\$1.50 PER YEAR

Says Supply

Pearson cited that the use of the purse net was forbidden in Maryland in 1922, and that the Bill Councell total catch had mounted from 332,000 pounds in Maryland in 1934 to 928,000 pounds in 1935. He also pointed out that it took three years for the benefit of the Maryland law to be repeated, as fish must be three years old to be of catchable
