Wheeler & Wilson's

SEWING MACHINE.

NO reader of the Kent News needs to be assured of the superiority of this machine. It is attested by the united voice of thousands of families, throughout the civilized world; by all manufacturers of sewed goods, and by the discriminating awards of committees at state and county fairs, where it has uniformly carried off the highest premiums.

These machines make the lock-stitch, the only stitch that cannot be ravelled, and that presents the same appearance on both sides of the seam. No other than the lock-stitch is acceptable to discriminating and intelligent people, and as the WHEELER & WILSON MACHINE will sew anything from the *lightest* muslins to the *heaviest* cloth, or even leather, and will work equally well upon silk, linen, woollen and cotton goods, it should stand as it does, highest in public estimation. Prices $45, 50, 60, 65, 75, 90, and $100.
