DOCTOR DELASHMUTT'S

AGUE AND FEVER SPECIFIC.

The Greatest Discovery of the Age!

IT is said there is no Specific known. But that saying has been contradicted by the discovery of a Specific by Doctor Delashmutt for Ague and Fever. The ONLY SURE CURE for that disease known. It never fails to cure the worst cases of the longest standing in twenty-four hours, and what is more, the cure is lasting. Quinine, as well as other remedies, which have been used heretofore by the public for Ague and Fever, when they did succeed in arresting the disease it was, in most cases, only temporary, and in a few days it returned again with renewed force. But in no case where Dr. Delasbmutt's Specific has been taken, has the disease returned the same season.

The Doctor having used his Specific in his regular practice for fifteen years, a part of that time in the West, where the Chill prevailed, he has had a fine opportunity of fully testing its virtues in thousands of cases, and it has never failed in any case to cure promptly.

Also, as a Tonic in Debility, Night Sweats and Loss of Appetite, no matter from what cause; but especially in cases resulting from Intermittent, Billious Remittent and Typhoid Fever, it affords prompt relief, increasing the appetite and setting all the organs to acting normally.

Give it a trial, and if the directions are followed, we warrant a cure in every case for which it is recommended.

☞ Sold by all Druggists. Put up only by MARTIN & DELASHMUTT, Druggists, 249 South Howard Street, Baltimore.

Price $2 per bottle. Usual discount to the trade. For sale by SIMON WICKES and JOHN L. STAM, Chestertown. s21-6m.

DAILY'S VENTILATED TRUSS.

RUPTURE CURED.

I BELIEVE there never has been a Truss to compare with my improvement, not only for a perfect and radical cure but also for the comfort and convenience of the wearer; of the thousands on whom I have applied this Truss in Baltimore and vicinity nearly all have been relieved. Where the rupture is not complicated with other disease any one wearing the Truss may be cured, some in the short space of three months, especially young persons, although many over fifty years of age have also been cured. THE CLEANLINESS OF THE PAD, not absorbing the sweat, but being ventilated, permitting the air to circulate around the injured part, makes it essential to the comfort of the wearer. It will be the only Truss worn in the world. Physicians and persons who have worn it say there is no room for further improvement. Call and see it.

ALSO ON HAND:

A large and varied assortment of Surgical Appliance of every description, or made to order, Elastic Stockings, Knee Caps and Anklets, for varicose veins, swelled or weak leg. Buy a good one or none.—Many absolutely worthless sewing-machines are now before the public, to purchase which would result in nought but vexation and disappointment to the owner. The advantages they possess for Embroidering, Braiding, Hemming, &c., and their wonderful simplicity renders them the best in use. What other machine will embroider so beautifully, braid so elegantly, hem so faultlessly, quilt so evenly, stitch so accurately, gather so regularly, operate so easily? *None*, we conscientiously affirm.
