PEACH GROWERS AND SHIPPERS Of Kent County.
IT HAVING BEEN REPORTED, and some being of the opinion that Fruit shipped to Baltimore would bring more on one wharf than another, allow me to publish below the opinion and experience of the oldest and principal commission men of Baltimore, handed to me by one of the largest houses in the city, by whom it was drawn up, and signers requested, without any knowledge or assistance of mine whatever:
The Experience of Commission Merchants.
TO WHOM IT MAY CONCERN:
We, the undersigned, Baltimore Commission Merchants, do hereby certify that Fruit, if good and in order, will bring as much money on one wharf as on another, lying between Pratt street and Hughe's Key, inclusive. Packers, shippers, and dealers generally, have no preference as to wharves and their locations.
THOS. H. EVANS & CO.,
BARTUS TREW,
D. N. ROBINSON,
W. H. RUTTER,
JESSE WILSON & SON,
L. J. COX & CO.,
JOHN A. STEPHENS & SON,
KENLY & TILGHMAN.

Having some little experience in the Peach Freighting business, I would suggest to shippers three thoughts:
1st. You pay for the collection of many empty boxes that you nor the Commission Merchant never see, and you have no rebate whatever but to call on your commission man, and he sends you to the captain, and the captain has no redress whatever but to say, "if the boxes were on the wharf they were surely brought over." Now, to abate this custom and loss, demand that the man who freights your fruit receipt to your commission merchant for each and every box, (for I am sure there is not a merchant, to my knowledge who would not be glad to do it) and you will find money saved and business done more satisfactorily.
2d. Each shipper should go to the city once a week and there see in what condition the market demands for the fruit, for you could gain more knowledge in ten minutes, yourself, than any one could explain to you in twice that length of time.
3d. You seldom get the sales of your peaches until the day after. You know not whether they were dumped in the bay, sold, or given away; and at many times you could put certain fruit on the market (when in demand) that not hearing from the market and not knowing its demand, is allowed to rot in the orchards. To remedy this, give your captain an order on your commission man for the price your fruit brings daily; compel him to place the price opposite your name on the manifest, and report to you at your landing, each morning, on his return; and should you do this you will have the handling of your fruit to give better satisfaction, and justify shipper, freighter and merchant. Very respectfully,
JOS. W. THOMPSON.
