> It's high geared to give quick starting .. fast acceleration .. power on hills .. high knockless power..long mileage

These experienced drivers ranked Blue Sunoco first by 57.5% more votes than the next highest on the list. MANY OF THESE GASOLINES WERE WELL-KNOWN PREMIUM-PRICED FUELS. Since new cars require a better gasoline to perform satisfactorily, obviously such a gasoline will surely perform as well or possibly better in older cars.

Make your Memorial Day trip on high geared, quick acting Blue Sunoco. Note its economical mileage, too.
