LOCAL NOTES

THE Cemetery Co. are greatly improving the appearance of the fence at the cemetery by a coat of paint, which has been needed so long. Supt. Simpers does the best he can with the funds at hand.

THE home of Mr. L. H. P. Vansant on Kent Circle has been greatly improved by a coat of paint given by Frank H. Howard.

THE State Board of Health writes calling attention to the fact that poor people who have become liable to hydrophobia and requiring Pasteur treatment may have it at the expense of the State. The board of county commissioners may authorize the sending of patients to receive this treatment.

E KING, a hustling farmer of Tuckahoe Neck, received a case of canned peas for growing the best crop of peas for Stewart & Jarrell, Hillsboro. 3015 lbs. were harvested from an acre.

THE Mutual Fire Insurance Company of Kent county sent to the executors of the late Dr. S. W. Thomas a check for six hundred and four dollars and fifty-six cents in settlement of balances due on the policies he had in the Company. Our Mutual seems to be a savings fund as well as a Fire Insurance Company.

STATE DETECTIVE McCOY, of Wilmington, Delaware, on Saturday went to Millington, where he arrested Alonzo Davis, a negro, who is wanted in St. Georges, Del., on the charge of committing a murderous assault upon Richard Davis, another negro, who is not related to him, although of the same family name. The alleged assault took place on April 16.

THE cause of sorrel in the grass fields was discussed lately at a meeting of Oxford Grange, No. 1460. Some thought its presence denoted acidity in the soil, and a need of lime, but John M. Drennen told how sorrel grows most luxuriantly about a pile of lime. Others said sorrel is plentiful this year in fields that have been limed lately. The final conclusion was that the season more than the soil is responsible for the growth of sorrel.

THE following officers were elected for the ensuing year at the regular meeting of the P. O. S. of A., Church Hill, Monday night: President, W. H. Temple; vice-president, Nelson J. Brown; M. of F., John Anderson; recording secretary, T. H. Barcus; financial secretary, I. C. Catlin; treasurer, H. E. Walls; conductor, John Green; inspector, Thomas Green; guard, Wm. Spencer. Delegates to State Camp, which meets at Chestertown on August 13, will be Dr. W. G. Coppage, W. H. Temple and James B. Newnam. The alternates were Messrs. John Anderson, M. Walls and J. T. Smith. Camp 13 now has a membership of 112 members on the roll and the camp is progressing rapidly.

THE Diamond State Telephone Company will furnish to its subscribers, effective July 1st, 1912, the daily weather forecasts, any time after 10.30 a. m. In other parts of the Bell territory, where it has been the practice of the Company to render to its subscribers the daily forecasts, the Company finds that the daily weather reports are much appreciated, especially by the subscribers in the rural districts.

H. C. BOWEN, of Church Hill, has in his possession two buttons taken from the grave of David Latimer, who was buried in St. Luke's church yard, March 1st, 1795. After being buried eighty-six years, his remains were removed recently. The teeth, hair, skull and brass buttons were well preserved, and on all the buttons there was plainly stamped the letter "R," showing that he was a soldier and probably an officer in the Revolutionary War. He was twenty-eight years old when he died. Mr. William Gould was a vestryman of the church at the time the remains were disinterred. The tombstone over the grave bore this inscription: "In memory of David Latimer. Was laid here on March 1st, 1795, in the 28th year of his age."

A NEW heating plant is to be installed in the splendid parsonage of Christ Methodist Protestant Church. A committee has been appointed to have charge of the work consisting of Dr. W. R. Graham, the pastor; James W. Lambert, Wilbur W. Hubbard, C. N. Satterfield and Charles L. Dodd. This committee has awarded the contract to W. C. Sutton for an up-to-date hot water heating system at a cost of $576.28. The work will begin at once.

THE Kent Mutual Fire Insurance Co. has sold to Kilbourn & Bramble, Fairlee, the Grange Hall occupied by them, for $1750. They will make some improvements so as to better accommodate their growing trade.

A BIG black bull belonging to Henry Edwards, near Georgetown, attempted to block the road to a large touring car Sunday, and was knocked several feet stunning it for a few minutes, but apparently doing it no serious injury. The car seemed to get the worst end of the encounter, losing one lamp and tearing the covering entirely off the engine and puncturing a tire.

SOME corn fields look as if the corn was getting smaller rather than larger.

THE county commissioners on Tuesday appointed Mr. Frank Lockerman as constable for the second district.

THE Sheriff went to Middletown Tuesday and arrested Charles Duckery, colored, charged with playing crap at Chesterville.

THE Sunday School of Emmanuel Church will hold their picnic next Wednesday at Tolchester. Christ Church Sunday School will go to Love Point Wednesday, July 10th.

The Sunday School of the Chestertown M. E. Church will hold their annual picnic at Love Point on Wednesday, July 17th.

THE average farmer's daughter can far surpass the "expert" poultry raisers. One lady near Chestertown has made sufficient money all ready to take a trip abroad, another has made enough to clothe herself 6 months. Mrs. M. has several hundred broilers ready for market. Another young lady is raising ducks having at least a thousand well feathered. She feeds them on meal the hotels prohibiting any fish or crabs being fed them.

WHEAT threshing is on in earnest in Kent but the yield is rather disappointing to many. Mr. John Gale Usilton got 20 bushels per acre off 20 acres.

THE Toulson store-room, adjoining the drug store, has been rented to Mr. Armiger, of Pindel, Harford county, Md., who will take possession August 19th. He will open an up-to-date millinery store.

THE resorts in Kent were well patronized on the Fourth and everybody had a pleasant time. It is difficult to find more beautiful places or better conduct than is found in Kent. Betterton and Tolchester were the mecca for hundreds.

COL. S. L. WRIGHT received a telegram Thursday announcing the fatal accident to his seven-year-old grand-daughter in Oakland, California. She was run over and killed by the cars near her home. Mrs. Wright is there. This little girl, with her sister, visited her grand-parents here last summer.

"THE hay crop will be the largest I have ever seen in Kent," said Hon. James S. Harris on Wednesday.

ISAAC BROWN, Mr. Samuel Vannort's gardener, had ripe roasting ears from his garden Wednesday. Home-grown tomatoes from Queen Anne's truckers are now in Chestertown market.

S. Thompson; 6 p. m., vesper service, lasting not more than 45 minutes. All invited to these services.

SURPASSING in beauty and point of numbers anything of its kind ever attempted in Maryland and second only to the New York demonstration, the woman's suffrage parade aroused great enthusiasm and won many more persons over to the cause. The parade was a cosmopolitan one, for in it were suffragists from Arizona to Vienna, Austria, and even a Sweden banner was carried. Fully 1,000 suffragists took part in the great demonstration last Friday night in Baltimore.

Do you want a fine pair white shoes? Call at C. C. Jones, the shoe man, and he'll supply your needs.

A WILSON CLUB will be organized in Chestertown next Monday evening at Firemen's Hall. If you are interested in the success of the Democratic party be present.

Barroll, Esq., and Marion Kirschnick.

Miss Ruth B. Mills has resigned as teacher of the Lankford school and Miss Mary E. Mills appointed.

Miss Blanche Kendall has resigned as teacher of the Chesterville school.

Miss Mattie R. Whitaker has resigned as teacher at Pomona and has accepted the principalship of the Golt's school, formerly taught by Miss Lillian Matthews.

MR. CONSTABLE IMPROVING.

Reports from Elkton are to the effect that Hon. Albert Constable, recently nominated for Chief Judge of the Second Judicial Circuit, on the Democratic ticket, is improving rapidly and that physicians now have every hope of his speedy return to perfect health. Mr. Constable's popularity was asserted in no uncertain manner at the recent election and his hundreds of friends are more than pleased to learn of his convalescence.

The racing on July 4th at Worton was witnessed by about 600 persons. Interesting contests in all the races were the results. The judges were Frank C. Miller, Jas. Merrick, Jr., and J. E. Ferguson; timers, Spencer Wright, Dr. Foster Sudler and George W. Rash. The following were the results:

ROCK HALL NOTES.

Mr. Walter Joyner, of West Port, has been the guest of relatives and friends and fraternal orders here during the past week.

Mrs. Levey and son, after a stay of two weeks with her sisters, Misses Ryan, returned to her home in the city last Sunday. She had with her while here two city tots who were as happy as "sun flowers" and left here on Sunday very reluctantly after such a splendid outing among country scenes.

Dist. Dept. Grand Master S. B. Colver installed the new officers of Maxwell Lodge No. 27, I. O. O. F. on Wednesday evening as follows: Noble Grand, Alex. Taylor; Vice Grand, A. A. Tolson; Rec. Sec., Ryan, Sr.; Chaplain, W. T. Harrison. The other officers are hold-overs. Mr. Wm. Frazier has just been given the grips, signs and other mysteries of Odd Fellowship in this Lodge.

The P. O. S. of A. Camp No. 37 held interesting patriotic exercises at their headquarters last evening consisting of oratory, song, music and refreshments. Reverends J. W. Prettyman and A. P. Dupuy furnished the oratory. The vocal and instrumental music was under the direction of Mr. W. T. Downey. The program was an interesting one and highly enjoyed by the membership, their families and friends.

The Fourth was largely observed in this section with display of Old Glory and bunting, outings, games, racing, etc., but everybody that could well do so hiked it to Tolchester.

Mr. J. M. Collison is the latest of our residents to plant a high pole upon which Old Glory floats.

Some of the automobiles of this section became quite crankish last week and caused some unpleasant stunts.

MOODY & LUSBY have begun their usual semi-annual reduction sale of all spring and summer merchandise. With the long-established confidence of these sales the public know what to expect. Call and see these reliable merchants.
