SATURDAY, APRIL 3, 1909.

Base Ball.—The varsity of Washington College lined up against the strong Villa Nova nine for a series of two games on March 26th and 27th. These games opened the season for the home team but the work of Washington College was exceptionally good. On the first game the Pennsylvanians used three pitchers, while for Washington, Morton twirled for nine innings. The new material showed its mettle and high hopes are entertained for a successful season. Baden pitched the second game for Washington. On the first game Villa Nova rolled up 11 points to Washington's 7. The second game gave 10 points to the strangers and 4 to the home team.

Washington meets Delaware College at home, Saturday, April 3rd. A fine game is expected since the two teams are evenly matched. Coach M. J. Thompson has worked up his team in fine shape and the boys are entering enthusiastically upon the work.

Weather Forcasts for April—From *Word and Work*, by Rev. Irl R. Hicks, we obtain the following information in reference to the weather forcast for April: "A regular storm period is central on the 2nd, reaching from March 31st to April 5th. Storm and weather condition will reach a serious crisis from the 1st to 6th culminating on and touching the 4th and 5th. A reactionary storm period is central on the 7th and 8th. The report goes on to say that the people in the northern section should not be surprised by destructive sleet storms, and even blizzards, at either of the first three storm periods in April. A regular storm period covers the 11th to the 16th, being central with the moon's last quarters on the 13th. A reactionary storm period is central on the 18th, 19th and 20th. A regular storm period is central on the 25th, covering 23rd to 28th. From about the 25th to 28th storms will culminate from Mississippi Valley eastward to the Atlantic.

DOINGS AMONG THE COLORED PEOPLE OF CHESTERTOWN.

The members of Janes M. E. Church tendered their pastor, Rev. J. R. Holland a grand reception on Friday night in the basement of the church. The rooms were beautifully decorated with flowers and lace curtains. Directly over the altar were the words "Welcome Home." Harrison Jenkins delivered a short address of welcome. This was responded to by Rev. Holland, who among other things said he appreciated the fact of having been appointed to serve his church for the sixth year. After a few special selections by choir, lunch was served consisting of the following: chicken salad, potato salad, fried oysters, Smithfield ham, Maryland biscuit, chocolate, ice cream and cake.

Colored Conference.—The Delaware Conference of the Methodist Episcopal Church (colored) which has been in session in Cambridge for a week or more adjourned last Monday. Following are the appointments for Centreville district:

The only change in the district superintendents was the appointment of J. E. A. Johns to the superintendency of the entreville district, his predecessor, N. W. Moore, being sent to Ezion Church, Wilmington. J. E. A. Johns, district superintendent. Carmichael, C. J. Hall; Centreville, R. M. Shelton; Centreville, circuit, R. S. Johns; Chestertown, J. Railroad Officials Meet.—The annual meeting of the Maryland, Delaware & Virginia Railroad was held in Wilmington, Delaware, last Thursday. The annual report shows that the company operates 78.55 miles of railroad and 979 miles of steamboat lines. Gross earnings for the past year, $743,569 55; gross operating expenses, $672,358.62; net earnings from operation, $71,210.94. Interest on bonds and other expenditures, however, left a deficit in the year's operations of $32,257.14. These directors were elected: Frank Ehlen, John S. Gibbs, Wm. H. Bosley and C. Howard Lloyd, representing preferred stock; Charles E. Pugh, Samuel Bancroft, Jr., Henry P. Scott, Samuel Rea, Hiram R. Burton, N. P. Bond, Willard Thomson, J. B. Hutchson, Henry Tatnall, common stock.

People past middle life usually have some kidney or bladder disorder that saps the vitality, which is naturally lower in old age. Foley's Kidney Remedy corrects urinary troubles, stimulates the kidneys, and restores strength and vigor. It cures uric acid troubles by strengthening the kidneys so they will strain out the uric acid that settles in the muscles and joins causing rheumatism. Sold by all druggists.

IN MEMORIAM.

HOGANS.—In loving remembrance of our dear daughter, Florence, who died thirteen years ago, April 1st, 1896. Gone but not forgotten.

We often think of her sweet smiles,
Her ever-faithful love,
Our weary hearts she will sooth no more—
She dwells with God above.

Oh never can we know how dear
Each loved one is till we have known
The deep regret, the bitter tear,
That comes when those we love have gone.

By her Father and Mother
JAS. A. AND MARY C. CASEY.

We watched and waited by her,
Still hoping she would stay;
But an angel gently whispered,
"I'll bear your sister away."

BY HER SISTERS—MRS. D. J. MOORE AND MRS. FRANK DAVIS.

FOR CATTLE ONLY
FAIRFIELD'S
Milk Producer and Blood Tonic

IMPORTANT TO FARMERS

Manufacture your own stock foods as you need them. No trouble, it saves expense by mixing a small quantity of Fairfield's Blood Tonics with the animals' regular ration. A separate tonic compounded to meet the peculiar requirements of each kind of animal, put up in concentrated form gives greatest results at less cost than the old style and obsolete method of putting up cure-all stock preparations.

MR. CHARLES S. SMITH writes: "It gives me pleasure to inform you that I am now using your Egg Producer and am thoroughly satisfied with the results. I find that it is a good investment and heartily recommend it."

MR. WILBUR ELIASON tells us that his hogs would always become infected with cholera whenever it would appear in the neighborhood. Last fall cholera was on all sides of his farm and he did not have one hog taken sick while in former years he would lose all. He attributes this great fortune to the regular feeding of FAIRFIELD'S BLOOD TONIC FOR HOGS ONLY.

MR. C. C. BROWN, of Pomona, says that he tried for fourteen years to raise ducks, but they always died at the "feathering age." For the past two years he has used FAIRFIELD'S TONIC FOR POULTRY ONLY and raised every duck after he had started feeding this wonderful preparation.

MR. D. B McMENAMIN, who has tested the merits of FAIRFIELD'S BLOOD TONIC FOR HORSES ONLY says beyond a doubt it is the best preparation of the kind he has ever used. There are scores of others in this county that endorse these meritorious preparations. They are compounded scientifically to meet the peculiar requirements of each animal. You do not run the slightest risk in purchasing these Tonics for if they do not do all that is claimed for them we cheerfully refund your money.
