MIGHTY MICHIGAN WINS SILVER CUP

Finishes Third Of More Than 100 Cars In 108 Mile Race

The following telegram was received at the Michigan factory, in Kalamazoo, July 10th:

"V. L. Palmer:
Michigan Forty finished third in road reliability race—Camden to Wildwood, New Jersey—one hundred and eight miles. Over one hundred cars entered. Pierce Arrow first. Our prize: Silver Cup. Car driven by Dr. Faulkner, of Bridgeton, New Jersey.
E. F. GERBER."

This is one of many similar performances that the Mighty Michigan Forty has given this season.

The even balancing of all parts to match the strength represented by the Mighty Michigan Motor and Chassis is a characteristic which has become distinctive of this Car. It is asserted that this accounts for the sensational success of the Michigan among medium priced cars. It is an illustration of the value of thirty years manufacturing success behind the product.

Dearborns

Our trade has increased so much from year to year on Dearborns that our supply has always run short about this season of the year. We have built a larger quantity this season than ever before, and we now have on hand a liberal supply ready for immediate delivery. They have all Cypress bodies, Oak Riggings and our own wheels. If you are going to need one this season now is the time to order. We will book your order, guarantee delivery later, or we will deliver at once, if you prefer.

Cream Harvesters

Now is the time when you need a Separator. It takes all the impure substances from the milk, saves all the cream, and each cow will make on an average one pound of butter more per week. We have on our floor now the

BLUE BELL

We have many satisfied users of these machines and they do the work. One gentleman said a short time ago if he could not buy another he would not take $200 for his. We are so well satisfied of its ability to perform all the service we claim for it that we are willing to bring it to your farm and let you use it for a week or ten days, and if you are not fully satisfied we will take the machine away.

You run no risk. We give you full instructions how to operate it and we know you will be satisfied with the results. Can we bring it?

Gasoline Engines

The I. H. C. Engines are so well known here now that we hardly need to elaborate any on the merits of them. We only want to call your attention to the fact that we are still the agents for them and any size, up to and including four-horse power, can be seen at our store.

Did You Ever Think Of It In This Way?

¶ If you save $100 from your earnings during a year it is the same amount you would receive on a $2,000 investment for one year at 5 per cent.

¶ To save, one must sacrifice. The best things of life are gained in this way. If you want to lay aside a part of your earnings, come to this bank and open an account. A bank account will assist you greatly in the undertaking.

DEATH'S DOINGS.

After little over a week's illness Mrs. Sarah Willey Hubbard, wife of Mr. William L. Hubbard, the president of the Hubbard Fertilizer Works, died at her home at 846 West North avenue, Balto., at 11.30 o'clock Tuesday morning. Death was due to a complication of diseases and came as a surprise and shock to her many friends in the city.

Mrs. Hubbard, who was 69 years old, was born in Delaware, but spent the greater portion of her life in Baltimore. She made her life a useful one and took more interest in the work of charitable and church organizations than in society.

Besides her husband, Mrs. Hubbard is survived by four children, Messrs. Howard Hubbard, president of the Maryland Transportation Comp'y; William L. Hubbard, Jr., of the Hubbard Fertilizer Works; Mrs. Walter P. Summers and Mrs. Joseph H. Garrison, of Chillicothe, Ohio. Mr. Wilbur W. Hubbard, vice-president of the Hubbard Fertilizer Works, is a nephew of Mrs. Hubbard.

Burial took place in the family lot at the Easton Cemetery.

Mrs. Eliza Jane Colmary, 88 years widow of Capt. A. L. Colmary, formerly owner of the Sassafras River Steamboat Company died Saturday afternoon at her home in Baltimore, from the infirmities of age.

A native of Middlesex county, Va., Mrs. Colmary, before marriage was Miss Eliza Jane Cundiff, daughter of the late William Cundiff, a well-known landowner of that section. When 16 years old she married Captain Colmary, who was a native of Cecil county, Maryland. Captain Colmary died 22 years ago. The greater portion of their 50 years of married life was spent in Baltimore.

Julian Hudson Dwyer died at the home of his grandfather, John L. Hudson, on Mill street, Chestertown, Monday afternoon, after a long illness, aged 18 years. The deceased was a favorite with all who knew him, a dutiful boy and faithful to every trust. Our relation to him was such as to see the excellencies of his character and to learn to admire him. During all his difficulties and slow disease he has had the faithful and devoted attention of a loving aunt, Miss Minnie Hudson, and in her he found a veritable mother, while his grandfather did not leave anything undone in ministering to him. He leaves a brother Edward. The funeral was held Wednesday 3.30 o'clock, services conducted by Rev. Dr. W. R. Graham; interment in Chester cemetery. The pall bearers were Herbert Usilton, Harry Hadaway, Preston Ivens, Lewin Howard, Herman Blackway and Colin Duyer. Undertaker, Charles L. Dodd.

Stephen Ford Potts, died Monday at the home of his parents, Mr. and Mrs. Daniel Potts, Queen Annes, aged 7 years. Funeral was held Wednesday morning, interment at Crumpton; Undertaker, Chas. L. Dodd.

WEDDING BELLS

Mrs. Alphonso Rasin announces the marriage of her daughter, Mary Elizabeth, to Mr. Don Trego Falls, on Saturday, August 31st, at Philadelphia.

Marriage license was granted in Baltimore Tuesday to John F. Greenwood, 40, Hill Top; Marine Ehrhard, 28, widow.

Dr. John Berton Cornett, of 318 South Fifteenth St., Phila., an eminent surgeon and one of the University of Pennsylvania's famous athletes, has announced his marriage to Miss Alice Adele Gemmill. The ceremony was performed at I. U. Episcopal Church, near Worton, the home of the bride before she accepted the position as superintendent of the Mercer Hospital, Trenton, N. J., by Rev. S. S. Herburn.

The bridesmaid was Miss Sarah Gemmill, of Washington, sister of the bride. The best man was Dr. George M. Laws, of Philadelphia. The bride was given in marriage by her brother-in-law, William R. Kay, of Philadelphia.

The wedding party arrived by train Friday and were guests of Mr. and Mrs. P. A. M. Brooks at their hospitable home on the Avenue. They left Saturday for a Northern trip.

J. T. Dixon issued a license to Edw. C. Caples and Annie M. Carter to marry. This is the couple that Rev. Mr. Mullineaux married.
