AFFLICTED READ!

PHILADELPHIA MEDICAL HOUSE,
ESTABLISHED TWENTY YEARS AGO
BY DR. KINKELIN,
Corner of Third and Union Sts.,
Between Spruce and Pine,
Philadelphia, Pa.

INVALIDS

Are apprised that Dr. Kinkelin confines his practice to a certain branch of medicine, which engages his undivided attention. He cautions the unfortunate against the abuse of mercury; thousands are annually mercurialized out of life Recent affections are promptly extinguished.

TWENTY YEARS OF EXPERIENCE

In the treatment of a class of diseases hitherto neglected and imperfectly understood, has enabled Dr Kinkelin (*Author of a work on Self-Preservation,*) to prove that nine-tenths of the causes of nervous debility, local and constitutional weakness, mental and physical suffering, are traceable to certain habits, forming the most secret yet deadly and fatal springs of domestic misery and premature mortality.

TAKE PARTICULAR NOTICE.

There is an evil habit sometimes indulged in by boys, in solitude, often growing up with them to manhood, and which, if not reformed in due time, not only begets serious obstacles to matrimonial happiness, but gives rise to a series of protracted, insidious, and devastating affections. Few of those who give way to this pernicious practice are aware of the consequences, until they find the nervous system shattered, feel strange and unaccountable feelings, and vague fears in the mind.

The unfortunate thus affected becomes feeble, is unable to labor with accustomed vigor, or to apply his mind to study; his step is tardy and weak, he is dull, irresolute, and engages in his sport with less energy than usual.

If he emancipates himself before the practice has done its worst, and enters matrimony, his marriage is unfruitful, and his sense tells him that this is caused by early follies. *These are considerations which should awaken the attention of those similarly situated.*

MARRIAGE

Requires the fulfilment of several conditions, in order that it may be really the cause of mutual happiness. Could the veil which covers the origin of domestic wretchedness be raised, and its true source in every instance disclosed —in how many could it be traced to physical disqualifications and their attendant disappointments! Apply then while it is yet time, in order to have your unstrung and relaxed organization rebraced, revivified and strengthened.

REMEMBER,

He who places himself under Dr. Kinkelin's treatment may religiously confide in his honor as a gentleman, and rely upon the assurance, that the secrets of Dr. K.'s patients will never be disclosed.

Young man—let no false modesty deter you from making your case known to one who, from education and respectibility, can certainly befriend you.

Too many think they will conceal the secret in their own hearts, and cure themselves. Alas! how often is this a fatal delusion, and how many a promising young man, who might have been an ornament to society, has faded from the earth.

Strictures upon the urethra are rapidly removed by the application of a new therapeutical agent, and only by Dr. K. Weakness and constitutional debility promptly cured, and full vigor restored.

COUNTRY INVILADS

Can have (by stating their case explicitly, together with all their symstoms, per letter enclosing a remittance) Dr. K's medicine appropriated accordingly

Forwarded to any part of the United States, and packed secure from DAMAGE or CURIOSITY.
