Register on Tuesday next, (if you are not yet registered) and vote the Republican ticket if you are opposed to Gorman, Gormanism and Gorman methods.

The Massachusetts Democrats stand by the Chicago platform of 1896, with its 16 to 1 free silver coinage plank, and have nominated Mr. George Fred. Williams, an out-and-out free silver man, for Governor.

Every Republican and Independent Democrat not yet registered, who desires to aid in giving the deathblow to "Gorman methods and Gormanism, which deny the people their rights," must be registered on Tuesday next, or he will not be permitted to vote.

The contrast between the gold surplus since the new administration came in and that during the Cleveland administration is very remarkable. Mr. Cleveland was compelled to sell hundreds of millions of dollars' worth of bonds to keep up the "reserve," while the Treasury Department has just notified the Subtreasurer of New York that it has all the gold it needs and that he need not make any effort whatever to add to the accumulation.

Those dreary and depressing statements showing the enormous number of business failures all over the country during the four years of the Cleveland administration are rapidly disappearing. The busines failures during the second week of the present September were only 169, while those of the corresponding week of 1893 were 346, and they range in that vicinity during the corresponding week in each year of the Cleveland term.

Register on Tuesday next, (if you are not yet registered) and vote the Republican ticket if you are opposed to Gorman, Gormanism and Gorman methods.

People who have any doubt about the return of business prosperity will probably be interested in the figures on bank clearances, which are of course the most accurate business barometer that can possibly be produced. The reports from the great financial centers show that the

The character of the Democratic machine in this State, which is doing business at the old stand, is well exemplified by the conduct of some of the officers at the recent Democratic primaries in Baltimore. The primaries were held under the primary election law of the State, but the law was set at naught by the officers in more than one case and flagrant wrongs perpetrated upon Democratic voters who do not train with the ring. Several of the officers were arrested and placed in limbo for refusing to receive the ballots of anti-ring Democrats. One of the judges taken into custody admitted his guilt, but wept bitterly. He said he was not aware of the existence of a law under which he could be punished for defrauding voters at a primary.

Dr. Washington G. Tuck, of Annapolis, chairman of the convention of the fifth judicial circuit of this state, which met at Ellicott City last week and adjourned, subject to the pleasure of the chairman, without making a nomination, has issued a call for another meeting of the body, to be held at Annapolis on Monday next, 4th inst. Two Howard county attorneys, Mr. Joseph D. McGuire and Col. George W. King, have been mentioned in connection with the nomination, Mr. McGuire being favored by two of the delegates from that county and Col. King by one. It is understood that both the Anne Arundel and Carroll county delegations are inclined to adjourn the convention *sine die* without making a nomination. It is possible, however, that the wishes of the Howard county delegation, which is strongly in favor of putting a candidate in the field, may prevail.

Mr. Murray Vandiver, collector of Internal Revenue and chairman of the Democratic State Central Committee, has issued a "clarion" call to the Democrats to register and do their duty. "Clarion" is the proper adjective to use in describing this wonderful appeal. The noun "clarion" means "a kind of trumpet, whose tube is narrower, and its tone more acute and shrill, than that of the common trumpet." Made an adjective and applied to Mr. Vandiver's "call" it implies that the appeal issued from an instrument of very narrow compass with a sound shrill enough to closely resemble the agonized shriek or bray of the dying Democratic mule. Everybody afflicted with dyspeptic blues ought to look up and read this wheezing, shrieking, shrill-toned, agonizing, clarion pitched call to the Democrats to help re-elect Arthur Pue Gorman to the United States Senate—for that, be it understood, is the supreme purpose of the people who are running the Democratic campaign; that and the recovery of lost official patronage. Such a deliverance would be worthy the highest representative of comedy on the boards of the theatre.

THE OUTLOOK IN BALTIMORE.

Chairman Stone, of the Republican City Committee, Baltimore, and other leaders who opposed the nomination of Mr. Malster for mayor, have announced their intention to work zealously and faithfully for the election of the entire Republican ticket in that city. Republicans and sound money Democrats are generally convinced that Democratic success involves the re-election of Mr. Gorman to the Senate and the restoration of the old ring combination to power in the State, a calamity which they feel should be averted by a union of all voters opposed to autocratic government and the free coinage of silver at the ratio of 16 to 1. Some colored men, under Democratic prompting, and probably instigated by promises of Democratic money, are still engaged in striving to stir up a hostile feeling among their people against the Republican party; but many of the race, and especially its best representatives, will not desert the Republican standard, although a ticket will probably be put in the field by their disgruntled brethren, in opposition to the Republican nominees.

The outlook for Republican success in Baltimore is, therefore, very encouraging, and with that success will come the final downfall of the corrupt and autocratic ring which so long held the Democratic party, and through it the whole State, in a vice like grip which "denied the people their rights" and perverted the true effect of their ballots.

The executive committee of the Republican Editorial Association of this State met in Frederick on Monday and were the guests of Prof. Cyrus F. Flook, editor of the *Examiner* and president of the association, who entertained them at lunch at the City Hotel. They took a ride on the Frederick and Middletown Electric Railroad and visited Braddock Heights, from which they had an extensive view of the beautiful Middletown and Monocacy valleys, the trip having been tendered them by the courteous president of the road, Mr. George W.

county, and not always those of the sterner sex.

It is reported that one of the candidates on the Democratic ticket in this county is soliciting votes under promises to voters to have them summoned as jurors of the Circuit Court. The high character of Judge Roberts precludes the presumption that he can be a party to such a dicker, and such promises could not be carried into effect without his connivance. The law, we are informed, prohibits the placing of a voter's name in the box from which the drawing for jurors is made, if the recommendation is made without the judge's request. Hence any voter who accepts such a bribe is to be cheated in the end. It is just as reprehensible to seek to influence a voter by the means referred to, as it would be to offer him money for his ballot.

Treasury officials confidentially predict that before the end of the year the receipts of the government will exceed its expenditures.

ost Excellent Master on Wednesday evening, at Masonic Temple, Baltimore. The Royal Arch degree was conferred upon the Governor, at the same place, on Thursday evening, the grand officers officiating.

The seventy eighth annual convention of the Maryland Synod, which includes all the English Lutheran churches in Maryland and the District of Columbia, will meet Tuesday, October 12, in Washington, at the Church of the Reformation, Rev. W. E. Parson, pastor. There will be one ministerial and one lay delegate from each church in the district.

John Boecker, a farmer, who lived near Carroll, Iowa, killed his wife and five of his children, fatally wounding his other child and then committed suicide.

Work has been commenced on the new church which the German Baptist Brethren are building in Hagerstown, to cost $5,000.

Register on Tuesday next, (if you are not yet registered) and vote the Republican ticket if you are opposed to Gorman, Gormanism and Gorman methods.

The central power house of the Washington, D. C., Capital Traction Company, was destroyed by fire about 11 o'clock, Monday night. The building covered an entire square. All the machinery was destroyed. The direct loss is about $1,000,000, to say nothing of the loss involved in the inability of the company to run its cars. It will also cause great inconvenience to citizens of Washington and others.

The Oriole Baseball team of Baltimore has lost the pennant, which goes this year to Boston, the latter having been 15 points ahead at the close of Thursday's games, with two games to be played by the Baltimore club and one by Boston. Baltimore was in the lead until the beginning of this week.

Gist Items.

Fletcher E., son of Holliday and Caroline Murphy, was taken with the chronic croup, on Thursday, 23rd ult. Dr. S. N. Gorsuch was called in and did everything possible to save the little fellow's life, but all in vain. He died Saturday morning, 25th ult., at 9 30 o'clock. His age was 7 years, 6 months, 14 days. His remains were interred in Bethesda Cemetery, Sunday, 26th, at 3 o'clock, P. M. Rev. T. S. Long officiated, assisted by Rev. H. Davis.

We are glad to know that Mr. Silas A. Barnes, a highly esteemed young man of this place, has been employed as a salesman in the hardware store of Messrs. Gilbert & Gehr, Westminster. We believe he will make a first-class salesman. He has many warm friends here.

The protracted meeting began on Sunday, at Bethesda M. E. Church, with Revs. T. S. Long and H. Davis in charge. The attendance has been very small so far.

Our school has the smallest attendance of any school in the county or State, being thus far, only from 1 to 4 per day. The school authorities are probably aware of the cause and we hope will find a means of changing this condition.

For the SENTINEL.

A Pleasant Party.

"Windsor Forest" the residence of Mrs. E. J. Bennett, was the scene of a pleasant event on Wednesday night, 29th ult. Mrs. Bennett has her brother and niece from Michigan visiting her and gave a reception in her honor. The lawn and both fronts of the house were brilliantly lighted with Japanese lanterns and with all the windows illuminated made a picture of great beauty. The invitations, with few exceptions, were accepted, and Philadelphia, Baltimore, Carroll, Howard and Frederick counties were represented. With nothing to mar the pleasure of the evening, time rolled on too quickly. Refreshments, consisting of ice cream, bananas, grapes, confectionery, and cake were bountifully served at eleven o'clock, after which the music and social features were resumed, until a late hour warned all to make their adieux, and they regretfully left the scene where time had glided by so happily that all forgot to note how quickly. Those present were: Mr. W. H. Roberts, Miss Marie Roberts, of Michigan; Misses Emma and Eisle Bennett, Mr and Mrs. G. H. Bayard, Mr. and Mrs. J. T. Harris, Mr. and Mrs. R. R. Bennett, Misses Janie Zile, Bessie Davis, Messrs. Clinton White, Shriver Brandenburg, Misses Libbie White, Carrie Nail, Ethel Barnes, Mr. John Bushey, Miss Louise Ridgely, Mr. Walter Ruby, Misses Ada Carter, Sadie Reed, Messrs. John Ruby, Clinton Brandenburg, Wilbur Ridgely, Herbert Reed, Mr. T. Small, W. Zile, T. F. Bennett.

Taylorsville Items.

The protracted meetings are still in progress at the Mt. Olive M. E. Church. They will in all probability close this week. In that event meetings will be begun by the pastor, Rev. Thos. E. Copes, at West Falls Church, on Monday evening next.

The Sunday School of the Taylorsville M. E. Church will hold its annual festival on Saturday, October 9th. The school is now preparing for the same. The Bethany M. E. Sunday school holds its festival on this Saturday afternoon, at the church. An extensive program has been prepared. The Ebenezer M. E. Sunday School, at Winfield, was closed on Sunday last, for the season. After the festival the Taylorsville Sunday School will run a supplemental session continuing until or after Christmas, and if possible all winter. All the other Sunday Schools on the circuit have decided to run all winter. It is to be hoped that Taylorsville will maintain its credit, by falling into line.

On Friday last Prof. Heapes stated to the students that he would give a "money prize" to that one who, going during the entire year, passed the best teacher's examination under the county authorities. He will also give a gold medal to the student having the best "all around" record. The Misses Grossnickle—Elyth and Edna—entered the academy this week.

On Saturday last Prof. Heapes spoke for the Sunday School at Oak Orchard, Frederick county. He also held the service for Rev. Long, at Ebenezer, on Sunday morning.

Mr. and Mrs. E. I. Stouffer were in Baltimore this week.

Farmers in this section have their seeding—stalk ground excepted—all finished up.

Mr. Barnes has about finished seeding on his lower place. He has also been husking a little of his corn for his own use. His field in town will average at least 15 barrels to the acre.

Mr. Otis Buckingham, whom we announced through the SENTINEL as having had a runaway and smash up with his engine, has purchased a new 12-horse power Frick Engine, and is finishing up his threshing. Mr. Buckingham up to Saturday last had threshed 30,000 bushels of wheat, and had yet 16 more places to thresh. He also runs his clover and also rye thresher.

Mr. Thomas Barnes, when he plowed his corn the last time, sowed turnip seed on about 5 acres of it, and will have a yield of perhaps 300 bushels. It pays better to raise turnips than weeds, with corn.

The registrars were not kept very busy on Tuesday, though several of the "rising generation" registered. Our citizens who have not registered should not let the next and last opportunity pass.

Register on Tuesday next, (if you are not yet registered) and vote the Republican ticket if you are opposed to Gorman, Gormanism and Gorman methods.

Washington, Westminster and Gettysburg Railroad Project.

The *Star and Sentinel*, of Gettysburg, Pa., publishes the following account of a meeting, held at that place on Thursday of last week, in the interest of the Washington, Westminster and Gettysburg Railway project:

Judge Smith, of Wilkesbarre, Edwin J. Lawyer, of Westminster; B. F. Shriver, of Union Mills; John A. Shorb, of Littlestown; Messrs. Colegrove and Cady, the promoters, of Washington, D. C., and two New York brokers were present.

An agreement was entered into between the Board of Directors and the New York capitalists whereby the latter are to not only guarantee the payment of the bonds, but are to build the road from Rockville, Md., to Gettysburg, via Westminster, Union Mills and Littlestown. These capitalists have already arranged for the construction of the road, and the agreement specifies that the surveyors shall be at work within sixty days and the road completed within one year from date of agreement.

Under the article of agreement the New York syndicate are to build the road in the best and latest improved manner—heavy ties and regulation rails, and it is claimed that the road will be completed for rolling stock within nine months from October 1st.

The above is substantially correct. The meeting was held as reported and on Tuesday last another meeting was held in Baltimore, at which time the same parties, with the addition of Mr. Wm. B. Thomas, of this city, were present. New York capitalists have offered to form a construction company for the purpose of building the road and will enter into an agreement to that effect as soon as certain legal preliminaries can be arranged. Another meeting of the directors and other parties referred to will be held in this city next week and the probability is that within the next thirty days the agreement referred to will be consummated and the work of grading the line will be put under way.

Missionary Meeting.

A very interesting meeting of the Woman's Missionary Society of Grace Lutheran Church, this city, was held at the parsonage, Thursday evening, 30th ult. The purpose of the meeting was the report of the amount each member had gained in the use of a talent of a nickel each, given out some months previous. The program was as follows:

Opening service from manual; prayer by the pastor, Rev. P. H. Miller; duet, Mrs. Joseph Stouch and Miss Ida Diffenbaugh; report of talents; reading, Miss Florence Miller; duet, Mrs. Joseph Stouch and Miss Ida Diffenbaugh; report of talents; reading, Miss Ida Diffenbaugh; solo, Miss Diffenbaugh. The program was well rendered and very much enjoyed. The talent money, together with a donation of several dollars by an interested member of the society, amounted to the neat little sum of $22.50. How great and grand a work these ladies are doing eternity alone will reveal. They are doing the work to which Jesus calls them. Why does not every member of Grace Church hear the Master's call: "Go work today in my vineyard?" The day is passing, and the Master warns us, "The night cometh when no man can work."

A THANKFUL OBSERVER.

Grisham, of Goars Mills, La., has to say on the subject, viz: "I have been a sufferer from chronic diarrhœa ever since the war and have tried all kinds of medicines for it. At last I found a remedy that effected a cure and that was Chamberlain's Colic, Cholera and Diarrhœa Remedy." This medicine can always be depended upon for colic, cholera morbus, dysentery and diarrhœa. It is pleasant to take and never fails to effect a cure. 25 and 50 cent sizes for sale by Joseph D. Zepp, Druggist, Westminster, and W. H. Rudy, Mt. Airy.

A few weeks ago the editor was taken with a very severe cold that caused him to be in a most miserable condition. It was undoubtedly a bad case of la grippe and recognizing it as dangerous he took immediate steps to bring about a speedy cure. From the advertisement of Chamberlain's Cough Remedy and the many good recommendations included therein, we concluded to make a first trial of the medicine. To say that it was satisfactory in its results, is putting it very mildly, indeed. It acted like magic and the result was a speedy and permanent cure. We have no hesitancy in recommending this excellent Cough Remedy to anyone afflicted with a cough or cold in any form.—*The Banner of Liberty*, Libertytown, Maryland.
