RING'S VEGETABLE AMBROSIA.

This favorite Hair Restorer has been before the public long enough to have been thoroughly tested and its increasing sale and popularity are the best evidences of its superior merit.

Ring's Restored Gray Hair is original color it has no equal.

For curing Humors of the scalp and preventing itching it is wonderfully successful.

For preventing the Hair from falling off it is unfailing.

For restoring Hair to Bald Heads it succeeds beyond Competition, although not always successful. Where the glands or follicles are not destroyed new hairs are to grow after using it properly.

As a dressing nothing surpasses it. It imparts to dry faded and wiry hair that beautiful glossy appearance so much admired.

Containing no oil or grease it does not soil the finest linen.

It is compounded upon Scientific principles of the purest ingredients and is entirely harmless.

Being perfumed with the most fragrant Extracts its odor is delightful.

TESTIMONIALS almost without number can be given if necessary but the AMBROSIA is too well known to require it. Call once and you will never be without it.

B. A. FAHNESTOCK'S VERMIFUGE.

Why is it that so many children die under the age of five years? That a large proportion of children die under that age, has long been a subject of remark, and without a satisfactory cause ascertained, it is certain.

Also, it is known that worms exist in the human system from its earliest infancy; therefore parents, especially mothers, who are more constantly with their children, cannot be too observing of the first *symptoms of worms*, for so surely as they exist, so their be

B. A. FAHNESTOCK'S VERMIFUGE.

IT IS PERFECTLY HARMLESS—contains no Mercury, being a

Purely Vegetable Composition,

And may be administered with the GREATEST SAFETY TO CHILDREN OF ALL AGES.

Worm Confections, made more for the purpose of pleasing the palate than of overcoming the disease, have been manufactured all over the country, but their short lease of life is nearly exhausted, and B. A. Fahnestock's Vermifuge continues to grow in favor daily.

CAUTION.

Should occasion require you to purchase B. A. Fahnestock's Vermifuge, be particularly careful to see that the initials are *B. A.* This is the article that has been so

BLACK CHESAPEAKE INK

I have discovered a Chemical Combination by means of which I produce an Ink

VASTLY SUPERIOR IN EVERY RESPECT TO ANY OTHER WRITING FLUID EVER BEFORE INVENTED.

It is of a JET BLACK COLOR,

and is perfectly indelible, does not change in the least even when subjected to acids which entirely erase and destroy all other inks; consequently it is the

ONLY RELIABLE INK KNOWN

for signing BANK NOTES, writing or recording DEEDS, &c., and will doubtless last as long as the paper or parchment on which it is written.

It flows easily from the pen; does not corrode or gum up; does not blot. It can be written with across the sheet over the wet writing without blurring the first writing.

It is an excellent substitute for India ink in making drawings or fine line ruling, and can be written on the thinnest paper without spreading.

It is sold for one half the price of the many worthless fluids bottled and sold as writing ink, and is a home manufacture.

This ink is now for sale by the bottle, dozen, or gross, and a liberal discount allowed to merchants.

WM. KNABE & CO.,

MANUFACTURERS OF

GRAND, SQUARE AND UPRIGHT

PIANO-FORTES.

WAREROOMS—350 West Balt. St., near Eutaw, BALTIMORE, MD.

THESE instruments have been before the public for nearly thirty years, and upon their excellence alone attained an *unparalleled pre-eminence* which pronounces them unrivaled.

Their TONE combines great power, sweetness and fine singing quality, as well as great purity of intonation, and evenness throughout the entire scale.

Their TOUCH is elastic and elastic, and entirely free from the stiffness found in so many Pianos. In WORKMANSHIP they are unexcelled, using none but the very best seasoned material, the large capital employed in our business enabling us to keep continually an immense stock of lumber, etc., on hand.

All our Square Pianos have our new improved Overstrung scale and the Agraffe Treble.

We would call special attention to our late improvements in Grand Pianos and Square Grands, patented August 16, 1866, which bring the Piano nearer perfection than has yet been attained.

Every Piano fully warranted for Five Years.
