One of Our Many Handsome

Fall . . . Tailored Suits at $25.00

We have specialized on $25.00 Tailored Suits this fall—bought them from the best makers, paid more for them than is usually paid for $25.00 suits, and insisted on having the very best possible combination of materials, style and tailoring.

As a result, our $25.00 Suits are in a class of their own—nothing to equal them can be found at or near their price.

Materials include broadcloths of genuine imported quality, rough basket-weaves, hard-finished worsteds, serges of best quality, and imported mannish mixtures, in the newest shades of brown, blue, gray, tan and wine, as well as the staple black and modish combinations.

Coats are in the new length, ranging from 30 to 34 inches, and are plain tailored, with hand-turned seams, or trimmed with braids or strappings of self material. We have both single and double-breasted models, with mannish collar, rever and sleeves. All are lined with superior silk or satin.

Skirts are in cluster or plain pleated effects—some in a modified hobble model, retaining the fashionable line, but affording ample room for walking.

Other Suits at $15 to $75
