PARTICULAR NOTICE.

There are many preparations sold under the name of Bitters, put up in quart bottles, compounded of the cheapest whiskey or common rum, costing from 20 to 40 cts. per gallon, the taste disguised by Anise or Coriander Seed.

This class of Bitters has caused and will continue to cause, as long as they can be sold, hundreds to die the death of the drunkard. By their use the system is kept continually under the influence of Alcoholic Stimulants of the worst kind, the desire for Liquor is created and kept up; and the result is all the horrors attendant upon a drunkard's life and death.

For those who desire and will have a Liquor Bitters, we publish the following receipt. Get one bottle Hoofland's German Bitters and mix with three quarts of good Brandy or Whiskey, and the result will be a preparation that far excels in medicinal virtues and true excellence any of the numerous Liquor Bitters in the market, and will cost much less. You will have all the virtues of Hoofland's Bitters in connection with a good article of Liquor, at a much less price than these inferior preparations will cost you.

The Proprietors have thousands of Letters from the most eminent

CLERGYMEN,
LAWYERS,
PHYSICIANS,
AND CITIZENS,

testifying of their own personal knowledge, to the beneficial effects and medical virtues of these Bitters.

From Rev. J. Newton Brown, D. D., Editor of the Encyclopedia of Religious Knowledge.

Although not disposed to favor or recommend Patent Medicines in general, through distrust of their ingredients and effects, I yet know of no sufficient reason why a man may not testify to the benefits he believes himself to have received from any simple preparation, in the hope that he may thus contribute to the benefit of others.

I do this the more readily in regard to Hoofland's German Bitters, prepared by Dr. C. M. Jackson of this city, because I was prejudiced against them for many years, under the impression that they were chiefly an alcoholic mixture. I am indebted to my friend Robert Shoemaker, Esq., for the removal of this prejudice by proper tests, and for encouragement to try them, when suffering from great and long continued debility. The use of three bottles of these Bitters, at the beginning of the present year, was followed by evident relief and restoration to a degree of bodily and mental vigor which I had not felt for six months before, and had almost despaired of regaining. I therefore thank God and my friend for directing me to the use of them. J. NEWTON BROWN.

Philadelphia, June 23, 1861.

Diseases of Kidneys and Bladder, in young or aged, male or female, are speedily removed, and the patient restored to health.

DELICATE CHILDREN,

Those suffering from Marasmus, wasting away, with scarcely any flesh on their bones, are cured in a very short time; one bottle in such cases, will have a most surprising effect.

Parents having suffering children as above, and wishing to raise them, will never regret the day they commenced with these Bitters.

LITERARY MEN,
STUDENTS,

And those working hard with their brains, should always keep a bottle of

HOOFLAND'S BITTERS

near them, as they will find much benefit from its use, to both mind and body, invigorating and not depressing.

IT IS NOT A LIQUOR STIMULANT,
And Leaves no Prostration.

Every case of that kind can be readily cured by Hoofland's German Bitters. We have no hesitation in stating that, if these Bitters were freely used among our soldiers, hundreds of lives might be saved that otherwise would be lost.
