By virtue of a Decree of the

COURT of Chancery of Maryland, and in pursuance of the last Will and Testament of Charles Carnan, late of Baltimore County, deceased—The subscriber will set up and expose to Public Sale, on Monday the 16th day of May next, at 11 o'clock, A. M. at the Auction Room of R. LEMMON, & Co. in the city of Baltimore.
555¾ ACRES of VALUABLE LAND in Baltimore County
About thirteen miles from the city, one mile From the Baltimore & Reister's town turnpike road, and the same distance from Owing's Mills. 200 acres are in wood, of which 130 are said to be heavily timbered, and the rest of the land is well adapted to the cultivation of all kinds of grain. There is a considerable proportion of meadow ground, supposed to be very valuable, and several quarries of limestone, with two kilns for burning lime. Persons desirous of purchasing are requested to view this land previous to the day of sale.
Its short distance from the city and its being so near a turnpike road more travelled than any other leading from the city of Baltimore and situated in an agreeable neighborhood, renders this place a desirable Residence to a person wishing a country establishment; and the increasing value of land in that part of the county offers a fair prospect of profit to the speculating adventurer. Mr. Robert Sinclair will shew the premises to those who apply to him and Mr. John Tagart, residing on the adjoining farm, will give every information that will be required of these Lands.
The terms of sale as directed by the decree are, that the purchaser shall pay one third of the purchase money on the day of sale or on the day of the ratification thereof, with interest from the day of sale, one third with interest in nine months, and the remaining third in eighteen months with interest from the day of sale; the payments to be secured by negotiable notes with approved indorsers.
