Sure cure for

The Farcy,

or Government Disease amongst

HORSES AND MULES.

THIS disease, so prevalent amongst horses and mules, evidences itself in swelled limbs, corrupted blood, running at the nose, running ulcers, and general debility, which, if not speedily arrested, results in the death of the animal in a very few days. The subscriber has recently compounded the preparation and applied it with the most decided success. It has not failed in any one instance, in curing the disease perfectly, in from two to three weeks.

Price one dollar per package, or six packages for five dollars.

CERTIFICATES.

MR. Robert Johnston: Dear Sir: Having used the Condition Powders prepared by you with the most decided success, we, pronounce it an infallible remedy for the cure of Farcy, or the Government disease, now so prevalent among Horses and Mules, and which appears to be the result of an unhealthy condition of the blood. As a blood purifyer and as a restorer to general health of Horses and Cattle, we pronounce it the only remedy, as it is superior to all other preparations we have ever tried, seen or heard of.

L. G. KEMP,
N. J. WORTHINTON.

Frederick, Oct. 24, 1865.

Mr. Robert Johnston: Dear Sir: I had a horse attacked with the Government disease. His glands, in fact his whole head, swelled up enormously. He was running at both nostrils and the stench was exceedingly offensive. I had concluded to shoot him to put him out of his misery, when I heard of your powder, and procured a paper which made a perfect cure. Respectfully,

JOHN FRALEY.

Petersville, Oct. 18th 1865.

Mr. R. Johnston: Dear Sir: I had a Mare attacked first with a cough, then running at the nose, the glands very much swollen, in fact she could scarcely breath; I purchased from you one package of your Powders, and succeeded in curing her in about three weeks. I did not bleed her, but am under the impression if I had followed the directions as to bleeding, I would have cured her in a shorter space of time. I think the public should be made acquainted with these facts as it may be the means of saving the lives of many valuable horses.

The object of this suit is to procure a decree for the partition, or if a partition cannot be made without loss or injury to the parties interested, to obtain a decree for the sale of the real estate situate in Frederick county, State of Maryland, whereof Henry McDuel died seized and possessed, and a division of such proceeds of sale among the parties interested, according to their respective rights. The Bill states, that Henry McDuel, late of Frederick county, State of Maryland, died intestate, on the 12th day of March, eighteen hundred and sixty-six, seized and possessed in fee of the real estate situate in said county and State, containing two hundred and three acres of land more or less, described in the Bill and accompanying exhibits. The Bill further states that the said Henry McDuel, at the time of his death, left the following brothers and sisters, and the children of a brother, who died in the life-time of the said Henry McDuel, as his heirs at law, to wit: John McDuel, now married to Eliza McDuel, and the following children of George McDuel, a brother who died before Henry McDuel, to wit: Ann Selinda Smallwood, a widow, Elizabeth Susan now married to George E. Kennedy, Sarah Jennette now wife of William Kay, and John L McDuell, who married—McDuell whose Christian name is unknown. Robert McDuel, a brother, who married Julia Maria McDuel, and Jane, a sister who married Michal Early, his heirs at law to whom said lands descended:

The Bill further states, that the said lands so decended, are not susceptable of partition without loss or injury to the parties interested, and prays a sale of the same under a decree of the Court and that the proceeds of such sale be distributed among the parties concerned according to their respective rights—if said lands are not susceptable of partition The Bill further states that the said John McDuel and Eliza McDuel his wife, Ann Selinda Smallwood, George E Kennedy and Elizabeth Susan Kennedy his wife, William Kay and Sarah Jennette Kay his wife, John L, Mc Duel and—McDuel his wife Michael Early and Jane Early his wife do not reside within the State of Maryland.

It is thereupon, this 27th day of March in the year eighteen hundred and sixty six ordered, that the Complainants by causing a copy of this order to be inserted in some newspaper published in Frederick County, once in each of four successive weeks before the twenty eight day of April in the year eighteen hundred and sixty six, give notice to said absent defendants of the object and substance of this bill, and warn them to appear in this Court, in person or by solicitor, on or before the thirty first day of July eighteen hundred and sixty six, to answer the premises and show cause if any they have, why a decree ought not to pass as prayed.
