A MARVELLOUS REMEDY!

FOR A MARVELLOUS AGE!

HOLLOWAY'S OINTMENT.

The Grand External Remedy.

BY the aid of a microscope, we see millions of little openings on the surface of our bodies. Through these this Ointment, when rubbed on the skin, is carried to any organ or inward part. Diseases of the Kidneys, disorders of the Liver, affections of the heart, Inflamation of the Lungs, Asthmas, Coughs and Colds, are by its means effectually cured. Every housewife knows that salt passes freely through bone or meart of any thickness. This healing Ointment far more readily penetrates through any bone or fleshy part of the living body, curing the most dangerous inward complaints, that cannot be reached by other means.

Erysipelas, Salt Rheum & Scorbutic Humors.

No remedy has ever done so much for the cure of diseases of the Skin, whatever form they may assume as this Ointment. No case of Salt Rheum, Scurvy Sore Heads, Scrofula, or Erysipelas, can long withstand its influence. The inventor has travelled over many parts of the globe, visiting the principal hospitals, dispensing this Ointment, giving advice as to its application, and has thus been the means of restoring countless numbers to health.

Sore Legs, Sore Breasts, Wounds and Ulcers.

Some of the most scientific surgeons now rely solely on the use of this wonderful Ointment, when having to cope with the worst cases of Ulcers. Professor Holloway has, by command of the Allied Governments dispatched to the hospitals of the East, large shipments of this Ointment, to be used under the direction of the Medical Staff, in the worst cases of wounds. It will cure any ulcer, glandular swelling, stiffness or contraction of the joints, even of 20 years' standing.

PILES AND FISTULAS.

These and other similar distressing complaints can be effectually cured if the Ointment be well rubbed in over the parts affected, and by otherwise following the printed directions around each pot.

Both the Ointment and Pills should be used in the following cases:

Bunions	Lumbago	Sore Legs
Burns	Mercurial Eruptions	Sore Breasts
Clipped Hands	Piles	Sore Throats
Chilblains	Rheumatism	Sores of all kinds
Fistulas	Salt Rheum	Sprains
Gout	Skin Diseases	Scalds
Swelled Glands	Ulcers	Venereal Sores
Stiff Joints		
Wounds of all kinds		

☞ Sold at the Manufactories of Professor Holloway, 80 Maiden Lane, New-York, and 244 Strand, London, and by all respectable druggists and dealers of Medicines throughout the United States, and the civilized world, in Pots, at 25 cents, 62½ cents, and $1 each.

☞ There is a considerable saving by taking the larger sizes.

N. B. Directions for the guidance of patients in every disorder are affixed to each Pot. July 5—y

C. H. M'CORMICK'S

REAPING MACHINE!

I SUPPOSE by this time farmers have made up their mind as to what kind of Reaper & Mower they will purchase? All, doubtless, have fully satisfied themselves that of the many different Machines now in use there is none to equal that of C. H. M'CORMICK'S, either as a machine to reap or mow. It has fully been realized that this machine does reap and mow far superior to any other machine. The Reaping machine is constructed so as to give every satisfaction in reaping; and, the same in like manner. All persons purchasing of me will find it greatly to their advantage, as I will put in operation all machines, and warrant them to give satisfaction; also, all repairs when necessary will be done at my Shop in Westminster, West End, at shortest notice. Farmers will notice this one important item in M'Cormick's Machine, that it delivers off at the side so as to get from wheeling around the field. No grain or grass lays at any time in the way of the machine when in operation. It is perfectly balanced so as to work without weight upon the neck of the horses.
