AMERICAN SENTINEL.

WESTMINSTER, - MARYLAND.

JOS. D. BROOKS, Editor.

Entered at the Postoffice at Westminster, Md., as Second-class matter.

FRIDAY, JANUARY 7, 1910.

The General Assembly of Maryland began its session for 1910 on Wednesday last. May the Lord have mercy on us.

Did you notice the condition of Main street during the recent thaw? Was'nt it a sight to behold? We told you you would soon need over-head bridges.

Some one has said that the Green street bridge reminded him of the "Bridge of Sighs," because every time he crossed it it made him "sigh" to think of what it was and what it is now. Never mind, brother, some other people will be "sighing" if that bridge is not soon repaired.

At last we have a postoffice in keeping with our importance as a city. We waited a long long time for it and it was only through the untiring efforts of our popular and efficient postmaster that we received a just recognition from Washington. We wanted a building and got the next best thing. We are proud of what we got and render thanks accordingly.

Our Democratic Governor is talking about another amendment to our constitution. It is a mighty good thing for the people of this state the framers of our constitution made the Governor's term only four years. If our present one had a longer term the Lord only knows what would become of us. He can do more talking and less performing than any governor we have had since the creation of the state. He and a lot of other Eastern shore politicians are endeavoring to fasten their grip upon the whole state. Do the people of Baltimore and Western Maryland, who pay the bulk of the taxes of the state, intend to sit still and allow this to go on? We think not.

We have received the December number of the "Book of the Royal Blue" published by the Baltimore and Ohio Railroad Company. Its leading article is entitled "Fifty Years after John Brown," and is from the well known pen of Mr. J. Hampton Baumgartner of this city.

The article tells the story of the John Brown raid at Harper's Ferry W. Va. in December 1859 and of his capture, trial, conviction and execution as related to Mr. Baumgartner by the only living eye witnesses.

The article is extremely interesting, well written, embellished with cuts of the two surviving eye witnesses, views from the old town of Harper's Ferry and the old railroad bridge over the Potomac river, and exhibits the decided skill possessed by Mr. Baumgartner as a writer.

A public meeting will be held in Westminster on Saturday, January 15th, 1910, at 1 o'clock sharp, for the purpose of considering the matter of the State appropriation for good roads. All persons interested in the matter are invited to be present and we hope there will be a large attendance. Don't come to the meeting and sit like an Egyptian Mummy; speak out in the meeting and let it know what you think and what your neighborhood wants. Above all, don't do as one or two persons may suggest and then go home dissatisfied and growl about the whole matter. Be a part of the meeting; and if you are not able to present your views in public get some one who can. If you can not do the latter have them written out and read in the meeting. Everybody come to the meeting because there will be "something doing."

We have received from L. M. Zimmerman D. D. of Baltimore, author of "Dot," a little volume entitled Pearls of Comfort from Tennyson's "In Memoriam." The author says that "like the noonday sun, this immortal poem by Alfred Tennyson, is resplendent with its own light, and any endeavor to adorn it would bring a lame and impotent conclusion." He does not attempt to add anything to its marvelous beauty, but rather seeks to study its rich glowing gems of thought, and to choose from them some "Pearls of Comfort" for the comfort of himself and others.

Damon had a Pythias, David a Jonathan and Tennyson a Hallam. Alfred Tennyson was deeply in love—if man can be said to be in love with man—with Arthur Hallam, a young and brilliant writer. Hallam died very suddenly and after his death Tennyson showed his grief in his "In Memoriam."

Pearls of Comfort is a beautifully written volume, with liberal quotations from "In Memoriam," among which is the following, which the author thinks is the very key note of the whole poem:

"This truth came borne with bier and pall,
I felt it when I sorrowed most,
'Tis better to have loved and lost
Than never to have loved at all."

We thank Dr. Zimmerman for sending us a book so full of sunshine. Dr. Zimmerman is a native of Hampstead district, this county, and is now pastor of Christ Lutheran Church, Baltimore, Md.

The Message.

The following subjects are discussed by Governor Crothers in his message to the legislature which met at Annapolis on Wednesday last:

Submission to the voters of the state of a new suffrage amendment, the purpose of which is to cut the negro entirely.
Creation of a public utilities commission.
Increased representation for Baltimore city in the General Assembly.
Mandatory nominations by direct vote of the people all over the state.

State care of the insane.
Suppression of "white slave" traffic.
General reassessment law.
Changes in good roads and oyster culture laws.
Convict labor on public roads.
Increased license for automobiles.

Dr. J. McPherson Scott has been elected president of the Hagerstown Fair Association.

The Maryland Poulty and Pigeon Association opened its annual exhibition at the Fifth Regiment Armory on Tuesday last.

The General Assembly of Maryland convened at Annapolis on Wednesday for the Session of 1910. Hon. Arthur P. Gorman of Howard County, was elected President of the Senate, and Mr. Adam Peeples of Cecil county Speaker of the House of Delegates. The Governor's Message was read and the Assembly adjourned until Monday next.

BUSINESS LOCALS.

The hen's Winter diet is lacking in egg-making material. More of her food must be used in keeping her body warm. Egg production, naturally, falls off. Fairfield's Egg Producer supplies the egg-making material, increases egg production and prevents disease. Sold under written guarantee by the W. H. Davis Co., Westminster, Geo. W. Yeiser, Union Mills, T. W. Mather & Sons, Manchester, Shipley & Bonner, Gamber, N. E. Franklin, Englar, J. E. Evans, Carrollton.

A WILD BLIZZARD RAGING

brings danger, suffering—often death—to thousands, who take colds, coughs and lagrippe—that terror of Winter and Spring. Its danger signal are "stuffed up," nostrils, lower part of nose sore, chills and fever, pain in back of head, and a throat-gripping cough. When Grip attacks, as you value your life, don't delay getting Dr. King's Discovery. "One bottle cured me," writes A. L. Dunn, of Pine Valley, Miss., "after being 'laid up' three weeks with Grip." For sore lungs, Hemorrhages, Coughs, Cold, Whooping Cough, Bronchitis, Asthma, its supreme. 50c. $1.00. Guaranteed by C. W. Moore.

Fairfield's Blood Tonic for Horses only neutralizes poisons produced by undigested foods fermenting in the intestines. It strengthens digestion, purifies the blood, perfecting the health and increasing the animal's working ability. Sold under written guarantee by the W. H. Davis Co., Westminster, Geo. W. Yeiser, Union Mills, T. W. Mather & Sons, Manchester, Shipley & Bonner, Gamber, N. E. Franklin, Englar, J. E. Evans, Carrollton.

SAVED AT DEATH'S DOOR.

The door of death seemed ready to open for Murray W. Ayers, of Transit Bridge, N. Y., when his life was in a dreadful condition," he writes, "my skin was almost yellow, eyes sunken; tongue coated; emaciated from losing 40 pounds, growing weaker daily. Virulent liver trouble pulling me down to death in spite of doctors. Then that matchless medicine-Electric Bitters cured me. I regained the 40 pounds lost and now am well and strong." For all stomach, liver and kidney troubles they're supreme. 50c at C. W. Moore.

When hay, grain and fodder are "cured" the nutritive and digestive elements in the saps are lost. Fairfield's Blood Tonic, added to the ration, restores the lost elements, makes food digestible, purifies the blood and perfects the health. Sold under written guarantee by the W. H. Davis Co., Westminster, Geo. W. Yeiser, Union Mills, T. W. Mather & Sons, Manchester, Shipley & Bonner, Gamber, N. E. Franklin, Englar, J. E. Evans, Carrollton.

A WRETCHED MISTAKE.

to endure the itching, painful distress of Piles There's no need to. Listen: "I suffered much from Piles," writes Will. A. Marsh. of Silver City. N. C., "till I got a box of Bucklen's Arnica Salve, and was soon cured." Burns, Boils, Ulcers, Fever Sores, Eczema, Cuts, Chapped Hands, Chilblains, vanish before it. 25c. at C. M. Moore.

The extra vitality required to digest the Cow's winter foods is drawn from her milk secreting organs, weakening them and cutting down the milk supply. Fairfield's Milk Producer makes winter foods digestible, strengthens all organs and increases milk in quantity and quality. Sold under written guarantee by the W. H. Davis Co., Westminster, Geo. W. Yeiser, Union Mills, T. W. Mather & Sons, Manchester, Shipley & Bonner, Gamber, N. E. Franklin, Englar, J. E. Evans, Carrollton.

MAKING LIFE SAFER.

Everywhere life is being made more safe through the work of Dr. King's New Life Pills in Constipation, Biliousness, Dyspepsia, Indigestion, Liver troubles, Kidney Diseases and Bowel Disorders. They're easy, but sure, and perfectly build up the health. 25c at C. W. Moore.

Make your hens lay their eggs while you can get good prices. Fairfield's Egg-Producer makes the hen keep up her summer average in the winter by supplying egg-making material and stimulating the egg-producing organs. Sold under written guarantee by the W. H. Davis Co., Westminster, Geo. W. Yeiser, Union Mills, T. W. Mather & Sons, Manchester, Shipley & Bonner, Gamber, N. E. Franklin, Englar, J. E. Evans, Carrollton.

To rid a horse of worms without putting him out of commission, use Fairfield's Blood Tonic for Horses only. It acts in Nature's way, perfecting digestion and nutrition, purifying the blood and expelling all poisons and impurities. Sold under written guarantee by the W. H. Davis Co., Westminster, Geo. W. Yeiser, Union Mills, T. W. Mather & Sons, Manchester, Shipley & Bonner, Gamber, N. E. Franklin, Englar, J. E. Evans, Carrollton.

MAKES RAPID HEADWAY

Add This Fact to Your Store of Knowledge.

Kidney disease advances so rapidly that many a person is firmly in its grasp before aware of its progress. Prompt attention should be given the slightest symptom of kidney disorder. If there is a dull pain in the back, headaches, dizzy spells or a tired, worn-out feeling, or if the urine is dark, foul-smelling, irregular and attended with pain, procure a good kidney remedy at once.

Your townspeople recommend Doan's Kidney Pills. Read the statement of this Westminster citizen.

Harry C. Jones, E. Main St., Westminster, Md., says: "I suffered from kidney complaint for over two years. My trouble began with a lameness across the small of my back and was soon followed by an ache through my loins which clung to me persistently. I felt restless and the kidney secretions caused me much annoyance. Finally Doan's Kidney Pills were procured for me at C. W. Moore's Drug Store and the results of their use far exceeded my expectations. My kidney trouble was removed and I have not suffered since."

For sale by all dealers. Price 50 cents.
