Tax Changes Are Advocated

E. Thomas Massey, president of the Kent County Farm Bureau, was a member of the joint committee from the Maryland Farm Bureau Federation and the Maryland State Grange, which recently adopted a series of resolutions advocating tax changes in the State. The resolutions were adopted after an extensive study of taxation bases in Maryland and the various revenue-producing forms of taxation now used in the State.

Other members of the committee were: D. G. Harry, chairman, Dr. T. B. Symons, R. C. F. Weagly, T. S. Anderson, Charles T. Cockey, Jr., Paul Walker, S. H. DeVault, H. H. Nuttle, T. Roy Brookes, Homer Remsberg, A. G. Ensor and C. E. Wise, Jr.

The joint committee recommended the following measures, "to secure equitable and just taxation policies for the support of State and local government":

1. ECONOMY: Continued scrutiny of governmental expenditures looking towards further reduction and savings, where possible and feasible, without impairment of government.

2. INCOME TAX: Enactment by the Legislature of an income tax law on individuals as a method of securing revenue, a portion of which should be allocated to the counties, thereby making it possible to lower the local general property tax.

3. INHERITANCE TAX: Modification of the present Maryland inheritance tax so as to tax property transfers by gift or inheritance to both direct or lineal descendants, and more remote relatives.

4. PARI-MUTUAL BETS: Increase the tax on pari-mutual bets from 1 per cent to 2 per cent.

5. LIQUOR TAX: Use of State liquor taxes and license revenues in reduction of county school tax rate to the extent, if possible, that no county shall be required to levy for school purposes more than 30 cents per $100 of assessed valuation.

6. AUTO TAX: That the motor vheicles license tax, which is now 32 cents per horsepower, be substantially reduced.

7. RELIEF: That the counties and Baltimore City be required to provide their respective relief costs, aside from the contributions of the Federal Government, by some means of taxation other than a general property tax.

8. FARM ASSESSMENTS: That inasmuch as farm real estate in Maryland has declined in value approximately 24 per cent since 1928 (the last general assessment) we recommend that the farm real estate assessment be lowered 20 per cent by a uniform mark-down. We are opposed to a general reassessment of farm real estate at the present time because of the heavy expense it involves.

9. LAND AND BUILDING ASSESSMENTS: That farm lands and buildings be assessed as a unit and that the assessment of buildings should be based upon their use for agricultural purposes.

10. TAX COLLECTION: We recommend that there be uniformity among the counties in respect to tax collection; that tax bills be so prepared that they will be in the hands of taxpayers for payment in the first month after the levy, or the first month of the fiscal year; that effort be made to prevent the accumulation of tax delinquencies.

"We are convinced that our recommendations are fair and equitable for all parts of the State, and that they will work out to the advantage of the entire taxpaying population of Maryland, urban as well as rural," said Mr. Harry, chairman of the committee, when the Grange-Farm Bureau tax program was announced.

Just where fear claims to obscure the unfoldment of good, there God is, and will be. Fear cannot touch his child.—Christian Science Monitor.

WILMINGTON DOLLAR DAY

SEMI-ANNUAL EVENT A SPECIAL OPPORTUNITY FOR UNUSUAL MERCHANDISE BARGAINS. WILL BE HELD AUGUST 8

Fall Dollar Day in Wilmington will be observed on Wednesday, August 8, under the auspices of the Mercantile Section of the Chamber of Commerce and affiliated stores, which will be designated by the display of the official emblem of the Section which will be shown prominently in store windows and on counters within official stores. This event will mark the outstanding opportunity for shoppers from all parts of the Peninsula and surrounding territory to secure bargains in a wide variety of merchandise seasonable just now, or of staple use. Wilmington has conducted these semi-annual Dollar Days for more than twenty years, and they are famous throughout the country because of the unusual opportunities offered everyone.

Ample arrangements have been made to care for the crowds which surely will take advantage of this event, and every care has been taken to insure that visitors will have no cause for complaint.

Attendance at Wilmington Dollar Days has become a fixed custom with housewives of the Peninsula, Maryland, Pennsylvania and New Jersey, and the number attending increases each year. Often it has been found necessary to arrange for "traffic police" to handle the crowds in stores.

Arrangements have been made through the cooperation of superintendent George Black, of the Department of Public Safety, and Chief of Police Howard Bayd, to extend the courtesies of that Department to visiting motorists, who should cut out the "Courtesy Coupon" from their local papers and carry it with them when they go to Wilmington.

Dollar Day will be carried thru on Wednesday, August 8, rain or shine. There will be no advance sales or so-called "Courtesy Days."

URGE RE-REGISTERING OF ALL UNEMPLOYMENT

With the consolidation of a number of counties into districts the National Reemployment Service finds it necessary to more strictly observe certain rulings and new ones have also come into effect.

One of the new regulations requires an applicant who is a veteran to give the date of his enlistment and to show his discharge papers to the interviewer.

There have been calls for waitresses, practical nurses and couples here in Kent county that have been difficult to fill because not enough have registered under those classifications. Every person in the District desiring work is invited to register at the Chestertown office. For those living in other counties a schedule has been set for their convenience. The service is a Government set-up and is free to all applicants and employers.

IN MEMORIAM

In sad but loving remembrance of my dear father, George W. Davis who died July 29, 1914, and my dear mother, Rosa Davis, who died July 3rd, 1925.

Weep not for us nor wish us back
We are from pain set free,
And in our Saviour's arms we rest
That's were we long to be,
You watched for us beside our bed
Now we'll watch for you
And when you reach the golden gate,
We will come and lead you thru.

Daughter Bessie.
