TREES! TREES!

THE subscriber offers for sale at his NURSERY, at Locust Hill, a fine lot of Trees, consisting of the following fruit:

PEACH,	CHERRY,	CURRANT,

JESSE LANE, *versus*
Estrange Gould, Hester J. Gould, John S. Constable, Abraham Hurlock, Passmore H. Mitchell and Adeline Mitchell, Joshua Simmons and Bauduy Simmons.

In the Circuit Court for Kent County, sitting in Equity.

THE object of this suit is to procure a decree for a sale of certain mortgaged premises in Kent county, which were on the fifteenth day of March, 1858, mortgaged by two of the defendants, Estrange Gould and Hester J. Gould his wife, to Abraham Hurlock, which mortgage was afterwards, to wit, on the 18th day of July, 1861, assigned and transferred by the said Abraham Hurlock to the complainant, and to pay other liens on said land.

The Bill states, that on or about the 15th day of March, 1858, the said Estrange Gould and Hester J. Gould his wife, conveyed certain real estate, lying in Kent county, containing 401 acres more or less, which is particularly described in the bill and its accompanying exhibit, unto the said Abraham Hurlock, by way of mortgage, to secure the payment of $6,390.88, with interest from the first day of January, 1858, payable by instalments, all of which are now due: that after sundry payments made by the said Estrange Gould to the said Abraham Hurlock, the said Abraham Hurlock did on the 18th day of July, 1861, for and in consideration of the sum of $3,492.69 to him paid by the complainant, (being the sum which then remained due and unpaid on said mortgage, including the last instalment which fell due on the 1st day of January, 1859,) assign and transfer said mortgage, and mortgage debt, to the complainant, and that no part of said sum of money has been paid to the complainant. That on or about the first day of May, 1860, the said Estrange Gould and Hester J. Gould his wife, executed another deed of Mortgage, by which they conveyed the said lands and Real Estate to Joshua Simmons and Bauduy Simmons, to secure the payment of the sum of $3,000.00 on or before the 1st day of May, 1861. That on the eighth day of June, 1861, the said Estrange Gould and Hester J. Gould his wife, did by deed duly executed, acknowledged and recorded among the land records of Kent county, convey all of their right, title and interest, in and to said Lands and Real Estate to Passmore H. Mitchell.

That on or about the twenty-third day of August, 1856, the said Abraham Hurlock being seized in fee of the said real estate and lands, did convey the same by deed of mortgage to John S. Constable, to secure the payment of the sum of $7,500, with interest from the first day of January, 1857, payable by instalments, the first instalment being due on the first day of January next, the interest to be paid annually on the first day of December. The said Abraham Hurlock afterwards, to wit, on the twelfth day of March, 1858, conveying said lands and real estate, to the said Estrange Gould, by deed duly executed, acknowledged, and recorded among the land records of Kent county.

That the said Estrange Gould and Hester J. Gould, his wife; Joshua Simmons and Bauduy Simmons, Passmore H. Mitchell and Adeline Mitchell his wife, are non-residents.

It is thereupon adjudged and ordered, that the complainant, by causing a copy of this order to be inserted in some newspaper, published in Kent county, Maryland, once in each of four successive weeks before the twelfth day of May next, give notice to the said absent defendents of the object and substance of this bill: and warn them to appear in this Court in person or by solicitor, on or before the twelfth day of August next, to answer the premises, and show cause, if any they have, why a decree ought not to pass as prayed.

A CARD.
CHESTERTOWN, January 24, 1862.

THE present distracted condition of our once prosperous and happy country—my advanced age—the uncertainty of life—my duty to my creditors, friends and family, all admonish me of the necessity of closing my business, which I shall proceed to do with all the means in my power.

I have therefore concluded to discontinue the practice of Medicine, or so abridge my field of operations as to enable me to devote some time to the collection of my dues, and payment of my debts. If there are any entertaining a particular preference for me, and are willing to pay me half-yearly, or yearly, I will for such, still endeavor to discharge my professional duty. I will not decline without returning my kind acknowledgments to the community for the pleasant intercourse I have so long enjoyed and most earnestly hope that they will find some one who will more successfully and faithfully discharge the arduous and responsible duties of so extensive a practice as I have had for the last twenty years.

If after getting my affairs in a more tangible or intelligible form, the community should stand in need or wish my professional services, I may conclude to resume.

Daily's Ventilated Truss.

THIS celebrated Truss has proved by the numerous cures it has effected in the short time since its invention, to be the great improvement of the age for the relief of ruptured persons. Parties on whom I have applied the Truss say they would not take a thousand dollars for it, and yet it is furnished at a fourth the price asked by truss makers in our large cities for an inferior article. I will apply the truss myself either at my store or at the dwellings of persons desiring it. Particular attention paid to children. All children can be cured of this troublesome complaint, by having a proper Truss applied. Ladies' Trusses and bandages will be applied by a competent lady.
