WESTMINSTER HIGH SCHOOL NEWS

This Friday evening the second number of the Lyceum Course will be given in the Armory. The Caveny Company will give the entertainment. From press reports this entertainment should prove to be one of the best ever given in the Lyceum Course. The company is composed of J. Franklin Caveny, cartoonist and clay modeler; Marie M. Caveny, soprano soloist, and Pauline Woods, piano soloist and accompanist. Mr. Caveny draws rapidly, with colored crayons, a variety of pictures, some amusing, others beautiful, selects faces in the audience and puts them on paper with almost lightning rapidity.

Next Tuesday evening Westminster High will open the basket ball season when it meets the strong Franklin High in the Armory. Clarence Corbin, the manager, is working on the schedule, and when it is complete the schedule will include several very strong prep. and high school teams. Coach Taughinbaugh, who is a former Gettysburg College basket ball star, is in charge of the team. The supporters of the team may expect the best season in the history of high school basket ball. Look for the signs in the windows. Don't forget the date. Tuesday evening, December 5, eight o'clock.

Who has heard of the Westminster High soccer team? From the attendance at the games it would seem that only a few aside from the high school students know that Westminster has a soccer team. W. H. S. has a team and one of which Westminster should justly be proud. It has won every game of the seven played in the County League, and last Friday, at Sykesville, defeated Clarksville the champions of Howard county by the score of 3-0. Catonsville, Hancock, Annapolis, Barton, Gaithersburg, and Westminster are still in the contest of the Western Shore. The Eastern Shore has been narrowed down to Salisbury and Federalsburg. The winner of the Eastern Shore will meet the winner of the Western Shore, about December 15th. to decide the State Championship.

The first issue of the school paper "The Owl" was delivered to the students Tuesday of this week. As a school paper "The Owl" is second to none in the state. It deserves a larger support from the community in general. Send in your subscription, or call up High School and a copy will be sent to you.

COUNTY BUSINESS MEN DISCUSS ROAD

Propose Improved Artery From Frederick To Baltimore To Attract Trade.

Frederick, Md., Nov. 28.—Frederick and Carroll county business men, at a gathering at Union Bridge, Tuesday afternoon discussed the proposed construction of a new highway from Liberty to Union Bridge by way of Johnsville, a distance of eight and a half miles. The project, it is understood, will cost about $80,000, the bulk of which would be borne at first by Frederick county.

The road improvement, as discussed yesterday, will begin at Liberty and extend to Union Bridge, half a mile of the road being in Carroll county. Carroll county's share in the cost would be about $4000.

The road, it is claimed, will afford an improved artery from this city to Baltimore via Liberty, Johnsville, Union Bridge and Westminter. It will traverse a rich and prosperous section of the two counties and would attract trade to this city that now finds its way to Baltimore city.

The banquet was held at the offices of the Tidewater Portland Cement Company, with Webster C. Thompson, president of the Union Bridge Business Men's Association, presiding. Addresses were made by Blair T. Scott, Union Bridge; Col. D. John Markey, Frederick; J. R. O'Brien, Baltimore; Edward O. Weant, Westminster; Charles W. Melville, Oakland Mills; David Oland, Frederick; W. Frank Thomas, Westminster; Charles McC. Mathias, Frederick, and E. R. Stapleton, Baltimore.

Mathias, Frederick; Carroll County Commissioners Charles W. Melville, William Roop and John Repp; Mayor Thomas H. Gaither, Union Bridge; Webster C Thompson, secretary of the Union Bridge Business Men's Association; Blair T. Scott, president o fthe Tidewater Portland Cement Company, Union Bridge; R. W. Reindollar, chief suveyor Carroll county; Walter Hopkins, bridge engineer; H. C. McAvoy, purchasing agent; H. D. Williar, assistant engineer, and L. E. MAN HAS THIRD-OF-A-DOLLAR

Waynesboro, Pa., Nov. 29.—C. G. Spielman, this city, has among other articles of interest some very old Revolutionary money. Some of the money, which is paper and in excellent preservation, was made in Philadelphia and is dated February 17, 1776. The best piece is an old third-of-a-dollar bill, something many people never knew existed.

SPIRITUAL RETREAT

During the week past the Rev. John C. Smyth of St. Paul's Church, New York City, delivered special sermons in St. John's Church to the members of the Sodality and to the men of the Holy Name Society. A most impressive procession, in which the men and children took part, closed the exercises on Sunday evening. There was a large attendance at the various devotions.

In his sermon delivered at a special Thanksgiving serviece in St. John's Church, Father McGuigan urged the congregation to dwell upon the blessings of American Government and life and to strengthen their love of country and their sense of duty toward the republic. "The worthy citizen will" he said, "appraise at full value the wisdom and beneficiance of the form of government bequeathed to us, and the abundant natural resources that are ours, and he will by direct intention and effort align himself with the constructive forces which work to employ our blessings for the greatest good of the greatest number. Our gratitude toward God is evidenced not in word only but in the proper and virtuous use of His gifts."

The Sentinel has received a copy of the seventh annual report of the public schools of Carroll county for the year ending July 21, 1922, issued by the Board of Education, November 15. It is a very interesting report (not financial) and to those deeply interested in public schools should be very insteresting and instructive.

W. C. T. U. HOLDS MEETING

Well attended, and in every way interesting and profitable, was the W. C. T. U. meeting held at the home of Mrs. Howard Koontz, Thursday evening, November 23. Promptly at six o'clock the meeting opened with singing "America," Miss Mary Snader at the piano, and Mrs. Clayton Myers leading. Prayer followed.

The topic for the meeting was "Child Welfare." Text of scripture relating to the care and training of children were given by most of the ladies present. Mrs. Frank Myers, who is Child Welfare Superintendent, for the county, read a very comprehensive article, on the child, in the factory, on the farm, in the street, in the tenement sections of the great cities, as newspaper carriers and as helpers in the support of the family, and especially emphasized the fact that if we are to have strong, healthy men and women for tomorrow, the children of today must be properly nourished, clothed, housed and not too heavy burdens put upon them in childhood.

Mrs. Clayton Myers sang "Who is Sylvia," by Shubert, and in response to an encore, another beautiful selection which was much enjoyed. The business of the evening was the report of the secretary, Mrs. John D. Bowers, and the treasurer's report, Mrs. Martha Shaw. Both of these reports are of very great interest in a W. C. T. U. meeting and both were very gratifying. As is the custom, it was decided to send a barrel of provisions to the Community House, 126 High street, Baltimore, for the free kindergarten school conducted there, as a thank offering. Mrs. David Geiman, Mrs. James Stoner, and Mrs. Charles Royer were named as a committee to take charge of collecting and sending the provisions. Several other important matters were discussed, but were laid upon the table for a future meeting. As a result of Miss Shaner's meeting, nine new members were presented. Mrs. Hawkins and Mrs. Johnson were present and joined the union.

At the close of the meeting, Mrs. Koontz served delicious home-made cake, and Mr. Koontz entertained the ladies with the radiophone piano and vocal solos and an address from Pittsburg which added much to the pleasure of the evening.
