THE ELECTION IN MARYLAND.

While the result of the election in this State on Tuesday was disappointing to the Republicans, some of its causes, if properly considered, may teach the party leaders lessons calculated to produce better results in the future. Further comment is prevented this week by restricted space for editorial matter.

TUESDAYS ELECTIONS.

Elections were held in New York City, and a number of States on Tuesday. In New York City, George B. McClellan, Dem., was elected mayor by 61,414 plurality, over Seth Low, Rep., the candidate of the Unionists and Reformers.

Ohio gave Myron T. Herrick, Rep., more than 100,000 plurality over Johnson, Dem., and elected a majority of Republicans to the State Legislature, thus insuring the re-election of Senator Hanna to the U. S. Senate.

Pennsylvania elected a Republican State Auditor by an increased majority, Philadelphia giving over 100,000.

Gov. Bates, Republican, was re-elected in Massachusetts by a plurality of 37,000.

The Republicans elected the Governor of Iowa by 50,000.

In Rhode Island the Republicans made considerable gains, but the Democratic candidate for Governor received a small plurality.

Kentucky and Mississippi went Democratic as usual.

A Republican was elected a Justice of the Supreme Court in Colorado by an estimated plurality of 5,000.

Fusion gains are reported in Nebraska in the election of a Supreme Court Judge, but the result in the State has not yet been reported.

REJECTED BALLOTS.

In this county the number of rejected baltots, at the election on Tuesday, including a few blanks, was 866. The following table shows the number rejected in most of the districts and precincts of each party. An effort was made to ascertain the exact division of the rejected ballots in all districts, but several of them failed to report and the result is therefore only approximate.

A GIRL FROM DIXIE, AT ACADEMY OF MUSIC, BALTIMORE.

A new and immensely diverting musical novelty from the pen of Harry B. Smith, author of "Robin Hood" and other successes, will open its engagement at the Academy of Music, Baltimore, Md., on Monday evening for a limited engeagement for one week, with the usual Wednesday and Saturday matinees. The piece is entitled "A Girl from Dixie" and bears the seal of Chicago and Philadelphia approval. The same excellent cast that figured in the production in those cities will present the novelty here under the direction of Messrs. Nixon & Zimmerman and S. S. Shubert. It is an innovation in the line wherein it is classed. It is so radically different from the usual musical comedy that it is worthy of a separate niche in the musical catalogue. It is a pretty story full of incident and consecutive action dealing with the future of its heroine and her admirers. It has a well defined plot, romantic, humorous and at the same time carrying a well sustained dramatic interest. The musical numbers are skillfully interpolated and the sequence of events is preserved throughout.

"A Girl from Dixie," while not presenting a new theme, is treated in an original manner, taking us far from the beaten track and holding interest to the last.

NOT A SICK DAY SINCE.

"I was taken severely sick with kidney trouble. I tried all sorts of medicines, none of which relieved me. One day I saw an ad. of your Electric Bitters and determined to try that. After taking a few doses I felt relieved, and soon thereafter was entirely cured, and have not seen a sick day since. Neighbors of mine have been cured of Rheumatism, Neuralgia, Liver and Kidney troubles and General Debility." This is what B. F. Bass, of Fremont, N. C. writes. Only 50c, at all Druggists.
