Christian Foreman and Susanna his wife, George Andrews and Martha his wife, William Brewer and Jannette his wife.

vs.

Priscilla Boyd, Hugh Calhoun and Margaret his wife, and Margaret Boyd.

The object of the bill filed in this cause is to obtain a decree for the sale of certain property, contained in a deed from William Waddle of the city of Baltimore, to Margaret Boyd and others, bearing date 8th December, 1800.

The bill states that the property contained in the said deed, cannot be divided without loss, and that it would be for the benefit of all parties to have a sale of the same. That the said Priscilla Boyd is an infant, residing in Baltimore county, and that the said Hugh Calhoun and Margaret his wife, and Margaret Boyd, reside out of the state of Maryland.

It is thereupon adjudged and ordered that the complainants by causing a copy of this order to be inserted once in each of three successive weeks in the American, before the 20th day of March next, give notice to the absent defendants of the substance and object of the bill, that they may be warned to appear in this court in person or by a solicitor, before the 20th day of July next, to shew cause if any they have, why a decree should not be passed as prayed.

Picture of Baltimore

ANNOUNCED.

The peculiar beauties of this important city, the romantic variety of its charming environs, the many favourable circumstances in its natural situation and those which redound to the honor of its inhabitants, have occupied up to the present time infinitely less attention than they deserve. The undersigned editor respectfully announces that the researches most analogous to his professional and actual pursuits, having enabled him to collect a considerable mass of interesting materials, in addition to his own observations and the communications of several gentlemen of the best information; it is his intention as soon as the encouragement of a sufficient number of subscribers shall justify him, to put to press a descriptive, topographical, commercial, historical and civic *Picture of Baltimore*. He will, subject to the same condition, receive subscribers names for A DIRECTORY AND *Country Traders' Guide* arranged on a plan more simple, comprehensive and satisfactory than any heretofore published in our city. HAYLAND FARM

FOR SALE,

1300 Acres strong Limestone LAND,

Will be offered at Public Sale by the subscriber, on Wednesday, the 23d of February next, if fair, if not, the next fair day. This Land lies in Ann Arundel county, state of Maryland, within 20 miles of Baltimore, and 25 from Washington city, 10 from Ellicott Mills, 5 from the Frederick town road leading to Baltimore, and one and an half from Charles Carrol of Carrlton's turnpike, which intersects the Frederick town turnpike. This land lies in one body, the greater part of it in a limestone valley, which is as level as a farmer could desire. This valley abounds with the best never failing springs, and through it runs a delightful stream of water, sufficient to drive any kind of water works, and there is enough fall for three mills—It also abounds with the best of timber. There is 100 acres of meadow, a part in grass, and the other ready for seed; there is near 400 bushels of grain sowed on the land, the greater part on a clover lay, and upwards of 300 acres now set in clover.—This farm is handsomely situated to be divided into four farms; there is at present four settlements on it—the buildings are new and built upon the most convenient plan, and of the best kind. There is an excellent lime kiln, which burns 1200 bushels of lime, and a good quarry within twenty steps of it. The character of this farm is well established, and is said to be one of the handsomest and most fertile farms in Maryland, and is noted for its healthy situation, and no soil is more admirably adapted to the use of plaster and clover.—The above land will be divided in lots, or sold together, so as to suit purchasers; two thirds of the purchase money will be required in hand, when possession is given, which will be the first of April, and the residue in one and two years. A further description is deemed unnecessary, as any person wishing to purchase will come and view the property, at which time they will be convinced of its productive nature by the produce, which is now on the farm. The property will be shewn by the subscriber, who lives on the premises.
