AGENTS WANTED

LIFE OF LOGAN
with introduction by
MRS. LOGAN.

This has been more than two years in preparation, I myself furnished the data to the author, Daniels Dawson, Lieutenant Colonel, etc., and now before his death he read all the proofs, endorsed the work, and gave it his approval. I commend this to the public as the best and most complete work of its kind in the market. A million dollars cannot buy it. Take no other. Agents report it the fastest selling book in the country. Agents wanted everywhere. Address, J. H. BILL.
