## 1200 *Acres of Land for sale.*

THE subscriber offers for sale the above quantity of Land, which lays in a compact body in the upper part of Caroline and Queen Ann's counties. About 500 acres are cleared, well ditched and drained, and under good fence, cultivated in a farm. The canal cut by act of assembly for ditching and draining the Long Marsh, passes through a considerable part of the above land, and gives sufficient fall for draining about 400 acres of low grounds, well adapted to produce Timothy grass of the best quality. The roads from Centreville to Dover and from Greensborough to the Head of Chester, intersect each other nearly at right angles about the middle of this farm—on which are orchards containing about 1000 apple trees of the choicest fruits, from which more than 800 gallons of brandy have been distilled in one year. The soil is well adapted to the culture of corn, wheat, rye, clover, timothy, grass, &c. This farm lies about 19 miles from Smyrna, 17 from Centreville, Chestertown, Dover and Cambden, and 12 miles from Greensborough, Head of Chester and Church Hill. It will be sold together, or divided to suit purchasers. It can be laid off in three parcels, one containing 300, one 400, and one 500 acres; so as to give to each about an equal part of the cleared land, and bounded by two of the above public roads, terminating at the cross roads.
