EXAMINERS' NOTICE.

WHEREAS a commission has been issued by the County Commissioners for Carroll County, to the undersigned, as Examiners, to view the premises and determine whether the public convenience requires the shutting up, and altering a part of the County Road leading from Hampstead to Brown's Meeting House; and to locate a new route, commencing at or near a stone in the old road, at the corner of Conrad Stump's fields, and running thence on or near the line between Conrad Stump and Conrad Schnell, until it intersects the lands of Zachariah Ebaugh, thence through said Ebaugh's lands to a stone between said Ebaugh and Ellexis Harris, thence on the division line between said Ebaugh and Harris, to the end of said line, thence through the lands of Zachariah Ebaugh until it intersects the old road near Ebaugh's School House; and also, whether it would be expedient to shut up and alter a part of the road leading from the Hanover turnpike road to Richards' Mill, so far as it runs with the other road, or to where the new road crosses it, and open a new road, commencing at the old road at the end of Zachariah Ebaugh's lane, and running the course of said lane until it intersects the new route of the Hampstead and Brown's Meeting House road, thence with said road until it intersects the old road again.

This is therefore to give notice to all persons concerned, that the undersigned intend to meet on the premises on *Thursday, the 27th day of September, next,* to execute the trust reposed in us by virtue of said commission.

It has an abundance of WOODLAND, of superior quality, Chestnut, Oak and Hickory, and adjoins lands of Andrew Reese, David Everly, Airhart Winters, and others. This Farm lays directly along the Western Maryland Railroad, and from the demand for Shingles, Rails, Posts, Bark and Building Materials, no land in this County holds out better inducements to purchasers. It is convenient of access, lying along both sides of the Road leading from Westminster to Manchester.

☞ This Tract will be offered whole, and if not sold, will be offered in lots to suit purchasers; a plat will be exhibited.

TERMS.—Terms of Sale as prescribed by the Decree, are:—One-third part of the purchase money to be paid cash on the day of sale, or on the ratification thereof by the Court; the balance in two equal annual payments of one and two years from the day of sale, to be secured by the bonds or single bills of the purchasers with security to be approved by the Trustees.

Scrofula, or King's Evil,

is a constitutional disease, a corruption of the blood, by which this fluid becomes vitiated, weak, and poor. Being in the circulation, it pervades the whole body, and may burst out in disease on any part of it. No organ is free from its attacks, nor is there one which it may not destroy. The scrofulous taint is variously caused by mercurial disease, low living, disordered or unhealthy food, impure air, filth and filthy habits, the depressing vices, and, above all, by the venereal infection. Whatever be its origin, it is hereditary in the constitution, descending "from parents to children unto the third and fourth generation;" indeed, it seems to be the rod of Him who says, "I will visit the iniquities of the fathers upon their children."

Its effects commence by deposition from the blood of corrupt or ulcerous matter, which, in the lungs, liver, and internal organs, is termed tubercles; in the glands, swellings; and on the surface, eruptions or sores. This foul corruption, which genders in the blood, depresses the energies of life, so that scrofulous constitutions not only suffer from scrofulous complaints, but they have far less power to withstand the attacks of other diseases; consequently, vast numbers perish by disorders which, although not scrofulous in their nature, are still rendered fatal by this taint in the system. Most of the consumption which decimates the human family has its origin directly in this scrofulous contamination; and many destructive diseases of the liver, kidneys, brain, and, indeed, of all the organs, arise from or are aggravated by the same cause.

One quarter of all our people are scrofulous; their persons are invaded by this lurking infection, and their health is undermined by it. To cleanse it from the system we must renovate the blood by an alterative medicine, and invigorate it by healthy food and exercise. Such a medicine we supply in

AYER'S
Compound Extract of Sarsaparilla,

the most effectual remedy which the medical skill of our times can devise for this every where prevailing and fatal malady. It is combined from the most active remedials that have been discovered for the expurgation of this foul disorder from the blood, and the rescue of the system from its destructive consequences. Hence it should be employed for the cure of not only scrofula, but also those other affections which arise from it, such as ERUPTIVE and SKIN DISEASES, ST. ANTHONY'S FIRE, ROSE, or ERYSIPELAS, PIMPLES, PUSTULES, BLOTCHES, BLAINS and BOILS, TUMORS, TETTER and SALT RHEUM, SCALD HEAD, RINGWORM, RHEUMATISM, SYPHILITIC and MERCURIAL DISEASES, DROPSY, DYSPEPSIA, DEBILITY, and, indeed, ALL COMPLAINTS ARISING FROM VITIATED OR IMPURE BLOOD. The popular belief in "*impurity of the blood*" is founded in truth, for scrofula is a degeneration of the blood. The particular purpose and virtue of this Sarsaparilla is to purify and regenerate this vital fluid, without which sound health is impossible in contaminated constitutions.

Ayer's Cathartic Pills,

FOR ALL THE PURPOSES OF A FAMILY PHYSIC, are so composed that disease within the range of their action can rarely withstand or evade them. Their penetrating properties search, and cleanse, and invigorate every portion of the human organism, correcting its diseased action, and restoring its healthy vitalities. As a consequence of these properties, the invalid who is bowed down with pain or physical debility is astonished to find his health or energy restored by a remedy at once so simple and inviting.

Not only do they cure the every-day complaints of every body, but also many formidable and dangerous diseases. The agent below named is pleased to furnish gratis my American Almanac, containing certificates of their cures and directions for their use in the following complaints: *Costiveness, Heartburn, Headache arising from disordered Stomach, Nausea, Indigestion, Pain in and Morbid Inaction of the Bowels, Flatulency, Loss of Appetite, Jaundice,* and other kindred complaints, arising from a low state of the body or obstruction of its functions.

Ayer's Cherry Pectoral,

FOR THE RAPID CURE OF

Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption, and for the relief of Consumptive Patients in advanced stages of the disease.

So wide is the field of its usefulness and so numerous are the cases of its cures, that almost every section of country abounds in persons publicly known, who have been restored from alarming and even desperate diseases of the lungs, by its use. When once tried, its superiority over every other medicine of its kind is too apparent to escape observation, and where its virtues are known, the public no longer hesitate what antidote to employ for the distressing and dangerous affections of the pulmonary organs that are incident to our climate. While many inferior remedies thrust upon the community have failed and been discarded, this has gained friends by every trial, conferred benefits on the afflicted they can never forget, and produced cures too numerous and too remarkable to be forgotten.

DR. LINDSEY'S IMPROVED

BLOOD SEARCHER,
A STANDARD MEDICINE

For the speedy, radical and effectual cure of ALL DISEASES arising from IMPURITY OF THE BLOOD.

This medicine has wrought the most miraculous cures in desperate cases of

Scrofula,	Cancerous formations,
Cutaneous Diseases,	Erysipelas, Boils,
Pimples on the face,	Sore Eyes,
Old, Stubborn Ulcers,	Scald Head,
Tetter affections,	Rheumatic Disorders,
Dyspepsia,	Costiveness,
Jaundice,	Salt Rheum,
Mercurial Diseases,	General Debility,
Liver Complaint,	Loss of Appetite,
Low Spirits,	Foul Stomach,

Female Complaints, and all Diseases having their origin in an impure state of the Blood.

The above is a portrait of David McCreary, of Napier township, who, on the 31st day of August, 1856, made affidavit before Justice Gelsby that he was treated for the cure of Cancer by three physicians of Bedford county, and by Dr. Newton of the Eclectic College in Cincinnati, for a period of nearly eight months, notwithstanding which, his *lip, nose, and a portion of his left cheek were entirely eaten away!* He had given up all hope, when he heard of the "Blood Searcher," and was induced to try it. Four bottles cured him, and although sadly disfigured, there is no question but what this invaluable medicine saved his life. The full particulars of this remarkable case may be seen in a circular, which can be had of any of the Agents.

We also refer to the case of Nancy Bleakney, of Elderton, Armstrong county, Pa., cured of Scrofula after being unable to get out of bed for three years.

To the case of a lady in Anconville, Clearfield county, who was also afflicted with Scrofula in the worst form.

To the case of George Meisel, residing in Carrolltown, Cambria county, Pa., who was so badly afflicted with Cancer that it eat his entire nose off, and his case was worse, if possible, than McCreary's.

The particulars of these cases—every one of which was cured by the use of the Blood Searcher—may also be found in a circular to be had of any of the Agents.

POSITIVELY
THE LAST NOTICE TO
Delinquent Tax Payers!

HAVING already indulged the delinquent Tax Payers of Carroll County to an extent greatly injurious to my personal interests, and finding it extremely inconvenient to go through the County again, I have placed all Tax Bills, both State and County, which were due in 1854, '55, '56, and '57, (except those for Freedom District,) into the hands of JOHN T. DIFFENBAUGH, who is authorized to collect and receipt for the same. Those who may find it more convenient to do so, can pay to JACOB REESE, Cashier, or EDWIN F. REESE, at the Farmer's and Mechanic's Bank, Westminster, who are also authorized to receive and receipt for Taxes.

The collection of the Taxes due, as above stated, in Freedom District, I have reserved to myself, but will also receive and receipt for other Districts of the County, and I hereby notify all persons interested, *that further indulgence cannot and will not be given. Necessity compels the measure*—and if, in the collection of these Tax Bills, it should be found necessary to enforce the Law with all the rigor and severity of which it is capable, those who suffer by it must only blame themselves.

S. R. GORE,
July 20.—4t. Collector.

NOTICE TO
TAX PAYERS.

HEREBY give notice to all persons yet in arrears for TAXES due to me for 1858 and 1859, and also to S. R. GORE, for the years 1854, 1855, 1856, and 1857, that I will be at the Court House during the entire Term of Court next, September Term, for the purpose of receiving Taxes for the years as above stated; and all those who desire to save costs, can call and settle the same during the session of Court. I will also attend at the Court House ON EVERY MONDAY for the accommodation of all Tax-payers who desire to meet me and settle the same.

All Taxes not paid during Court will be speedily collected thereafter, without respect to persons, as I am compelled to close my collections at an early date, and will consequently grant no further indulgence to any one.

All those who do not avail themselves of the above opportunities, must not blame me if they are taxed with costs, either on my own Taxes or Taxes due Mr. S. R. GORE, *as further indulgence cannot be expected from any one.*

N. B. Mr. S. R. GORE has placed his back Taxes in my hands for collection, as may be seen by advertisement in another part of to-day's paper.

DR. JOHNSTON,
THE ONLY PHYSICIAN ADVERTISING.
BALTIMORE LOCK HOSPITAL.

Established for the suppression of quackery. The only place where a cure can be obtained, or the most certain, speedy and effectual remedy in the world for all

SECRET DISEASES.

Gleet, Strictures, Seminal Weakness, Weakness of the Back or Limbs, Affections of the Kidneys and Bladder, Involuntary Discharges, Impotency, General Debility, Nervousness, Dyspepsy, Languor, Low Spirits, Confusion of Ideas, Palpitation of the Heart, Timidity, Trembings, Dimness of Sight or Giddiness, Disease of the Head, Throat, Nose or Skin, Affections of the Lungs, Stomach or Bowels—those Terrible Disorders arising from Solitary Habits of Youth—those SECRET and solitary practices more fatal to their victims than the song of Syrens to the Mariners of Ulysses, blighting their most brilliant hopes or anticipations, rendering marriage, &c., impossible.

YOUNG MEN.

Especially, who have become the victims of *Solitary Vice,* that dreadful and destructive habit which annually sweeps into an untimely grave thousands of young men of the most exalted talents and brilliant intellect, who might otherwise have entranced listening Senators with the thunders of eloquence, or waked to ecstacy the living lyre, may call with full confidence.

MARRIAGE.

Married Persons, or Young Men, contemplating Marriage, being aware of Physical Weakness, Organic Debility, Deformities, &c., should immediately consult Dr. J., and be restored to perfect health.

He who places himself under the care of Dr. Johnston, may religiously confide in his honor, as a gentleman, and confidently rely upon his skill as a Physician.

ORGANIC WEAKNESS

immediately cured and full vigor restored.

OFFICE No. 7 SOUTH FREDERICK ST., left hand side going from Baltimore street, a few doors from the corner. Fail not to observe the name and number, for ignorant, trifling impostors, attracted by the reputation of Dr. Johnston, lurk near.

N. B.—*All letters must contain a stamp, or no reply sent.*

A CURE WARRANTED, OR NO CHARGE, IN FROM ONE TO TWO DAYS.
No Mercury or Nauseous Drugs Used.

DR. JOHNSTON,

Member of the Royal College of Surgeons, London, graduate from one of the most eminent Colleges of the United States, and the greater part of whose life has been spent in the first Hospitals of London, Paris, Philadelphia, and elsewhere, has effected some of the most astonishing cures that were ever known, many troubled with ringing in the head and ears when asleep, great nervousness, being alarmed at sudden sounds, and bashfulness, with frequent blushing, attended sometimes with derangement of mind, were cured immediately.

A CERTAIN DISEASE.

When the misguided and imprudent votary of pleasure finds he has imbibed the seeds of this painful disease, it too often happens that an illimed sense of shame, or dread of discovery, deters him from applying to those who, from education and respectability, can alone befriend him, delaying till the constitutional symptoms of this horrid disease make their appearance, such as ulcerated sore throat, diseased nose, nocturnal pains in the head and limbs, dimness of sight, deafness, nodes on the shin bones and arms, blotches on the head, face and extremities, progressing on with frightful rapidity, till at last the palate of the mouth or the bones of the nose fall in, and the victim of this awful disease becomes a horrid object of commiseration, till death puts a period to his dreadful sufferings, by sending him to "that bourne from whence no traveller returns."

It is a *melancholy fact* that thousands fall victims to this terrible disease, owing to the unskillfulness of ignorant pretenders, who, by the use of that *Deadly Poison, Mercury,* ruin the constitution and make the residue of life miserable.

TAKE PARTICULAR NOTICE!

Dr. J. addresses all those who have injured themselves by improper indulgences and solitary habits which ruin both body and mind, unfitting them for either Business, Study, Society or Marriage.

THESE are some of the sad and melancholy effects produced by early habits of youth, viz: Weakness of the Back and Limbs, Pains in the Head, Dimness of Sight, Loss of Muscular Power, Palpitation of the Heart, Dyspepsia, Nervous Irritability, Derangement of the Digestive Functions, General Debility, symptoms of Consumption, &c.

MENTALLY—The fearful effects on the mind are much to be dreaded—Loss of Memory, Confusion of Ideas, Depression of Spirits, Evil Forebodings, Aversion to Society, Self Distrust, Love of Solitude, Timidity, &c., are some of the evils produced.

NERVOUS DEBILITY—Thousands can now judge what is the cause of their declining health, losing their vigor, becoming weak, pale, nervous and emaciated, having a singular appearance about the eyes, cough and symptoms of consumption.

DR. JOHNSTON'S INVIGORATING REMEDY FOR ORGANIC WEAKNESS.

By this great and important remedy weakness of the organs is speedily cured, and full vigor restored.

Thousands of the most nervous and debilitated, who had lost all hope, have been immediately relieved.

All impediments to Marriage, Physical or Mental Disqualifications, Nervous Irritability, Trembling and Weakness, or exhaustion of the most fearful kind, speedily cured.

YOUNG MEN,

Who have injured themselves by a certain practice indulged in when alone—a habit frequently learned from evil companions at school, the effects of which are nightly felt, even when asleep, and if not cured render marriage impossible, and destroy both mind and body, should apply immediately.

What a pity a young man, the hope of his country, the darling of his parents, should be snatched from all prospects and enjoyments of life, by the consequences of deviating from the path of nature, and indulging in a certain secret habit. Such persons MUST, before contemplating

MARRIAGE,

Reflect that a sound mind and body are the most necessary requisites to promote connubial happiness. Indeed, without these, the journey through life becomes a weary pilgrimage; the prospect hourly darkens to the view; the mind becomes shadowed with despair, and filled with the melancholy reflection that the happiness of another becomes blighted with our own.

TO STRANGERS.

THE MANY THOUSANDS cured at this institution within the last eighteen years, and the numerous important Surgical Operations performed by Dr. Johnston, witnessed by the reporters of the papers and many other persons, notices of which have appeared again and again before the public, besides his standing as a gentleman of character and responsibility, is a sufficient guarantee to the afflicted.

TAKE NOTICE

It is with the greatest reluctance that Dr. JOHNSTON permits his card to appear before the public, deeming it unprofessional for a physician to advertise, but unless he did so, the afflicted, especially strangers, could not fail to fall into the hands of the many impudent and unlearned Impostors, with innumerable false names or combined Quackshops swarming these large cities, and copying Dr. JOHNSTON'S advertisements. *Shoe Menders, Bad Darks, Sweeps, Lamp Trimmers &c., pitiry and contemptible Imitators,* whose Lives instead of at the Noble Science of Medicine, have been spent in the most *Menial Capacity,* now styling themselves *Regularly Educated Physicians,* illiterate shallow-brained fellows too lazy to work at their original trade, with scarce two ideas beyond a brute, who, for the purpose of enticing and deceiving, carrying on five or six offices, under as many different false names, so that the afflicted Stranger escaping one, is sure to tumble headlong into the other; ignorant quacks with enormous lying certificates of great and astonishing cures, from persons not to be found, who keep you taking large bottles of Liquorice Water and other packages of filthy and worthless compounds, cunningly prepared to impose upon the fortunate and unsuspecting.—Trifling month after month, or as long as the smallest fee can be obtained, and, in despair, leave you with ruined health, to sigh over your galling disappointment.

Persons doubting these remarks can try these impostors, be ruined in health and be convinced.

Dr. Johnston wants no patients but those fully capable of appreciating and distinguishing the services of a regular thorough bred Physician from the paltry, designing and unlearned Quack.

ONLY PHYSICIAN ADVERTISING.

Dr. Johnston is the only Physician advertising to cure Secret Diseases. His Credentials or Diplomas always hang in his office.

HIS REMEDIES and treatment are entirely unknown to all others. Prepared from a life spent in the great hospitals of Europe and the first in this country, and a more extensive practice than any other Physician in the world.

HE ALONE CAN RESTORE YOU.

MEDICAL HOUSE,
NO. 11 SOUTH FREDERICK STREET BALTIMORE.

DR. SMITH

HAS FOR MANY YEARS DEVOTED his whole attention to the treatment of Private Complaints, in all their varied and complicated forms. His great success in those long standing and difficult cases, such as were formerly considered incurable, is sufficient to commend him to the public as worthy of the extensive patronage he has received. Within the last eight years Dr. S. has treated over 29 600 cases of Private Complaints in their different forms and stages; a practice which no doubt exceeds that of all other Physicians now advertising in Baltimore, and not a single case is known, where the directions were strictly followed, and medicines taken a reasonable time, without effecting a radical, a permanent cure; therefore persons afflicted with diseases of the above nature, "no matter how difficult, or how long standing the case may be," would do well to call on Dr. SMITH, at his office, No 11 South Frederick street.

The afflicted should bear in mind that Dr. S. is the only regular physician advertising, who has for many years devoted his whole attention to the treatment of this class of diseases.

His Medicines are free from Mercury and all Mineral poisons; put up in a neat and compact form, and may be taken in a public or private house, or while travelling, without exposure or hindrance from business, and except in cases of violent inflammation, no change of diet is necessary.

We are called upon every few days to cure Chronic diseases which were supposed to have been cured years ago, but instead of which were only checked, driven into the system by Mercury or Copaiva, and therefore seemed to be well, but in a longer or shorter time, by some slight cause, broke out in its worst and most difficult forms, producing ulcers in the throat, nose or roof of the mouth, eruptions of the skin, pains or swelling of the bones, etc. On account of the number of such cases which have lately come under my care, and the immense suffering which a little neglect or improper treatment in the first stages of the disease may cause, Dr. Smith thinks it his duty to advise the unfortunate, *particularly strangers,* to be careful that they are not deceived by *false advertisements of boasting quacks,* who make promises which could not be fulfilled, even by the most experienced physicians. By neglect or improper treatment, the patient is often reduced to a state which makes the case extremely difficult to cure. Therefore all should be aware of the importance of consulting a skillful physician in the early stage of the disease.

CONSTITUTIONAL DEBILITY.

Young men! Beware of the pernicious influence and almost fatal injury you inflict upon your constitutions by evil examples and the morbid influence of the passions.

How many young persons do we daily behold, whose countenances and debilitated constitutions depict diseases arising from that horrible and
