READ AND YOU WILL LEARN

That the leading medical writers and teachers of all the several schools of practice endorse and recommend, in the strongest terms possible, each and every ingredient entering into the composition of Dr. Pierce's Golden Medical Discovery for the cure of weak stomach, dyspepsia, catarrh of stomach, "liver complaint," torpid liver, or biliousness, chronic bowel affections, and all catarrhal diseases of whatever region, name or nature. It is also a specific remedy for all such chronic or long standing cases of catarrhal affections and their resultants, as bronchial, throat and lung diseases (except consumption) accompanied with severe coughs. It is not so good for acute colds and coughs, but for lingering, or chronic cases it is especially efficacious in producing perfect cures. It contains Black Cherrybark, Golden Seal root, Bloodroot, Stone root, Mandrake root and Queen's root—all of which are highly praised as remedies for all the above mentioned affections by such eminent medical writers and teachers as Prof. Bartholow, of Jefferson Med. College; Prof. Hare, of the Univ. of Pa.; Prof. Finley Ellingwood, M. D., of Bennett Med. College, Chicago; Prof. John King, M. D., late of Cincinnati; Prof. John M. Scudder, M. D., late of Cincinnati; Prof. Edwin M. Hale, M. D., of Hahnemann Med. College, Chicago, and scores of others equally eminent in their several schools of practice.

The "Golden Medical Discovery" is the only medicine put up for sale through druggists for like purposes, that has any such *professional* endorsement—worth more than any number of ordinary testimonials. Open publicity of its formula on the bottle wrapper is the best possible guaranty of its merits. A glance at this published formula will show that "Golden Medical Discovery" contains no poisonous or harmful agents and no alcohol—chemically pure, triple-refined glycerine being used instead. Glycerine is entirely unobjectionable and besides is a most useful ingredient in the cure of all stomach as well as bronchial, throat and lung affections. There is the highest medical authority for its use in all such cases. The "Discovery" is a concentrated glyceric extract of native, medicinal roots and is safe and reliable.

A booklet of extracts from eminent, medical authorities, endorsing its ingredients mailed *free* on request. Address Dr. R. V. Pierce, Buffalo, N. Y.

A WOMAN lecturer in Massachusetts is advising the women to love themselves less and their husbands more and not to expect young men to support sealskin wives on muskrat salaries. Needless to say, all the men are retracting in her regard the opinions they have hastily expressed about the lack of logic and consistency in the feminine mind. As for her effect upon her own sex, all the logic and consistency in the world is not going to weigh against the chance of getting a sealskin, even if it has to be extracted from a muskrat salary, with any true daughter of Eve.

AMERICAN WOMEN FIND RELIEF

The Case of Miss Irene Crosby Is One of Thousands of Cures made by Lydia E. Pinkham's Vegetable Compound.

How many women realize that it is not the plan of nature that women should suffer so severely.

Thousands of American women, however, have found relief from all monthly suffering by taking Lydia E. Pinkham's Vegetable Compound, as it is the most thorough female regulator known to medical science. It cures the condition which causes so much discomfort and robs these periods of their terrors.

Miss Irene Crosby, of 313 Charlton Street, East Savannah, Ga., writes:

"Lydia E. Pinkham's Vegetable Compound is a true friend to woman. It has been of great benefit to me, curing me of irregular and painful periods when everything else had failed, and I gladly recommend it to other suffering women."

Women who are troubled with painful or irregular periods, backache, bloating (or flatulence), displacement of organs, inflammation or ulceration, that "bearing-down" feeling, dizziness, faintness, indigestion, nervous prostration or the blues, should take immediate action to ward off the serious consequences, and be restored to perfect health and strength by taking Lydia E. Pinkham's Vegetable Compound, and then write to Mrs. Pinkham, Lynn, Mass., for further free advice. She is daughter-in-law of Lydia E. Pinkham and for twenty-five years has been advising women free of charge. Thousands have been cured by so doing.

Henry C. Stephens, Peter Stevens, Benjamin F. Stevens, Annie Magee, Richard Magee, her husband,

versus

Mary E. Pearson, —— Pearson, her husband, John W. Stevens, Frank W. Stevens, Elizabeth F. Stevens, George W. Stevens, Michael Stevens.

In the Circuit Court for Kent County, Maryland, in Equity.

THE object of this suit is to procure a decree of this Honorable Court for the sale of the real estate of John Stevens, deceased, and to divide the proceeds among the heirs-at-law.

The Bill states that a certain John Stevens, late of Queen Anne's county, deceased, was in his lifetime seized and possessed of certain valuable real estate in Kent county, Maryland, consisting of a farm situated in the First Election District of Kent county, and also a lot of land situated in the town of Millington, in said county; and being so seized and possessed departed this life some time in the year 1906 intestate, leaving a widow, Ida Stevens, and your orators, Henry C. Stevens, Peter Stevens, Benjamin F. Stevens, Annie Magee, and the defendants, Mary E. Pearson, of the State of Delaware, John W. Stevens, Frank W. Stevens, Elizabeth F. Stevens, George W. Stevens and Michael Stevens, his only children and heirs at-law; and the said John W. Stevens, Frank W. Stevens, Elizabeth F. Stevens, George W. Stevens and Michael Stevens are infants, under the age of twenty one years, and all reside in Queen Anne's county, Maryland.

And the Bill states that the said real estate is not susceptible of partition without material loss and injury to the parties entitled to interests therein as above stated, and that in order to make a division of said interests, it will be necessary that the said real estate be sold and the proceeds thereof divided among the parties according to their several interests.

It is, therefore, this 25th day of April, 1906, ordered by the Circuit Court for Kent county in Equity, that the Plaintiffs by causing a copy of this order to be inserted in some newspaper published in Kent county once in each of four successive weeks before the 28th day of May next, giving notice to Mary E. Pearson and —— Pearson, her husband, of the State of Delaware, and non-residents of the State of Maryland, of the object and substance of this bill, and warning them to appear in this court, in person or by solicitor, on or before the 15th day of June next, to show cause, if any they have, why a decree ought not to be passed as prayed.
