Cautionary Note: Be sure you get this stove—see that the name-plate reads "New Perfection."

Many Women who are Splendid Cooks

dread having to prepare an elaborate dinner because they are not sufficiently strong to stand over an intensely hot coal range. This is especially true in summer. Every woman takes pride in the table she sets, but often it is done at tremendous cost to her own vitality through the weakening effect of cooking on a coal range in a hot kitchen.

It is no longer necessary to wear yourself out preparing a fine dinner. Even in the heat of summer you can cook a large dinner without being worn out.

New Perfection WICK BLUE FLAME Oil Cook-stove

Gives no outside heat, no smell, no smoke. It will cook the biggest dinner without heating the kitchen or the cook. It is immediately lighted and immediately extinguished. It can be changed from a slow to a quick fire by turning a handle. There's no drudgery connected with it, no coal to carry, no wood to chop. You don't have to wait fifteen or twenty minutes till its fire gets going. Apply a light and it's ready. By simply turning the wick up or down you get a slow or an intense heat on the bottom of the pot, pan, kettle or oven, and nowhere else. It has a Cabinet Top with shelf for keeping plates and food hot, drop shelves for coffee, teapot or saucepan, and even a rack for towels. It saves time, worry, health and temper. It does all a woman needs and more than she expects. Made with 1, 2, and 3 burners; the 2 and 3-burner sizes can be had with or without Cabinet.

CHURCH NOTES.

Rev. Huburn Y. Yokoyama, of Japan, addressed the congregation of Christ M. P. Church Sunday morning on "Why I Became a Christian." In the afternoon he delighted the Sunday-school with an address. He is a bright, intelligent and enthusiastic worker and will be a great help to the mission cause in Japan; $12.50 was contributed to his personal work.

The Chestertown Sunday-schools are considering the question of picnics. The M. E. School decided last Sunday to hold their picnic at Tolchester. Other schools will likely go to Queenstown.

COOL, CHARMING SUMMER DRESSES FOR WOMEN and MISSES—SPECIAL at $5.00

The illustration gives only a faint idea of the attractiveness of these dresses. They are all copied from high-priced imported models, and embody the newest ideas of the noted foreign designers.

Some are of linene, in white, light blue, pink, lavender and other dainty shades; others are of gingham and madras, in pretty checks and stripes.

All are one-piece models—some are elaborately embroidered; others are trimmed with val. lace, tucks or embroideries. They have Dutch neck or high lace collar; skirts are trimmed to match waist, and come in the plain pleated style as well as the new overskirt model.

All sizes for misses and women—14 to 18 years, and 34 to 44 bust measure.

WOMEN'S AND MISSES' SUMMER SUITS OF STYLISH LINEN CRASH $5.00

They have perfectly plain-tailored, semi-fitted coats; single-breasted, with smoke pearl buttons, and neat shaped mannish collar and rever. The skirts are in a wide allover-pleated, high-kilted model.

The material is pure linen crash, in the natural tan color, which looks well, and wears as well as it looks.

All sizes—14 to 18 years for misses, and 34 to 44 bust measure for women.
