WHAT are the Principles of the Democratic party, does any one know? We confess our ignorance and admit our inability to find out. When we take a principle claimed to be Democratic and trace it to the leaders of the party we are lost in a maze of contradictions that confuse and bewilder us so that we drop the job in despair.—For instance the Democratic party in the Southern States appear to stand squarely on the platform of Impartial manhood suffrage. They advocate it in their resolutions and try to prevail on the "Colored citizens" to vote their ticket and give barbecues to their Colored Democratic voters, while here where the "White Man's Government" has full sway "nigger" is "nigger" still, and he is allowed no more rights than are forced to be doled out to him by their unwilling hands. Then on the question of the National debt, we have the Western cry for Repudiation, while in the East opinions are so divided that no dozen men seem to think alike. In the matter of taxing the Bonds we have the demand that they shall be paid in Gold; got rid of by Greenbacks; taxed in the income returns and taxed specially; and repudiated altogether. But the bitterest fight seems to be on the question of a War record. The Baltimore *Gazette* says that if Chase is nominated it will take no part in the fight, while the New York *Citizen* declares that it will not support any man who was not loyal during the War, and the La Cross *Democrat*, is for a man of the Pendleton stripe or no one. How are we to bring order out of Chaos? How can we tell what the Democratic principles are when they do not know themselves? We give up the attempt and leave the matter to older and wiser heads.

As we came from the Editorial Convention last week we observed workmen cutting the name of "Chapman," from the marble building on the borders of the Lake at Druid Hill Park. Through the energy and perseverance of Mayor Chapman this Lake was made and the former City Council did him the honor to give it his name, but when the new Council was elected the name of a loyal Republican was too unpleasant to their ears for them to let it remain so they changed the name to "Druid Lake," and consequently workmen are now digging "Chapman" out of the marble. We would express surprise at so petty and mean an act were it not done by the Democratic party, but in their case surprise at any thing they do must ever be the exception and not the rule.

THE State Central Committee of the Republican party has organized and appointed a Treasurer and a Finance Committee. A Committee was appointed to make arrangements for a Grant and Colfax ratification meeting.

A resolution was adopted authorizing the President of the Committee, Mr. C. C. Fulton, to call the State Central Committee together on the third Wednesday in July, for the purpose of arranging for an active and energetic canvass of the State. The Presidential electors for the State at large and from the several districts were requested to attend this meeting of the State Central Committee.

☞ The Democratic party never stoops to such low and disgraceful practices.—*Democratic Ex.*

You are right there, brother of the quill, the Democratic party never *stoops* because it never has to, it is always low enough to reach anything disreputable without *stooping*.

NOTICES inserted in our Local Column are charged 10 cents a line.

EDITORIAL CONVENTION.

The Editorial Convention met at Rechabite Hall in Baltimore, on Thursday last.

The following gentlemen were present:—Geo. W. Wilson, of the Upper Marlboro' Gazette, Prince George's county; George Colton, of the Annapolis Republican; William H. Ruby, of the Maryland Journal, Baltimore county; G. W. Cruikshank, of the Cecil Democrat; J. G. King of the Annapolis Gazette; H. J. Shellman, of the American Sentinel, Westminster; A. A. Townsend, of the Easton Journal, Talbot county; T. K. Robson, of the Easton Star; W. W. Busteed, of the Centreville Observer, Queen Anne's county, and H. W. Straughn, of the Cambridge Intelligencer, Dorchester County; W. H. Vandeford of the Democratic Advocate, Westminster. Upon motion of Mr. Colton, Mr. Wilson was called to the chair, and Mr. Townsend selected as secretary.

After a free expression of their views by the gentlemen present a committee of seven, consisting of the President and Messrs. Cruikshank, Colton, Ruby Robson, Straughn, and Shellman, were appointed to draft articles of association, and to recommend such business as looks to the formation of such association. The Convention then adjourned to meet again in October next.

Porter Morse Esq., of the Baltimore Leader, and Mr. H.G. Bredecamp, of Mr. Lucas' type Foundry were introduced to the convention. The reporters of the American, Sun and Gazette were also present.

If any of our brethren of Western Maryland have any suggestions to make to the Committee, we will be pleased to hear from them and see that their suggestions are duly considered. We will add that it was principally through the efforts of Brother Colton of the Annapolis *Republican* that the meeting was called and we acknowledge ourself greatly indebted to him for the excellent dinner which we enjoyed. In imaginary Champagn we fill a bumper to Brother Colton, and hope that he may be gratified in seeing a larger meeting in October.

THE bill for the admission of Alabama, Florida, Georgia, North Carolina, South Carolina and Louisiana has been vetoed by the President and the Bill passed over his veto by a two-third vote. Thus are the wandering sisters returning and they soon will have their representatives in Congress and their State organizations at work. We can never have the Union as it was but we soon will have a better, stronger and more perfect Union than before.

THE Senate, after some discussion, passed the House "Eight-Hour bill" without amendment by a vote of 29 to 11. The President will, it is understood, give his signature to it at once, so it may be set down as already a law. The bill reads as follows:

Be it enacted, &c., That eight hours shall constitute a day's work for all laborers, workmen and mechanics now employed or who may be hereafter employed by or on behalf of the Government of the United States; and that all acts and parts of acts inconsistent with this act be and the same are hereby repealed.

OUR thanks are due to Hon. Francis Thomas for J. Ross Browne's Report on the Mineral resources of the Country.

THE members of the Bond Electoral Ticket, including that gentleman, have withdrawn their names and urge a hearty support of the regular ticket.

THE Senators and Representatives from Arkansas have been admitted to their seats.

THE Corner Stone of the new Masonic Temple was laid in Philadelphia last week.

YEARLY advertisers will not be allowed to change their advertisements more than once in three months, *unless charged extra.*

NEW ADVERTISEMENTS.—Maryland Teachers' Association. E. K. Gernand. Mikesell & Shipley. Wagon and Carriage Brake. Orders nisi. Road Notice. Dividends. Painters Wanted. Notice of relief to City Tax payers.

THE Commissioners of Washington county have waived the lien of that county in the Western Maryland Railroad, in accordance with the action of the city of Baltimore.

REPORTS from the different parts of the County say that the Hay crop is very heavy and good. Some of our farmers have commenced cutting their grain and there is every prospect for a fair yield.

POSTAL.—Contract for six times a week service is ordered with the Western Maryland Railroad Company, Wendell Bollman, president, Baltimore route No. 2,907.—intersection to Union Bridge, at $2,000 per annum.

THE way "to minister to a mind diseased" is to take Peruvian Syrup, a protected solution of the *protoxide of iron* which gives strength and vigor to the whole system, restores the digestive organs to perfect health, thereby restoring the mind to its natural vigor.

COW RUN OVER.—As the eleven o'clock train was going West from here on Monday noon, a cow, the property of Thomas Goodwin, Esq., which was on the track about half a mile from town, was caught by the cow-catcher and severely injured.

RESIGNATION AND APPOINTMENT.—Mr. Charles J. Yingling has resigned his position as Teller in the First National Bank and Mr. Edward Lawyer has been appointed in his place. Mr. Yingling intends trying his fortune in the West and we have no doubt he will succeed in whatever he undertakes. We wish him success.

ON Saturday next, the Carroll Band will get their new Band Chariot from Baltimore. We are informed that they will drive through town, some time during the day, and will treat our citizens to some of their fine music. The perseverance and enterprise of this Band deserves the encouragement which we believe our citizens will give them.

CONCERT POSTPONED.—The Concert for the benefit of the Lutheran Church of this City, which was to have been held on the 4th inst., has been postponed to the 11th. This concert is to be held in the new Lutheran Church on Carroll Street, and we presume will be a very fine affair. It will consist of both Instrumental and Vocal music, and will have among the singers ladies and gentlemen from Frederick and Baltimore.

ACCIDENT.—A child of Sheriff Gist was scalded on Monday evening by water splashing out of a pot on the stove. We understand that one of the legs of the stove got displaced which caused the stove to tilt over and the water to splash out. At first the family were very much frightened about it but we ascertain that the injuries are not of a serious character, and no more than a painful though not dangerous scald on the arm. Dr. J. H. Billingslea was in attendance.

THE Rev. P. A. Stroble, the newly elected Pastor of the Lutheran Church, will preach his introductory sermon, next Sabbath morning at 10 o'clock.

We are authorized to say, that although the officers have deemed it expedient to rent the pews in this chuch with a view to secure the Pastor's salary, yet a sufficient number of pews have been reserved to accommodate visitors and those who have rented pews will always be happy to accommodate their friends who may wish to attend the church.

BITTEN BY A HORSE.—On Saturday a young man residing near Avondale Station on the Western Md. R. R., was bitten in the arm by a vicious horse, and sustained a painful though not dangerous injury. We suppose the animal wanted to test the truth of the scripture that, "all flesh is as grass." Young men handling horses should be careful for we have a distinct recollection of the accident that befell young Timothy Hay who was not only bitten but entirely devoured by a vicious horse. "Young men from the Country," should be careful.

NEXT Saturday is the fourth of July, won't somebody make a move for its observance? Can't some one at least read the Declaration of Independance and some one else make a speech? Don't all speak at once because we like to take things coolly this warm weather.—Being unaccustomed to public speaking we cannot offer, but we will promise to be present and applaud. Let us have some bright scintillations from newly fledged Orators, some pithy paragraphs from playful punsters in memory of "auld lang syne." Who will be our star to shine on that occasion?

WHO LOST IT?—Every one knows the nursery rhyme about Lucy Locket who lost her pocket and of somebody else who found it. Well, some Lucy has lost her pocket and a friend of ours has found it and brought it to us. We propose to notice it without charging anything, but we would like the lady owner who takes it away to leave us the piece of Bologna Sausage. We don't know why, but it reminds us so much of a dog we used to own. We don't want the fine-tooth comb, we never use such things, nor the brush because Editors get brushing enough without. The cotton, spectacles and knife, and if we were not too modest we would mention the stockings, we will return, but the coin commonly called "nickle," we cannot, it would destroy our reputation as an Editor forever. Who was this unfortunate Lucy? We hope all the young ladies in the County will call to examine the property so that it may be returned to the right owner, but let them come when the Editor is away, because he is a single man and bashful, very.

MASONIC ENTERTAINMENT.—The Festival of St. John the Baptist was celebrated on Wednesday evening, 24th inst., by a Literary entertainment given by Geo. Washington Lodge, A. F. and A. M., of this city, an invitation to which was extended to the members of Door-to-Virtue Lodge and their families. At the hour appointed the guests assembled and the proceedings were opened with Music by the Amphions. After Prayer by the Rev. R. S. Norris, a Masonic ode was sung, when Rev. Jas. W. Reese, Master of Door-to-Virtue Lodge, having been invited to the East, proceeded to install the officers of Geo. Washington Lodge. After the installation services were over and another piece was played by the Amphions, brother Fouke, Master of Geo. Washington Lodge, introduced Rev. David Wilson, who entertained the audience with a very interesting Lecture on Freemasonry. A Masonic ode was then sung and after music by the Amphions and Prayer by Rev. W. C. Creamer, the guests were invited to refreshments which consisted of ice-cream, &c. The affair passed off very pleasantly. A special train was run from Union Bridge to bring down the brethren of that neighborhood.

THE closing exercises of the Female Collegiate and Male Academic Institute took place on Thursday evening last. They consisted of public Contests in Declamation, Rehearsal, Composition, Reading and Instrumental music.—Judges were selected from the audience, who passed sentance upon the merits of the Contestants.

In Declamation, the Contestants were Messrs. Billingslea, Mackintosh, Cecil, Vondersmith, Baker, Hood, Gehr and Horner. The prize was awarded to P. Vondersmith. Hon. Jno. E. Smith, Rev. C. D. Smith and Rev. Mr. Hedges, being Judges.

In Rehearsal, the Contestants were Misses Hood, Norris, M. Beaver, Howe and Ball. The prize was awarded to Miss E. Norris. Revs. W. R. Davis and Thos. Sliger and Mr. Thos. F. Shepherd, being Judges.

In Composition, the Contestants were Misses Shellman and A. Yingling and Messrs. Duvall, Reed and Rhodes. The prize was awarded to Miss Shellman.—Prof. Newson and Messrs. Crout and Jno. T. Wampler, being Judges.

In Reading, the Contestants were Misses Shepherd, Ball and Maud Pearson and Messrs. Turner, O. Reese and D. Norris. The prize was awarded to Miss. K. Ball. Messrs. H. Baker, G. Duvall J. L. Turner, being Judges.

In Music the Contestants were Misses Ball, McKinstry, Shepherd & M. Roop. The prize was awarded to L. McKinstry. Mrs. Rev. Jas. W. Reese, Miss. C. Newson and Dr. Warfield being Judges. It is only fair, to mention here, that Miss McK. and Miss Ball, each received a vote and the third Judge not being able to decide called on another party to decide for him. This was not explained at the time, but after the audience was dismissed.

These exercises were exceedingly entertaining—not a blunder was made in a Literary performance, not a word of prompting was offered. *All* did not only well, but wonderfully well. If the Institution's skill in teaching Reading, Elocution and Oratory is equalled in *all* its efforts at instruction, it will justly rank as a *first-class* School in all branches of a liberal Education.

MOORE'S LIFE OF HON. SCHUYLER COLFAX.—T. B. Peterson & Brothers, No. 306 Chestnut Street, Philadelphia, have in press and will publish in a few days, "The Life of Hon. Schuyler Colfax," written by Rev. A. Y. Moore, of South Bend, Indiana, who was for twelve years, as pastor and friend, in the entire confidence of Mr. Colfax, and had access to files of the paper published by Mr. Colfax for twenty years, and to the Congressional Globe; knows all his past history and all who have known him from boyhood. He began this biography two or three years ago, so that it is not one of the hurried and ephemeral publications so common in election year. Mr. Moore is a gentleman of fine talent and culture, and there is no doubt but that this biography of Mr. Colfax will be worthy of its distinguished subject.

The following letter from Mr. Colfax, to Rev. A. Y. Moore will explain itself:—

"WASHINGTON, D. C., May 30, 1868.
My Dear Mr. Moore:—

As your prediction of a year ago has been realized, I have no further objection to your publishing any sketch, more or less full, of my life, you may have prepared. As you were for a dozen years a fellow-townsman of mine, and a valued friend, I suppose you know as much about my history as the public would care about knowing; and although my engrossing duties here leave me no time to revise the manuscript, I have no fear that your work will not be a faithful one.

Yours, very truly,
SCHUYLER COLFAX.

Rev. A. Y. Moore, South Bend, Indiana."

It will be published in a large duodecimo volume of five hundred pages, printed from large type, and on the finest and best of white paper, with a portrait, on steel, of Mr. Colfax, executed by Illman Brothers, the well-known engravers, as well as a profile bust, in gilt, on the back, from photographs taken of Mr. Colfax within the last week; the whole bound in cloth in the most substantial manner. Price $1.50 a copy.—Canvassers wanted everywhere. Large discounts given. Copies will be sent to any one, at once, post-paid, on receipt of price, by the Publishers.
