AMERICAN LEGION WILL OBSERVE MEMORIAL DAY

Dr. J. P. Franklin, adjutant, has issued the following invitation to all ex-soldiers to join the Frank M. Jarman Post, American Legion, in observance of Memorial Day with appropriate commemorative exercises:

On Memorial Day, May 30, 1924, the Frank M. Jarman Post No. 36 American Legion will hold its usual celebration at Chestertown. This will consist of parade in the morning to the Cemetery and the decorating of the graves of soldiers buried there.

In the afternoon there will be exercises at the Washington College Athletic Field consisting of track events and base ball game.

It is the sentiment of the entire Nation and also of the American Legion that it is highly appropriate that the ex-soldiers should remember their comrades who have passed on.

The Frank M. Jarman Post No. 36 invites every ex-soldier to join them and take part in these exercises, no matter whether you are a member of the American Legion or not. We want you to join us in the parade, come in your uniform if you can, but if you have no uniform, come anyway. You will be welcome just the same.

It is only by the energy of the ex-soldiers that the beautiful custom of Memorial Day can be kept alive, and we need your help.

If it were not for the ex-soldier to remind them once in a while the people would never know there had been a war.

Don't forget the—

Service at M. E. Church, Chestertown, our former Chaplain, Rev. Omar E. Jones will preach on Sunday, May 25th. Meet at Headquarters at 10 a. m.

Parade, May 30th to the cemetery at 10 a. m.

Parade to Athletic Field at 1:00 p. m.

The Kent County Board of Education organized Tuesday with the election as follows: President Harry

Davis, vice C. Romie Skirven; Robert W. Hill is the Republican member, vice Wm. G. Smyth; Mrs. William Goss, secretary; Mrs. R. Hynson Beck, attendance officer; all trustees reappointed for various periods of one to three years; Miss Flora is continued as elementary supervisor; Prof. Robinson, as superintendent, has more than two years to serve of his four year term.

THE BONUS LAW, WHAT IT MEANS

Total cost (minimum estimate)—$2,280,758,542.

Annual cost—$146,000,000 in 1925; $155,000,000 in 1926, and an annual average cost thereafter until 1945 of $11,000,000.

Total number of veterans enlisted entitled to benefits — Approximately 3,500,000, which number about 3,500,000, of which number about 3,100,000 will get insurance policies and 400,000 cash bonnuses of $50 or less.

Total number of Maryland men eligible — Approximately 9,000 of which largest proportion will get insurance.

Estimated average value of insurance policies—$962.

Cost of administrating bonus in 1925—$6,500,000.

Departments to administer law — War, Navy, Veterans' Bureau with Postoffice co-operating.

Congressional vote overriding veto —Senate, 59 to 26; House 313 to 78.

Adjusted service compensation is figured on the basis of $1 a day for home service and $1.25 a day for overseas service. The first sixty days cannot be counted. Also a maximum of 500 days would be allowed.

All veterans up to and including the rank of Captain in the Army and Marine Corps and Lieutenant in the Navy are eligible for the bonus.

It is estimated that the average insurance policy would be valued at $962, while the maximum value of the policies would be about $1,900 for overseas service and $1,600 for home service.

The value of the policy would be the equivalent of the amount which the adjusted service credit, plus 25 per cent, would purchase at regular insurance prices based on 4 per cent interest compounded annually. To determine the latter computation a table of factors has been compiled by experts. Multiplication of the proper factor by the amount of adjusted service compensation due the veteran, plus 25 per cent, would give the face value of the insurance certificate, of course, would vary according to the length of service of the veterans and his age at the date of issuance of the policy. The policies would be dated next January 1.

Application for the bonus may be made in 1924, but the cash payments will not be distributed until after next Mar. 1.

Loans may be made on the policies up to 90 per cent of their current face value any time after two years from the date of issuance. Thus, on a $1,000 policy, at the end of two years a loan of $87.93 could be made. On this same policy at the end of nineteen years a loan of $831.23 would be possible. The loans may be made at any national or State bank.

Service between April 5, 1917, and July 1, 1919, may be counted in computing the adjusted service credit, although enlistment must have been made before November 11, 1918.

Women who served as yeomen in Navy and Marine Corps also were included in the bill as eligible to receive its benefits.

The bill stipulates that no one shall be entitled to its benefits for service as a civilian officer or for membership in the Reserve Officers' Training Corps, or the Students' Army Training Corps.

BUSINESS MEN'S FEAST

Reid Hall The Scene Of A Fine Repast, Speeches, Music, Fun, 100 Plates Served.

The Chestertown Business Men's Association gave its annual dinner Thursday evening in Reid Hall, Washington College, which was enjoyed by a hundred members and guests. Caterer Gunning served roast turkey, salads, peas, ices, etc., in his usual excellent style. Music was furnished by Whitey's Five and Prof. Roy Schmidt. Nick Sweney, comedian, furnished fun for everybody.

Harry F. Jefferson, president, was the toastmaster and presented an array of speakers who gave interesting addresses, as follows: Curtis A. Goodwin, of Baltimore. "This and That;" Harry F. Woodburn, Galena, "Asparagus;" W. T. Gardner, secretary, Salisbury Board of Trade, "Packing and Shipping." It was a pleasant affair and it is hoped some permanent good to the farmer and business men will result.

"Rebellious Jane" Makes A Hit In Lyceum

Triangle Club Puts On A Play Of Merit—Every Seat Sold—Specialties — Delight The Audience — Pretty Girls And Lovely Costumes.

The Triangle Club of Christ M. P Church, Miss Laura Nicholson, president, presented "Rebellious Jane" to a crowded house in the Chestertown Lyceum Tuesday night. The characters were well chosen and played their parts in splendid style. Mrs. Francis Bacon Needles was the "Star" while the lesser lights helped wonderfully in bringing out the story. Mrs. George H. Cannan, Mrs. Frances Culp and Mrs. Robert Huey were in charge of the training and should feel amply repaid by the success of the affair.

The News would like to mention in detail the various excellencies but space forbids. We cannot refrain, however, from expressing a comment on the song by pretty little Miss Mary Phillips and the character sketch by Waters Russell McMenamin. They were superfine. The "old fashion" girls were all pretty and quite dashing in their finery.
