ANNUAL DINNER
OF CARROLL COUNTY SOCIETY OF BALTIMORE CITY

The annual dinner of the Carroll County Society of Baltimore City will take place the evening of January 19.

President Charles R. Miller has named the dinner committee and he program being arranged will be in keeping with the reputation of the Society and is being looked forward to by the members. Arrangements are being made to have a representative delegation of residents of the county attend the dinner and take part in the reunion which is so pleasing to the large number who, while natives of Carroll county, have by reason of business circumstances or otherwise become residents of Baltimore.

Invitations have been extended to Guy W. Steele, Esq., Surveyor of the Port of Baltimore and a member of the Carroll county Bar; Judge William H. Thomas, Dr. A. N. Ward, President Western Maryland College, Rev. Thomas E. McGuigan, pastor, St. John's Church, and Folger McKinsey, the Bentztown Bard, to deliver addresses. Mr. Steele will speak on behalf of the folks at home. Father McGuigan will deliver the invocation. Mr. McKinsey will read Carroll county poems which he will write for the occasion.

Under the leadership of Mr. Miller the Society has made substantial progress during the past year both in new members and in keeping alive the spirit of the county. Two hundred and fifty members are now enrolled. This gratifying membership is attributed largely to Mr. Miller's personal interest and the influence which he has exerted.

The dinner committee includes Charles R. Woods, first President of the Society; George R. Babylon, Miss Carrie Green, N. McClure Bouzer, J. Hampton Baumgartner, George F. Frock and President Miller, exofficio.

CIVIC LEAGUE NOTES
A POST OFFICE BUILDING FOR WESTMINSTER

The following letter was received by the president of the Woman's Civic League, and was read and very heartily endorsed by that organization at a previous meeting:

The Civic League,
Westminster, Md.

Ladies:

Your organization stands for the advancement of Westminster. In line with this idea I desire to call to your attention that the Carroll County Society of Baltimore City at one of its meetings adopted the following resolutions:

Whereas, Westminster, Carroll County is the largest city in the Second Congressional District in the State of Maryland, and in the Second Congressional District there has never been erected any Government building of any character, and

Whereas, there are many towns in the United States that have public buildings, particularly post office buildings erected by the Government, and

Whereas, many of these towns have fewer inhabitants and a smaller number of patrons at the postoffice, and

Whereas, many of these towns contribute less in money in the way of tax and postal receipts to our Government than does the City of Westminster, and

Whereas, the Carroll County Society of Baltimore City desires that our Government shall erect a building for post office purposes in Westminster, therefore

Be it resolved, that the Carroll County Society of Baltimore City does hereby endorse the project of erecting a Post Office Building in Westminster, Maryland, and that each and every member of this organization use every effort in his or her power to bring this matter before the proper authorities, both in the Congress and Senate of the United States and further,

Be it resolved, that a copy of this resolution be sent to every newspaper in Carroll county as well as those published in Baltimore City."

While it is true that we live in Baltimore yet we have the love for our home county ever before us. And while we want to see a post office building in Westminster, we think that the people of Westminster should move towards this end, and the Carroll County Society will aid in every possible way.

As chairman of the Post Office Committee of our Society, I think a matter of this kind should be called to your attention.

I trust that your organization will take up this project.

Fraternally yours,
(Signed) G. R. Babylon,
307 Fidelity Bldg.

Miss Nora Gorsuch, Mrs. George Mather and Mrs. D. F. Shipley were named a committee to work with other organizations and bring the matter to the attention of our representatives in Washington.

Meeting Of The Woman's Christian Temperance Union

Mrs. John T. Erb entertained the ladies of the Woman's Christian Temperance Union at her home, West Main street, on Thursday afternoon, December 30th. At the appointed time, the meeting was called to order by the president. The Bible lesson, the 121st Psalm, was read by Mrs. David Geiman. The hymn, "All Hail the Power of Jesus Name", was sung, led by Mrs. Geiman at the piano. Mrs. D. F. Shipley led the prayer. The secretary's report was read, and approved. The treasurer's report showed but little money in the treasury, with several bills to be paid. In order to meet their financial obligations the ladies have taken up the sale of sweet chocolate, and hope that when the citizens are called upon they will respond generously. It is very well known that this organization does not often come before the public for financial assistance.

A letter from the Florence Crittenden Mission, thanking the ladies for the generous donation of vegetables, was read.

Mrs. Shipley told of a visit to the free kindergarten school conducted by the State Woman's Christian Temperance Union on South High street, Baltimore. High street is the Little Italy of Baltimore City, and in this school there are 40 Italian and Lithuanian children. Besides being taught the first principles of an education, they are taught to be neat, clean, polite and orderly, and to reverence God as the giver of life and all good things. They are also provided a noon meal of soup, bread and fruit. In the same building there is conducted an Americanization school for women, and an Education Club for boys, all under the management of the Woman's Christian Temperance Union. Mrs. Shipley reported the needs of the kindergarten school at this time, crayons, pencils, tablets, picture books and handkerchiefs.

Mrs. Philena Fenby was present and discussed plans and probable expenses for entertaining the State Convention in Westminster, in October 1921. The next meeting of the Union will be the last Thursday in January, at the home of Mrs. John D. Bowers.
