Election At Wheeling.

Wheeling, W. Va., January 27.—The result of the biennaul municipal election here yesterday was as follows; Charles C. Schmidt, Dem., defeated Dr. T. M. Haskins, Rep., by a majority of 317; William Clemans, Rep., defeated John V. Meher, Dem., by a majority of about 500; Walter Woris, Rep., defeated Fred Thiers, Dem., by a majority of about 700. The council is Republican on joint ballot by 29 to 15. The new charter carried and Woman's suffrage went to defeat.

CURBING WARSAW RIOTS.

Developments Of The Revolt.

The revolutionary outbreak in Warsaw appears to be subsiding. The London Daily Mail's correspondent estimates the dead at 300. Mobs repeatedly fired at the troops, who retaliated in kind.

The St. Petersburg police surprised a meeting of strikers and fired, killing a girl and wounding four other persons.

Grand Duke Vladimir, in an interview, expressed the opinion that "a Constitution would mean the end of Russia," but predicted reforms. He also said he was surprised at the attitude of Americans toward his country.

A Severe Blow to General Kuropatkin.

General Kuropatkin's latest defeat, with the loss of some 10,000 officers and men, including General Mistchenko, commander of the Cossacks, and General Kondratsvich, whose wounds have compelled them to give up their commands, will intensify the increasing bitterness of the Russian masses against the government.

The widespread announcement of Kuropatkin's aggressive movement and the circulation of the erroneous report of the capture of Sandepas, followed so quickly by the news of disaster, makes it all the more difficult for the Czar and his advisers to check the increasing revolutionary spirit.

Japanese advices give the casualties at Chenchiehpao and Heikoutai at 10,000 Russians and 5,000 Japanese. The intense cold increased the sufferings of the wounded, many being frostbitten before they could be removed to hospitals.

General Oku reports that in the pursuit of the Russians across the Hun River 600 were captured, and that a loss of 4,000 was inflicted upon a Russian division that attacked Santanpu. The Japanese bombarded the entire Russian line and their left wing is trying to cut of a Russian force near Pekowtai, which would leave Kuropatkin's right unprotected. The Russains are making desperate resistance and the battle is terrific.

Although the Russians were supposed to be better fitted for the winter fighting than the Japanese, the Russian War office now attributes the defeat to the intense cold.

MACHEN WILL GO TO PENITENTIARY.

Washington, Jan. 31.—After a legal war of more than a year and a half August W. Machen now faces final capitulation to the inevitable. This will come in the shape of a mandate of the Supreme Court of the United States, directing that the judgement of the Supreme Court of the District of Columbia, affirmed by the District Court of appeals, be carried into execution.

The judgement of justice Pritchard, based on a verdict of guilty, after a seven week trial, was, that Machen; Dr. George F. Lorenz, of Toledo, former postmaster of that city, and the Groff brothers—Diller B. and Samuel A.—of Washington, should serve two years apiece in the Moundsville (W. Va.) penitentiary at hard labor and pay fines of $10,000 each.

There is no pleasing prospect which Machen faces, even aside from the two years he is due to serve. He will go up on one indictment out of fourteen which were returned against him in the postal scandals. Thirteen remain untried, and when he gets out of prison it is, in the option of the government to rearrest him and try him again. If equal success should attend later prosecutions, it is possible that Machen might be kept either in prison or on trial the rest of his natural life.

A disastrous wreck occurred near Jack's Mountain on the W. M. road shortly before six o'clock Saturday morning. As freight train No. 112 was descending the mountain a wheel on one of the cars broke causing three of the cars and the caboose to leave the rails. The accident occured at a most dangerous place, being on a curve and at an elevated point. The three cars and caboose broke from the train made up of eight cars and rolled down the embankment for a considerable distance. The cars were greatly damaged. Fortunately for the crew the train was moving slowly, and all of them escaped without being killed or seriously wounded.

Judge Burke, of Baltimore county, on Tuesday filed an opinion at Towson in the case of Mary Beckley against Mary E. Johnson Erb and Dr. Frank H. Erb, her husband, which was argued before him several weeks ago. He says that "there is no evidence of fraud or attempted fraud practiced upon the complainant by Mr. and Mrs. Erb; that Miss Beckley was really satisfied that the deed she had made should not be disturbed, and that the suit should be dismissed. The bill was filed by the plaintiff to set aside a deed which she had made to the defendants, and before the arguments of counsel were concluded the plaintiff died.

Mr. William F. Weller, a prominent merchant and owner of large granite quarries, died suddenly Thursday, at his home in Granite, in the Second district, Baltimore county. He had been a sufferer with Bright's disease, but his death was unexpected. Mr. Weller was in the sixty-eighth year of his age, and is survived by a widow and nine children. He was probably the most widely known man in the Second dsstrict. For 30 years he conducted a general country store and a large business. He also owned and conducted extensive quarries of what is known as Woodstock granite. Mr. Weller served as postmaster at Granite.

Still another link forged this week in the chain of circumstantial evidence against John M. Simpers, the convict in the Maryland Penitentiary who, the detectives believe, is the murdurer of the late Albert Constable. Detective Joseph Dougherty, of the head-quarters force, of that city, succeeded in having the blue bandana handkerchief which was found on the roadside near where Mr. Constable was held up, shot and robbed practically identified by the keeper of a furnished-room house in Philadelphia, where Simpers lodged for sometime.

Snow fell all day on Sunday in Nashville, Tenn., and the ground was covered to a depth of eight inches. Similar conditions are reported throughout Middle Tenessee. Street cars and railroad traffic have not been interrupted.

Many of the roads in Baltimore county are in an impassable condition on account of snowdrifts. It is stated that the County Commissioners will not appropriate any money for the clearing of the roads.

Suit has been brought to test the Frederick tax on lawyers of $10 a year for license to practice.

The negro Julius Cooper was hanged on Friday in Annapolis for the murder of George Harris, colored.

FAR BELOW ZERO IN THE WEST.

Butte, Mont., Feb. 2.—To the intensely cold weather is attributed the snapping of a mine elevator cable that today cost William McAndrews and Thomas Greedy, miners, their lives. The cage fell with them into over 100 feet of water in the Rarus shaft.

The Government thermometer at Armor, S. D., registered 45° below zero here today, the coldest ever known in this vicinity.

Last night was the coldest in many at Sioux Falls, S. D., the mercury reaching 37° below. Public schols are closed on account of the cold.

St. Paul, Feb. 2.—The official minimum temperature today in St. Paul was 24° below zero. Medicine Hat, Manitoba, reported 40°; Havre, Mont., 46° below. Other below zero points include Williston, N. D., 42°; Miles City, Mont., 36°; Pierre, S. D., 38°.

Chicago, Feb. 2.—The coldest spot in the United States today was at Glendive, Mont., where 53° below zero was reported. The center of the cold wave is still in North Dakota, but it is moving slowly southward.

This was the coldest day of the year in Chicago. Early this morning the official report showed 14° below zero.

Milwaukee, Feb. 2.—This is decidedly the coldest day of the winter throughout Wisconsin. The mercury here registered 18° below zero, and at Lacrosse 30° below.

Terra Alta, W. Va., Feb. 2.—This afternoon the thermometer at Terra Alta stood 2° below zero and was gradually falling. It was expected that it would reach at least 12° below before morning. Two inches of snow fell at Terra Alta today and two inches at Elkins, where the mercury has been at zero all day. There is 10 inches of snow at Thomas.

A Third Marriage May Be Necessary.

Hagerstown, Md., January 30.—John Thomas Hatfield and his wife, Sarah Crunkleton Hatfield, living near Middletown, Frederick county, Md., came to Hagerstown this afternoon, procured a license and were married at the parsonage of Trinity Lutheran Church by Rev. J. S. Simon. This second marriage was in order to satisfy a wealthy father. To make harmony complete, a third marriage may be necessary.

The couple were married 18 years ago by a Protestant minister, but the bride's father, James Carroll, of near Sykesville, Carroll county, who is a member of the Catholic Church, was never satisfied with the ceremony. He frequently asked that they be married according to the rites of the Catholic Church. They hesitated, and, finally, it is said, he threatened to cut off his daughter without a cent unless she and her husband complied with his wishes. As Mr. Carroll is reputed to be worth fully $75,000 and Mrs. Hatfield is one of three heirs, it was decided to have the second ceremony performed without further delay.

After procuring the license here late this afternoon Mr. and Mrs. Hatfield proceeded to the parsonage of St. Mary's Catholic Church. Rev. Sebastian Rabbia declined to perform the ceremony, but instead referred the couple to the Catholic priest at Frederick. Mr. and Mrs. Hatfield walked to the parsonage of Trinity Lutheran Church and went through with the marriage ceremony.

Mr. Hatfield is 40 years old and his wife 36. They are the parents of eight children, the eldest of whom is over 16 years of age.

Before leaving tonight for their home Mr. Hatfield said if this second marriage did not suit Mr. Carroll, they would go to Frederick and have a priest officiate at a third ceremony.

IN MEMORIAM.

In loving remembrance of our dear father, Jacob Thomson, who departed this life one year ago, February 4th, 1904.

One year ago to-day, you left this world resigned,
Gone but not forgotten by those left behind,
Thou shalt always be remembered,
In this weary world of strife.
Thou shalt never be forgotten,
As long as God gives life,
Though the pearly gates of heaven,
Passed the one we loved so dear;
God thought best to take him from us.
Though he left our home so dear.
Oh! papa it was hard to give you up,
But God alone knew best,
And when we kneel at night to pray,
We pray you are at rest.

By his Children.

FINE MACHINERY FOR SALE.

Desiring to go out of the machine business I will sell, for cash, a valuable lot of machinery, consisting of one Peerless Engine, 18-horse power; one Peerless Thresher, 33 inch cylinder, with wind stacker; one Geiser Saw Mill, 45 ft. feed, medium husk, 4 head blocks; 54-inch inserted tooth saw; one Chase Shingle Mill, with 40-inch saw; one Ely Hay Press, 14x18; one Fodder Cutter, 16-inch, with blower; 1 Hagerstown Clover Huller and Dickey Seed Fan, all of which are as good as new, having only run 2 yrs. Also an Altman & Taylor Engine, run but six months. This is a good chance to get a valuable outfit, as I have a good run of custom and the machinery can be bought privately, between now and first of April, at a reasonable price.
