DEMOCRATS ELECT GOV. AND ALL OTHER STATE CANDIDATES

REPUBLICANS ELECT NEARLY WHOLE COUNTY TICKET

Following a bitter primary fight in the Republican party between U. S. Senator Weller and Congressman John Philip Hill for the nomination for U. S. Senator the Democrats elected their entire state ticket by record majorities. Governor Ritchie, running for the third time received a majority of 59,891; Gordy, for Comptroller, 65,003; Young, Clerk of Court of Appeals, 72,753; Robinson, Attorney General, over 30,000; Tydings, for U. S. Senator, over 50,000, and William P. Cole Jr., for Congress, over 6,000.

County Ticket.

The Republican county ticket with the exception of two county commissioners, one judge of the Orphans' Court, and a member of the House of Delegates, was elected by majorities from 126 to 1029.

The names of the candidates and their respective totals may be found in the tabulated vote published on this page of the Sentinel.

SHED SET ON FIRE BY EXPLOSION

William Brown, tenant on the Harry Frederick farm, Cross Road school, Lineboro, narrowly escaped serious injury and possible death Monday evening when a lantern exploded in the implement shed in which he was working. Mr. Brown was repairing his Dodge car, and upon attempting to use a small amount of gasoline for cleaning purposes, his lantern ignited and the building was in flames almost instantly. Due to quick presence of mind with his clothes afire, Mr. Brown rushed outdoors and smothered the flames by rolling in the damp weeds. The car and a number of farm implements burned with the building. The implements were insured, the car not, and it is not yet definitely known as to whether the shed is covered by insurance, although it is generally supposed so. The Lineboro fire engine was rushed to the scene of the fire before a call was sent in due to a member of the fire company having sighted the red glow along the horizon about 7 P. M. Its nearness definitely pointed to Cross Road or vicinity. The engine arrived in time to save the barn, which was already showered with sparks. The Manchester fire company arrived sometime later and extinguished the remaining flames of the burned shed by connecting up the hose with the nearby creek.

SOLVE THIS RIDDLE FOR THE COUNTY COMMISSIONERS

Terms of officers under the amended Constitution.

"Section 5. The terms of all State and county officers heretofore elected by the qualified voters, and whose successors would not be elected until the Tuesday next after the first Monday of November, nineteen hundred and twenty-five, shall be increased by one year, and their successors shall be elected for the regular term at the election to be held on Tuesday next after the first Monday of November, nineteen hundred and twenty-six. The terms of all State and county officers heretofore elected by qualified voters, and whose successors would not be elected until the Tuesday next after the first Monday of November, nineteen hundred and twenty-seven, shall remain unchanged; their successors shall be elected for a term of three years at the elections to be held on the Tuesday next after the first Monday of November, nineteen hundred and twenty-six, but shall not take office until the expiration of the full term for which their predecessors have been elected; and their successors shall be elected for the regular term at the election to be held on the Tuesday next after the first Monday of November, nineteen hundred and thirty."

Commissioner Repp's term does not expire until December 1927. Messrs. Melville, Republican, and Harner and Benson, Democrats, have each been elected for a term of four years.

The Governor is not authorized to keep either one of them out of office until 1927, when Repp's term expires, by refusing to issue him a commission for the full term of four years.

Querry—Which two of the candidates elected this year will take office next month, and why?

In Howard county one of the county commissioners was elected for a term of three years beginning in December 1927. Why was that not done in this county?

FOUR HURT IN ACCIDENT

Thomas Williams, Albert Schaeffer and the Misses Elsie Schaeffer and Fern Leister, this city, figured in an automobile accident Tuesday night about 9 o'clock on the Littlestown road, near the curve of the road known as the "old summer road." The party left here traveling in a Ford sedan and were on their way to enjoy the Hallowe'en festivities held in Hanover that night. A car with very bright head lights came out of this old summer road and was coming toward the sedan on the same side of the road. Mr. Williams who was driving the sedan was blinded by the lights but seeing they were on the same side of the road as he was on he thought he should have more room on his side of the road so he got further over on the road and the car went over a five-foot enbankment. The car turned over several times and landed on its top on the front end. Miss Leister was thrown out. Mr. Schaeffer and his sister were under the car and Mr. Williams was jammed between the windshield and the roof.
