Crimson Clover

The supply of Crimson Clover Seed is lower in this country than it has ever been since it has been in use.

Knowing that it has no equal as a soil improver, and that our farmers could not easily find a substitute for it, we made the largest purchase of Crimson Clover Seed we have ever made and we are going to offer it until June 15th at less than the market price today for fancy seed. Our price until June 15th will be

$9.50 Bushel

If you are going to use any of this seed this year now is the time to buy it. We sold a very close buyer a month ago 30 bushels. He was posted on conditions. We will accept your order and make delivery of seed any time up to June 15th.

American Fence

On Tuesday we unloaded a large car of Fence, Barb Wire, Nails and Staples. Our stock on some sizes was completely exhausted and we were fortunate in being able to replenish so quickly. Market on all steel commodities is very strong and we look for further advances in fence. If you need it, better buy now while you can get it.

Yours to serve,

Can It Be Possible

that you are going to put in a Corn Crop this Spring without Fertilizing it? Don't you believe that Corn requires plant food as well as any other crop? And when you consider the price of Corn today at $1.35 a bushel and that you can fertilizer an acre for less than $2.00 it would pay you not only in the increased yield of Corn but in the Fodder alone it would be profitable. Think about this and consult us in regard to our Special Corn Fertilizer that is particularly adapted to this crop.

For Tomatoes

Well, you have heard of our Tomato Fertilizer, it is a wonder and we confidently believe that we sell more Tomato Fertilizer than any other manufacturer in this country. We do not mean that we sell more Fertilizer, but more Fertilizer for Tomatoes.

Our Fish Mixture is particularly adapted to the growth of tomatoes and in this goods we derive the Phosphoric Acid from the Fish Rock and Bone and the Ammonia from the Animal matter on the Animal bone, Nitrate of Soda and Fish.

In order to grow a profitable Tomato crop it is necessary after you transplant the Tomato vine that it should never stop but keep growing, because if it gets stunted, it is like a stunted pig, it does not make a good hog, therefore the combination in our Tomato Goods feeds all along the line and never lets the plant stop growing and if there ever was a time when you ought to grow all the Tomatoes possible per acre it is now. Please correspond with us in regards to your Tomato goods.

Yours very respectfully,

AUTO PARADE AND MATINEE

Cars Decorated With Skill And Intelligence—Quality, Not Quantity —Rock Hall Band Makes Music.

The auto parade in Chestertown Wednesday arranged by the Kent and Queen Anne's Fair Association was the best yet from the artistic standpoint. What it lacked in quantity was made up in quality and the judges, comprising the Misses Clements, of Chestertown, Mr. and Miss Merrick, of Sudlersville, and Henry D. Rogers, of Baltimore, had considerable difficulty in arriving at a decision. The first prize, $20, was awarded Arlington L. Sparks whose car was made to represent "America." Miss Ida Smith impersonated "America" with two boy scout attendants, while Mrs. Sparks as a Red Cross nurse and Mr. Sparks as a soldier occupied positions in front. The second prize, $10, was awarded Dr. Charles F. Smith's "Liberty" car. Miss Ruth Clark impersonated "Liberty" with these pretty little attendants, Thelma Reed, Isabel Crow, Margaret Rasin, Henretta Newnam, Ida Speilberger, Louise Simpers. Dr. Smith was at the wheel. The third winner, $5, was Mrs. Frank B. Hines, who, with Miss Isabel Perry impersonated two good-looking Red Cross nurses. Arthur C. Bacon had a novel and well-executed design—a U-Boat No 4. He won the fourth prize, $2 50. Miss Frances Bacon was the look-out girl, and Mr. Bacon was warmly congratulated for his work.

The car with Misses Cynthia and Ruth Clendaniel and Mary Jane Mason, of Delaware, was a beauty, the decorations being rivaled by the ladies. Then there was the Suffrage car driven by Miss Violet Beck; the Uncle Sam car, driven by Owen C. Smith, with Boy scouts as planters, was fine. Then there was Mrs. Clifton L. Jarrell, prize winner of other parades, Thos. W. Perkins, Miss Miriam Hubbard, Fred S. Russell and others.

The Races.
