## Hampton's Vegetable Tincture!

THE GREAT DISCOVERY OF THE AGE!

READ! READ!! READ!!!

*Joy to the World!—Hope for the Afflicted!—More Testimony from Home!*

*Cure of Consumption, Neuralgia, Pain in the Side, &c.*

MESSRS. MORTIMER & MOWBRAY: GENTLEMEN,—It is with pleasure I can testify to the great healing powers of HAMPTON'S VEGETABLE TINCTURE. My wife had been afflicted for three years, laboring under a constant hacking Cough, with a most violent Pain in the right Side, Neuralgia of the Head, and Dimness of Sight; very little rest day or night, and much emaciation, and to all appearances a rapid Consumption inevitable.—We had the most eminent physician in Annapolis, but his medicine did not give her any relief at all, but growing worse if any change in the least; and after having read one of your Pamphlets, in July last, she concluded to try Hampton's Vegetable Tincture, and after taking but two bottles of which (under a kind Providence) we perceived a great change for the better; her appetite improved, her skin became quite clear, cough, pains, neuralgia, &c., entirely left her, and by the time she had taken a few bottles more she was completely cured, and is now in the enjoyment of most excellent health.

I have seen also its beneficial effects on several other ladies of Annapolis, and I think I can say from what I have seen of the Medicine, I do not believe its Curative Powers can be equalled. A sense of duty to the afflicted has induced me to drop these few lines for their benefit. Respectfully,

EDWARD SANDS,

*Master of the Schr. Geo. Barber, Annapolis Packet, No. 3 Tobacco Warehouse, Light Street Wharf.* BALTIMORE, May 1, 1852.

*Let the whole Afflicted World, read the Testimony of a Lady after thirty-eight years of suffering.*

NORTHAMPTON, Co., April 13, 1852.

Messrs. Tyler & Adair: "I have been afflicted with Rheumatism at times from my twelfth year, I will be fifty years of age the 18th of this month; the attacks were at times so severe as to render me helpless, I have tried various remedies to very little effect; last October I was attacked in my shoulders, sides, back and hips, I could not rest day or night, I could not move any part of my body without crying with pain, at this time I also tried many remedies internal and external without receiving any relief; I was at last advised to try "Hampton's Vegetable Tincture," before I had taken one bottle of which, I felt much better, and as I continued taking it, I felt strength coming into my back and limbs, and my stomach strengthened and revived every way—I have taken five bottles and am much better than I ever expected to be. I intend to use it whenever, I need it, and would recommend it to the afflicted, believing it unequaled. Yours,

ELIZABETH BAGWELL.

Messrs. Mortimer & Mowbray: Mrs. Elizabeth Bagwell is a lady of the highest respectability, wealthy and influential—the cure in her case speaks volumes in favor of this wonderful Tincture, several other persons we have heard of, have derived great benefit from its use in our county: we are entirely out of the article, and have daily anxious enquires to know when we will receive another supply. We expect large sales of it from the present demand, and want you to send us a box as soon as possible. Yours, TYLER & ADAIR.

April 12, 1852.

Cure of the venerable and eminent Doctor Dunan's son of Baltimore City.

COUGH VERTIGO.—Rheumatism, of 15 years standing, cured. Testimony of one of our best known citizens:

BALTIMORE, Feb. 9, 1852.

Messrs. Mortimer & Mowbray—It is with real pleasure that I am able to attest to the general healing and curative power of Dr. Hampton's Vegetable Tincture. Some time during last November I was taken with a very bad and serious cough, I was advised to take Cod Liver oil, and did so; but getting no better, I was induced to try your Tincture. I got one bottle, and before I used it all my cough had left me. Permit me also to state that for the last fifteen years I have suffered very much from Acute Rheumatism and Vertigo, confining me at times to my bed. I am fully convinced that I owe my present good health to the use of the Tincture and a kind Providence.

You are, my friends, at liberty to use this as you may think proper, and believe me. Yours, very respectfully, G. DUNAN.

N. B. I can be seen at any time at the Mayor's office. This is the testimony of thousands who have used this wonderful tincture.

*Home Testimony, the World cannot Produce Better in favor of any other Medicine.*

Rev. Vernon Eskridge, U. S. N., Portsmouth, Va., Aug. 18, 1852. Mr. J. E. Boush—Dear Sir: While I am in general opposed to Patent Medicines, candor compels me to state that I have great confidence in the virtues of Hampton's Vegetable Tincture. For several months past I have used it in my family, and in dyspepsia, loss of appetite, dizziness, and general debility, with entire success. So far as my experience extends, therefore, I take pleasure in recommending it to the afflicted as a safe and efficient remedy. I am respectfully, yours,

VERNON ESKRIDGE,
Chaplin U. S. Navy.

*Astounding effects!!—The whole afflicted World Read!!!—A lady restored after two years sickness.*

NORFOLK, Dec. 6, 1851.

Messrs. Mortimer & Mowbray—Hampton's Vegetable Tincture is certainly working miraculous results here, in the way of cures, but there seems to be a diffidence on the part of those cured to give a certificate, which, in justice to the afflicted should not exist. I could mention a dozen cases of importance in which it has been successful in curing the worst kind of diseases; but it appears to cure them so easily, and its effects are so magical, they do not appear to be able to realize it, though they are perfectly satisfied they are cured.

I will mention two cases which have lately come under my notice. A lady who had been confined to her bed for between one and two years, and on whom the doctors had been attending during that time, without any success, was induced to try the Tincture, and after taking the second bottle she was enabled to be up stirring about her house—a thing she had not done for two years, as I was informed by her husband, who called on me, in perfect ecstacy, and said he had at last found the much needed panacea. I think he will furnish you with a certificate of the strongest character.

Another gentleman informed me that he had a very valuable negro woman so far gone by disease that he would have taken twenty-five dollars for her, but the first bottle was so effective that he felt confident of a perfect cure. Yours, respectfully,

JOHN R. HATHAWAY.

## GREAT MEDICINE FOR Worms in Children and Others.

## Smith & Atkinson's American Worm Killer.

THIS medicine has been manufactured by Smith & Atkinson for several years, and has been used with great success by physicians and others, in verious parts of the United States, many thousand bottles having been sold, and the universal approval it has met with in all quarters where it has been introduced, proves that it needs only a trial to satisfy the most incredulous of its great value. The size of the bottle has been enlarged, so that it is one of the cheapest as well as most valuable Worm Medicine ever offered to the public; and a person buying this article gets the full value of his money in quantity as well as quality, which is a fact well worth remembering.

RECOMMENDATIONS.

This is to certify, that JOHN H. PITTS, Principal of the Rumford Academy, graduated at this Institution with the highest honors of his class, in July, 1844, and since that period has been constantly and most successfully discharging the duties of a Teacher in Fleetwood Academy. During Mr. Pitt's connection with this institution, he discharged for a year the duties of an Assistant Professor, and to our entire satisfaction.

I cheerfully recommend the Rumford Academy, under the charge of Mr. Pitts, to the public, believing that he will give the fullest satisfaction to all who may patronize him.

FRS. H. SMITH, Supt. V. M. I.

*V. M. Institute*, Oct. 4, 1848.

The high stand that Pupils instructed by Mr. Pitts have maintained at College, assures us that his mode of instruction is thorough and successful. This fact, together with his admirable discipline, as shown by the unusually correct deportment of his pupils, warrants us in recommending his School most highly.

WM. BOULWARE, King & Queen.
CORBIN BRAXTON, King William.
R. M. T. HUNTER, Essex.
J. R. CHRISTIAN, New Kent.

November 10, 1850.

When the foregoing was given, these gentlemen were visitors of William and Mary College, the Virginia Military Institute, and the University of Virginia.

Residing near Rumford Academy, we are well acquainted with the manner in which the School is conducted.—The discipline is mild and parental, but firm and vigilant—its efficacy is seen in the conduct of the students, to whose irreproachable and gentlemanly deportment it gives us pleasure to testify. We cordially recommend the school as one of higher moral tone than any similar institution we have ever known.
