SERMON BY REV. BOWERSOX

Delivered in St. Benjamin's Lutheran Church, Sunday, April 1, 1923.

COMMUNION SERMON JNO. 6,44-51.

The sole object of this text is to teach us the nature of christian faith, and to stimulate us to the exercise of it.

And indeed the generl tenor of the gospel of John goes but a little farther than to instruct us how we must believe on the Lord Jesus Christ.

And that such a faith as is grounded on the true promise of God made to Christ, will save us, as the text under consideration plainly declares.

Those, therefore, who teach any other way or means to obtain righteousness, are here considered as ignorant of the true way.

For what-so-ever is the invention of men, can avail them nothing toward obtaining salvation.

Although a man may exercise the duties of godiness, although his external works may appear holy before men, yet he will not be able to attain unto heaven unless God through his word proffer him his divine grace, and enlighten his understanding that he may walk in the way of life.

Now the way of life is the Lord Jesus Christ, and he that seeketh another way, as those most certainly do who trust in their own works, erreth from the right and true way.

Paul saith in Gal. 1.If Righteousness be by the law, that is by the works of the law, then Christ died with out a cause.

Therefore, I say, a man must be bruised as it were and broken by the gospel.

He must be humbled from the bottom of his heart, He must feel himself weak and frail, and wholly unable to do any thing of himself.

He must fall prostate before God and cry, help me, O omnipotent God, merciful Father.

I am not able to help myself, Help O Lord Christ, mine own help is nothing.

Christ saith in Luke 20.18. speaking of the chief corner stone which was rejected of the builders; saith: whoso-ever shall fall upon that stone shall be broken; but on whomsoever it shall fall it will grind to powder.

Now this stone is Christ, therefore we must either fall upon him through a sense of our imbecility and weakness, and so be broken.

Or he will fall upon us in his righteous judgment, and we shall be crushed under the weight of our own sins.

Christ says in the text. No man can come to me, except the Father which has sent me draw him, and I will raise him up at the last day.

The conclusion therefore is, that he whom the Father draweth not, and who cometh not to the Son, shall surely perish.

For he is the only name given unto us whereby we can be saved. And with out him there is no salvation. If he help not our case is most miserable.

Of him Peter also speaketh in the Acts. 4. This is the stone which was set at nought of you builders, which is become the head of the corner. Neither is there salvation in any other for there is none other name under heaven given among men, whereby we must be saved.

Where then is the doctrine of that great master, Aristole confirmed, who taught that reason instructeth men to do the best things, and is always ready to direct them in the right way.

For this doctrine Christ doth here disapprove and doth positively assert, that unless the father draw us to him we shall perish forever.

Hence all men must confess their inbecility and slowness to good things.

For if any man persuade himself that he is able to do any good work by his own strength.

Truly he accuseth Christ of falsehood, and with great arrogance, presumeth to come to heaven although he is not drawn by the father.

The work of God where ever it is soundly preached, casteth down whatsoever things are high and great.

It maketh mountains even with valleys, and over throweth all hills; as the prophet Essias saith. That all hearts hearing the word may despair of themselves, otherwise they cannot unto Christ.

The works of God are such that while they kill they make alive, while they condemn they save. As Hannah the mother of Samuel singeth to the Lord.

WESTMINSTER WILL HAVE BASE BALL

A meeting was held at the Firemen's Building, on Tuesday evening to determine whether there was sufficient substantial interest among the citizens of the town to warrant the organization of a baseball team in Westminster this year.

A concert by the Gettysburg College Glee Club was on at the Armory and a number of other events that kept many from the meeting, but more than fifty representative men were present and all were enthusiastically in favor not only of a club, but of a first class amateur team.

Guy W. Steele, Esq., was chosen chairman and Denton Gehr secretary of the meeting.

There was a general discussion of the question and upon motion it was decided that Westminster should have baseball this summer.

A Board of Directors was named, composed of John L. Reifsnider, Jr., firm of Smith & Reifsnider; John L. Bennett, firm of Thomas, Bennett & Hunter; J. Ezra Stem, Westminster Deposit & Trust Co.; R. Abner Parke, firm of B. F. Shriver Co.; Herbert F. Cover, firm of H. F. Cover & Son; Charles E. Eckenrode, firm of C. E. Eckenrode; Robert K. Myers, firm of Westminster Hardware Co.; Edwin S. Gehr, firm of D. S. Gehr; T. William Mather, Jr., firm of T. W. Mather & Sons; Harry M. Kimmey, Breeder of Duroc Jersey Hogs.

Mr. Carl Twigg and others spoke of the requirements and probable cost of maintaining a good ball team in Westminster.

Subscription cards were distributed and about $700 was pledged, and this has been materially increased since the meeting. A canvass of the town will be made and there is no doubt a liberal response will result.

On Wednesday evening the Board of Directors held a meeting and organized as follows: J. Ezra Stem, Chairman; R. Abner Parke, Secretary; Harry M. Kimmey, Treasurer. The Club organized as follows: Carl C. Twigg, Manager; E. G. Duncan, Assistant Manager; Fred S. Jenkins, Secretary and Treasurer.

If the canvassers should miss you, please leave your contribution with Fred S. Jenkins, at the Post Office.

VIOLIN RECITAL AND OPERETTA AT BLUE RIDGE COLLEGE

The month of April will bring two very excellent musical events to the friends of Blue Ridge College.

On Thursday evening, April 19th, William Rhy's—Herbert's Comic Operetta, "Bul Bul" will be given by the two Glee Clubs of Blue Ridge's Musical Department. Those who have attended the operettas given in former years, have been enthusiastic in their praise of them, and the performance of "Bul Bul" promises to be fully up to the Blue Ridge standard. Tickets, at the price of 50 cents each, will be on sale after April 16th.

On Friday evening, April 27th, Mme. Estelle Gray-Lherinne, the American Violinist, and by some critics acclaimed as the greatest living woman violinist, will appear in recital at Blue Ridge. Because of the great expense, concert artists of Mme. Gray-Lherinne's standing cannot often be presented in the smaller schools and communities, so the authorities of Blue Ridge College feel especially fortunate in being able to offer to the public the opportunity to hear this splendid artist. Tickets for this violin recital will be on sale after April 23.

THE LITTLE TYCOON OPERA

No lover of good music and good singing should fail to see the performance of Spencer's "Little Tycoon," which will be given in the Opera House April 19, and 20. The principal characters of the opera are Mrs. Vernon Harbaugh, Miss Emily Richmond, Mrs. Helen Tracy, Mrs. Paul Wimert, Mr. Walter Zepp, Mr. William Chase, Mr. Charles Reed, Mr. Charles Stouch, Mr. Dana Rudy, Mr. Charles Richardson, and Mr. Leighton King. The tickets are being sold by members of Grace Lutheran Church choir and Wehler & King, and Shaw's drug store, the charts being in the drug stores, where the tickets may be reserved.

THE DECLAMATION CONTEST OF W. H. S.

This year an opportunity to enter the declamation contest was given to every member of the Sophomore, Junior, and Senior Classes. The purpose of having the elimination contest was to decide who should be represented in the preliminary contest to be given at the Armory, prior to the county contest.

There were thirty who entered and of this number seven girls and four boys were selected to take part in the preliminary contest.

It took about five and one-half hours for the thirty contestants to deliver their declamations, but each contestant spent so much time on his work and was coached so well that when the selections were rendered they were enjoyed by everyone.

Many benefits were derived from the contest, not only by the ones who took part in the contest, but also by the ones who listened to the many well selected readings. The contestants have learned to speak before an audience with perfect composure and to enunciate properly and all of the pupils have learned to be good listeners. The order during the contest was worthy of praise.

In the preliminary contest which will take place in the Armory on April 12, one boy and one girl will be selected to represent Westminster High School in the county contest which will be held at Mt. Airy on the 27th of April.

BLUE RIDGE COLLEGE

Blue Ridge opened her baseball season Friday with Syracuse University. In a hard fought game the visitors managed to secure the long end of a 9-5 score. When you take into consideration that this was the initial contest for the locals, and that they went on the field without having had much practice, the resulting score was very good. Syracuse had played three games before this one, consequently their fielding was considerably smoother than Blue Ridge's. The next game will be played Saturday with Mt. St. Mary's, at Emmitsburg.

The buildings were almost completely deserted during the Easter vacation. School reopened Tuesday morning, and by Wednesday all of the students were back to start on the last lap of the year's work.

Mr. and Mrs. Ross D. Murphy and Mr. Miles Murphy, were visitors at the school on Thursday.

The tennis schedule has been completed and the first game will be played at New Windsor on Saturday with Loyola College.

Next Thursday Blue Ridge will meet Johns Hopkins University at Homewood. The next game at New Windsor will be on Saturday, April 14, with Penn State Forest College.

THE CHORAL CLUB WANTS YOU!

The Choral Club of Western Maryland College, following its newly formed custom of producing well known oratorios, such as it successfully did the last two years with the Messiah and Elijah, will give at the next Commencement Hayden's "Creation." This club has always been assisted by some of the church choirs of the county, numbering usually 150 voices. This year it is greatly desired to increase that number to at least 250, giving an opportunity for more singers from more church choirs to avail themselves of this musical event.

There is no charge except for the books, for which it is your rare privilege to participate in an unusual and magnificent undertaking. Will you not urge any one interested to join the Club?

The rehearsals are being resumed after a rest of four months, on April 10th and will take place each succeeding Tuesday evening at 7:30 in Smith Hall of the College. It is not too late to join, as all the choruses will be studied again.

To assist the chorus this year there will be an orchestra, and soloists from New York. The successes of the past two years have aroused favorable comment as prominent musical achievements in the State. More voices this year will mean added laurels.
