JUSTICE TO THE SOUTH.
A NEW BOOK and one destined to create a sensation.

JUST PUBLISHED,

THE SUNNY SOUTH,

OR THE SOUTHERNER AT HOME,

Embracing Five Years experience of a Northern Governess, in the land of Sugar, Rice Tobacco and Cotton. Edited by Prof. J. H. INGRAHAM, of Mississippi. Handsomely bound in one volume, 12 mo. 550 pages. Price $1.25.

Lithography Notices from the Press throughout the Country.

THE SUNNY SOUTH.—This book is composed of a series of letters, written in an interesting style of a narrative, embodying the most romantic features of social life on different kinds of plantations. We can bear testimony, from our own personal observation of similar scenes in the South, to their truthfulness as here depicted. They are portrayed in a vivid, interesting style and we would like to see the book in the hands of thousands of deceived people who have no personal knowledge either of Southerners or Southern life, except what they have gained from partizan journals, or those who have written intentionally to deceive.—*Daily Republic, Buffalo, N. Y.*

THE SUNNY SOUTH.—This volume is in the form of letters. They give, as we can judge, faithful pictures of Southern life, and are penned without prejudice. They present scenes quite different from an Uncle Tom's Cabin, the picture here represented are quite graphic, and we think the portraits painted are in very nearly natural colors.—*Boston Daily Bee.*

THE SUNNY SOUTH.—We have rarely peeped within the covers of a more appetizing volume. Although not intended as an answer to the foul untruths in the Uncle Tom trash of the last ten years, it nevertheless does unmercifully hurl back to their source all lies of such a nature, and we are glad to believe that the book will be read in thousands of northern homes.—The south also should take to it benignantly, for independent of its truthfulness and integrity, it is one of the liveliest and most entertaining books of the year.—*Times, Greensboro', N. C.*

THE SUNNY SOUTH.—The enterprising publisher, G. G. Evans, Philadelphia, of gift book notoriety, is weekly issuing new works of interest and spreading them over the country, and his system of transacting business may be looked upon as an institution, for diffusing knowledge, unequalled by any in the country. We commend the book to all.—*Daily Mail.*

THE SUNNY SOUTH.—This is a captivating volume, strongly illustrative of Southern life. The heart of the authoress is with her theme and she carries the interest of the reader along with her as she, in her amusing off-hand style, delineates the peculiarities of a Southern home.—*Press.*

THE SUNNY SOUTH.—Whatever bears the name of Professor Ingraham is sure to involve the elements of striking effect and a wide popular currency; and this is just the case with "The Sunny South, or the Southerner at Home" which appears from the Press of G. G. Evans, under the editorship of the graphic Professor. It is vivid in style, keenly observant, interesting in plot and in purpose and manner it obviously springs from a warm heart and will be cordially welcomed by a host of readers.—*New Yorker.*

GOOD BOOKS! CHOICE BOOKS!

NEW AND ILLUSTRATED EDITIONS.

THE THRONE OF DAVID,

From the consecration of the Shepherd of Bethlehem to the Rebellion of Prince Absalom—being an illustration of the Splendor Power, and Dominion of the Reign of the Shepherd King in a series of Letters, wherein the magnificence of Judea is shown to the reader, as if *by an eye witness.* By Rev. J. H. INGRAHAM, LL. D. One vol. 12 mo., cloth, 603 pages.—Price $1 25.

"This is the third Volume, and the completion of a series of works by the same author—on the history of the Israelitish monarchy. The origin unknown, was treated of in the "Pillar of Fire" and its great glory under David is treated of in this work (The Throne of David) while the decline of the power and the opening of the new dispensation meet fully their delineation in the "Prince of the House of David." These works are historically valuable books of information relative to the scenery, geography and manners of the Holy Land. The style is interesting and powerful, and the work leads us to the contemplation and study of the sublime language of the Bible and the great doctrines of truth it contains, without being as such books too ordinarily are, either mawkish, stupid, dogmatic or conceited.—*Boston Daily Atlas.*

THE PILLAR OF FIRE,

OR ISRAEL IN BONDAGE.

By the Rev. J. H. INGRAHAM, author of the "Prince of the House of David." One volume, 12 mo, cloth, 360 pages. Price $1.25.

This work is designed to sketch the Hebraic history during the bondage in Egypt, the Prophet Moses being the central figure, and is a free and striking history of the period in which the events gathered from the Bible and then from profane history a vast mass of material which by his genius is thrown into a fascinful narrative of the most attractive character which carries the reader along without diminution of interest.—*Philadelphia Evening Bulletin.*

THE PRINCE OF THE HOUSE OF DAVID,

OR THREE YEARS IN THE HOLY CITY.

In a series of letters relating as if by an eye witness, all the scenes and wonderful incidents in the

LIFE OF JESUS OF NAZARETH,

From the Baptism in Jordan to the Ascension on Calvary. By the Rev. J. H. INGRAHAM, Rector of Christ Church and of St. Thomas' Hall, Holly Springs, Miss. One volume 12 mo. cloth. 472 pages. Price $1.25.

In this work the author has succeeded in the bold and daring task of presenting the great leading historical parts of scripture in connection with secular history so as to present the clear and life like picture of these events as they might be supposed to appear to a casual observer. The description of sights and scenes is elaborately spirited and comprehensive. The style is highly imaginative and attractive, and we predict that this volume will be as popular as the "Pilgrim's Progress."—*Presbyterian and Evangelist.*

Ayer's Sarsaparilla

A compound remedy, in which we have labored to produce the most effectual alterative that can be made. It is a concentrated extract of Para Sarsaparilla, so combined with other substances of still greater alterative power as to afford an effective antidote for the diseases Sarsaparilla is reputed to cure. It is believed that such a remedy is wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure must prove of immense service to this large class of our afflicted fellow-citizens. How completely this compound will do it has been proven by experiment on many of the worst cases to be found of the following complaints:—

SCROFULA AND SCROFULOUS COMPLAINTS, ERUPTIONS AND ERUPTIVE DISEASES, ULCERS, PIMPLES, BLOTCHES, TUMORS, SALT RHEUM, SCALD HEAD, SYPHILIS AND SYPHILITIC AFFECTIONS, MERCURIAL DISEASE, DROPSY, NEURALGIA OR TIC DOULOUREUX, DEBILITY, DYSPEPSIA AND INDIGESTION, ERYSIPELAS, ROSE OR ST. ANTHONY'S FIRE, and indeed the whole class of complaints arising from IMPURITY OF THE BLOOD.

This compound will be found a great promoter of health, when taken in the spring, to expel the foul humors which fester in the blood at that season of the year. By the timely expulsion of them many rankling disorders are nipped in the bud. Multitudes can, by the aid of this remedy, spare themselves from the endurance of foul eruptions and ulcerous sores, through which the system will strive to rid itself of corruptions, if not assisted to do this through the natural channels of the body by an alterative medicine. Cleanse out the vitiated blood whenever you find its impurities bursting through the skin in pimples, eruptions, or sores; cleanse it when you find it is obstructed and sluggish in the veins; cleanse it whenever it is foul, and your feelings will tell you when. Even where no particular disorder is felt, people enjoy better health, and live longer, for cleansing the blood. Keep the blood healthy, and all is well; but with this pabulum of life disordered, there can be no lasting health. Sooner or later something must go wrong, and the great machinery of life is disordered or overthrown.

Sarsaparilla has, and deserves much, the reputation, of accomplishing these ends. But the world has been egregiously deceived by preparations of it, partly because the drug alone has not all the virtue that is claimed for it, but a more lamentable cause, many preparations, pretending to be concentrated extracts of it, contain but little of the virtue of Sarsaparilla, or any thing else.

During late years the public have been misled by large bottles, pretending to give a quart of Extract of Sarsaparilla for one dollar. Most of these have been frauds upon the sick, for they not only contain little, if any, Sarsaparilla, but often no curative properties whatever. Hence, bitter and painful disappointment has followed the use of the various extracts of Sarsaparilla which flood the market, until the name itself is justly despised, and has become synonymous with imposition and cheat. Still we call this compound Sarsaparilla, and intend to supply such a remedy as shall restore the name from the load of obloquy which rests upon it. And we think we have ground for believing it has virtues which are irresistible by the ordinary run of the diseases it is intended to cure. In order to secure their complete eradication from the system, the remedy should be judiciously taken according to directions on the bottle.

DR. J. C. AYER & CO.

MEDICAL HOUSE,

NO. 11 SOUTH FREDERICK STREET BALTIMORE.

DR. SMITH

HAS FOR MANY YEARS DEVOTED his whole attention to the treatment of Private Complaints, in all their varied and complicated forms. His great success in those long standing and difficult cases, such as were formerly considered incurable, is sufficient to commend him to the public as worthy of the extensive patronage he has received. Within the last eight years Dr. S. has treated over 29,600 cases of Private Complaints in their different forms and stages; a practice which no doubt exceeds that of all other Physicians now advertising in Baltimore, and not a single case is known, where the directions were strictly followed, and medicines taken a reasonable time, without effecting a radical, a permanent cure; therefore persons afflicted with diseases of the above nature, no matter how difficult, or how long standing the case may be," would do well to call on Dr. SMITH, at his office, No 11 South Frederick street.

The sick should bear in mind that Dr. S. is the only regular physician advertising, who has for many years devoted his whole attention to the treatment of this class of diseases.

His Medicines are free from Mercury and all Mineral poisons; put up in a neat and compact form, and may be taken in a public or private house, or while travelling, without exposure or hindrance from business, and except in cases of violent inflammation, no change of diet is necessary.

We are called upon every few days to cure Chronic diseases which were supposed to have been cured years ago, but instead of which were only checked, driven into the system by Mercury or Copaiva, and therefore seemed to be well, but in a longer or shorter time, by some slight cause, broke out in its worst and most difficult forms, producing ulcers in the throat, nose or roof of the mouth, eruptions of the skin, pains or swelling of the bones, etc. On account of the number of such cases which have lately come under my care, and the immense suffering which a little neglect or improper treatment in the first stages of the disease may cause, Dr. Smith thinks it his duty to advise the unfortunate, *particularly strangers*, to be careful that they are not deceived by *false advertisements of boasting quacks*, who make promises which could not be fulfilled, even by the most experienced physicians. By neglect or improper treatment, the patient is often reduced to a state which makes the case extremely difficult to cure. Therefore all should be aware of the importance of consulting a skillful physician in the early stage of the disease.

CONSTITUTIONAL DEBILITY.

Young men! Beware of the pernicious indulgence of that fatal folly! Injury may inflict upon your constitutions by evil examples and the morbid influence of the passions.

How many young persons do we daily behold with sallow countenances and debilitated constitutions depict diseases arising from that horrible and devastating vice.

It could be shown how attenuation of the frame, palpitation of the heart, derangement of the nervous system, cough, indigestion, and a train of symptoms indicative of consumption, are often ascribed to wrong causes when in reality they are the consequence of a alluring and pernicious practice, alike destructive to the mind and body.

☞DR. SMITH gives his special attention to the treatment of this destructive malady. Patients can be cured at home by addressing a letter to Dr. Smith describing symptoms and receive medicine securely packed from observation, forwarded by express or otherwise to any part of the country.

N. B.—Persons afflicted with any of the above disorders will do well to avoid *boasting impostors*, whether foreign or native, as also the numerous Specifics advertised as a cure in cure for any and every Disease. These preparations are put up to sell but not to cure, and often do much more harm than good, therefore avoid them.

"A word to the wise is sufficient."

Address, DR. J. B. SMITH,
No. 11 S. Frederick st., Baltimore, Md.

No letters will be answered unless they contain a remittance or Postage Stamp to pay postage on the answer. May 11,—1y.

THOMAS PHILLIPS

The above is a portrait of David McCreary, of Napier township, who, on the 21st day of August, 1858, made affidavit before Justice Gorley that he was healed for the cure of Cancer by three physicians of Bedford county, and by Dr. Newton of the Eclectic College in Cincinnati, for a period of nearly eight months, notwithstanding which, his *lip, nose and a portion of his left cheek were entirely eaten away!* He had given up all hope, when he heard of the "Blood Searcher," and was induced to try it. Four bottles cured him, and although sadly disfigured, there is no question but what this invaluable medicine saved his life. The full particulars of this remarkable case may be seen in a circular, which can be had of any of the Agents.

We also refer to the case of Nancy Bleakney, of Elderton, Armstrong county, Pa., cured of Scrofula after being unable to get out of bed for three years.

To the case of a lady in Ansonville, Clearfield county, who was also afflicted with Scrofula in its worst form.

To the case of George Meizel, residing in Carrolltown, Cambria county, Pa., who was so badly afflicted with Cancer that it eat his entire nose off, and his case was worse, if possible, than Mr. Creary's.

The particulars of these cases—every one of which was cured by the use of the Blood Searcher—may also be found in a circular to be had of any of the Agents.
