy, and other disagreeable complexions.

The use of these Pills for a very short time will effect an entire cure of SALT RHEUM, and striking improvement in the clearness of the skin. COMMON COLDS and INFLUENZA will always be cured by one dose, or by two even in the worst cases.

PILES. As a remedy for this most distressing and obstinate malady, the VEGETABLE LIFE MEDICINES deserve a distinct and emphatic recommendation. It is well known to hundreds in this city that the former proprietor of these valuable Medicines was himself afflicted with this complaint for upwards of THIRTY-FIVE YEARS; and that he tried in vain every remedy prescribed within the whole compass of the Materia Medica. He however at length tried the Medicine which is now offered to the public, and he was cured in a very short time, and other relapses he never had been pronounced not only improbable, but absolutely impossible, by any human means.

FEVER AND AGUE.

For this scourge of the western country these Medicines will be found a sure, speedy, and certain remedy. Other medicines leave the system subject to a return of the disease—a cure by these medicines is permanent.

Try them, be satisfied, and be cured,

BILIOUS FEVERS AND LIVER COMPLAINTS,

GENERAL DEBILITY, Loss of Appetite, and Diseases of Females—these medicines have been used with the most beneficial results in every of this description: King's Evil and Scrofula in its worst forms, yields to the mild yet powerful action of these remarkable Medicines. Night Sweats, Nervous Debility, Nervous Complaints of all kind, Palpitation of the Heart, Painter's Colic, are specifically cured.

MERCURIAL DISEASES.

Persons whose constitutions have become impaired by the injudicious use of Mercury, will find these Medicines a perfect cure, as they never fail to eradicate from the system all the effects of Mercury infinitely sooner than the most powerful preparations of Sarsaparilla.

MEDICAL MANUAL:

Being a original and popular Treatise on

Their Physiology, Functions, and Sexual Disorders of every kind, with sixty Tables, Remedies for the speedy cure of diseases of a private and delicate nature, such as Nervous Debility, the Consequences of the Loss of Nature and of Nature's God.

PRICE TWENTY FIVE CENTS.

The author of the above volume is a graduate and having devoted a quarter of a century to the study and treatment of Syphilis and kindred disorders as subjects with which he has been peculiarly conversant, has compressed into said medium compass the very quintessence of medical science on this important subject as practiced by the eminent physicians of Europe and America in the numerous demonstrations in his very highly successful practice in the treatment of secret diseases in nearly thousands of cases in the City of Philadelphia alone.

JOSEPH S. LONGSHORE, M. D.

Testimony of the Professor of Obstetrics in Penn. College, Philadelphia.

"DR. HUNTER'S MEDICAL MANUAL"—The author of this work unlike the majority of those who advertise to cure the disease of which it treats is a man of character, a graduate of a College in the United States. It affords us a pleasure to recommend him to the UNFORTUNATE or to the victim of MARPLACTICE, as a scientific and skillful practitioner in the diseases and integrity they may place the greatest confidence.

JOSEPH S. LONGSHORE, M. D.

From A. Woodward, M. D., of Penn. University, Philada.

It gives me pleasure to add my testimony to the professional ability of the Author of the "MEDICAL MANUAL." Numerous cases of Diseases of the genitals, some of them of the most aggravated form came under my notice in which his skill has been manifested in restoring to perfect health. In some instances where the patient has been a confirmed sufferer, and even in the treatment of Seminal weakness or disarrangements of the functions produced by self-abuse or at times even worse, I do not hesitate to say he has been successful. I have been acquainted with the Author some thirty years, and deem it no more than justice to him as well as a kindness to the unfortunate victim of early indiscretion to recommend him as one in whose professional skill and integrity they may safely confide themselves. ALFRED WOODWARD M. D.
