OUR

Semi-Annual Clearance Sale

THOSE of you who have waited for this GREAT SALE of ours will be well rewarded for your stay of purchase.

This sale embraces some of the greatest bargains that we've ever offered. It does not apply to Clothing alone, but it reaches every department of our store.

It is needless for us to say—50c Shirts for 39c; 25c Suspenders 12½c, and $10 and $12 Suits of Clothes for $8.50. Our Reduction Sales in the past have educated the purchasing public to know what it means when we give them notice through this column.

STRAW HATS

Don't wait until the best things are gone. COME EARLY.

Crimson Clover

The crop has been badly damaged, both in this and foreign countries. We have been looking to your interest and have made a large purchase and can sell you today as low as you can buy in the city markets. Samples and prices on application.

Plow Shares

Every time a plow share gets dull don't throw it away, but bring it to us and let us grind it for you. Our best farmers have tried it and say they do better work than many of the new ones. Our price is 10 cents for all size shares.

Best Dearborns

We are building the best Dearborns to be had on this peninsula for the money. We use good material and finish our work well. All hand ironed. See our NEW SHAFTS—they don't wear against the corners of the body. Our railings are all hardwood, either oak or ash and let in on the body, so that the Riggings are perfectly solid. Stock now on hand ready for delivery.

FAIRFIELD'S FEED BLOOD TONIC

CONDITION POWDERS
A SEPARATE PREPARATION FOR HORSE, COW, HOG AND POULTRY

GREATEST KNOWN BLOOD PURIFIERS

THE working capacity of any horse can be practically doubled by feeding FAIRFIELD'S BLOOD TONIC for HORSES regularly. It exterminates worms, builds up the health and saves feed.

The farmer that sowed wheat all over his farm and expected to reap a crop of wheat, oats and corn from the same, would be no more foolish than the man who feeds his horse, cow, hog and poultry from the same package of Condition Powder and expects to get results. The intelligent farmer feeds FAIRFIELD'S, because there is a separate preparation for each kind of animal.

The Fairfield Preparations are sold under written guarantee by
