MR. WILKINSON IN KENT.

Hon. Lloyd Wilkinson, of Baltimore, candidate for clerk of the Court of Appeals, spoke to a fair audience in Chestertown Wednesday night in Firemen's Hall. He answered the arguements of Wm. H. Anderson and challenged him for a joint debate but it seems as if Mr. Anderson is afraid of the foeman worthy of his steel. Mr. Wilkinson is a fluent speaker and well posted in affairs of State.

W. L. BALDWIN WINS CONTEST

The fifteenth annual contest of the Oratorical Association of Maryland Colleges was held in the auditorium of the Maryland Agricultural College last Wednesday night. William L. Baldwin, representing Washington College, Chestertown, was awarded first honors. The subject of his oration was "Men and Women Should Have Equal Suffrage in America." Irving Phillips, of Western Maryland College, was second, his subject being "A Living or a Life—Wnich?". The first and second men were each given a gold medal. Michael Levin, of Maryland Agricultural College, and Calvert Magruder, of St. John's College, were the other orators The judges were Dr. E. F. Buchner, of Johns Hopkins University; Dr. D. H. Steffens, Baltimore, and Prof. E. C. Brandenberg, of George Washington University.

The winner is the son of Mr. and Mrs. W. W. Baldwin, of Chestertown, and a promising student.

GRANGE NOTES.

Kent Pomona Grange was delightfully entertained last Saturday by Still Pond Grange in its usual hospitable manner. The meeting was held in the public school building which was tastefully decorated with blooming plants and spring flowers.

Worthy Master, S. S. Hepburn, was in the chair and called the meeting to order promptly at 10.30 a. m. During the business meeting he presented several new subjects and urged work on the part of the Subordinate Granges, showing himself well-fitted for the leader of a Pomona Grange. With the reports of the Subordinate Granges and of the several committees the business meeting was interesting throughout.

As new business the Grange adopted resolutions asking for a new school building for Kennedyville, suitable in size to accommodate the pupils from the surrounding schools when they reach the higher grades. They also ask for the building to be planned so that courses in agriculture and domestic science may be given. A committee was appointed to present these resolutions to the proper persons

The committee on Grange picnics was continued. The Grange expressed its appreciation for the use of the School building which was granted through the kindness and progressive ideas of the County School Board.

Mr. Thompson of Wilmington, the First State Master of Delaware was present and addressed the Grange.

The lecture hour under the management of the Worthy Lecturer, sister Hannah Moore, was very enjoyable and profitable in every way.

The program was as follows: solo, by Miss Price; trade notices and some of the business methods of the Grange explained by Mr. J. T. Anthony; recitation by Miss Hurlock; paper, Care of babies and baby contests, by Mrs. A.L. Harris; solo by Mr. W. T. Hague; recitation by Miss Hurlock; paper, How to conduct a grange so os to interest alike the old and young of both sexes, by Miss Ida C. Crew; discussion, does the farmer encounter more discouragements thas the professionals and trades, by Messrs. A. L. Harris, W. T. Hague and Edgar Pennington; song by Mrs. A. L. Harris The Grange accepted the invitation of Fairlee Grange for the next meeting in July.

MERRICK CLEMENTS RE-ELECTED.

SALE OF ICE PLANT.

Arbitrators Fix Price of $20,778.36 For Nicholson's Factory—Atlee H. Tracy The Purchaser.

As heretofore mentioned in the NEWS negotiations have been on for sometime for the purchase of R. G. Nicholson's ice plant at Chestertown. The parties to the deal could not agree as to the price whereupon arbitrators were appointed and both sides agreed to abide by their decision. These arbitrators were Hon. James A. Pearce, George D. Lofland and Merrick Clements. An expert from the York Ice Making Machinery factory gave figures on the worth of machinery; A. M. Culp on building and after careful consideration these arbitrators fixed on $20,778.36 as the price which should be paid Mr. Nicholson for this plant. The plant will be deeded to Atlee H. Tracy, and he will turn it over later to a company to be formed to manage the business. The factory will remain in its present site until the winter, when it will be removed to a new building now being erected on the water front.

Mr. Nicholson built this plant and after several years of operation sold it to Mr. Arthur Bradley for $15,000. The latter resold it to Mr. Nicholson for $10,000 and since then considerable additional machinery has been bought and the plant put in fine order. Its capacity is now 20 tons per day with unsurpassed well of water and a business which it is difficult to surpass.

The case of Harry M. England, et al., vs. James Edw. England was called Friday afternoon and a jury empanneled. This is a case where the plaintiff seeks to break the will of the late Charles England, who devised all his property to one son, the defendant.

The case proved an interesting one and occupied the attention of the Court throughout Saturday and Monday, being given to the jury about 4 p. m. A vervict was rendered at 7.30 p. m. in favor of the plaintiffs, thus annulling the will. The attorneys in the case were Lewin W. Wickes and S. Scott Beck for the plaintiff; and H. W. Moffett, L. C. Ayres, J. L. Price, A. M. Brown.

Lester Johnson was convicted of the larceny of a gallon of whiskey and sentenced to House of Correction for six months. H. W. Vickers for State; L. W. Wickes for defendant.

George Cann was tried before a jury and convicted of being also a party in the above theft. R. G. Parks for defense; H. W. Vickers for State.

Clifton Starling was convicted of the unlawful use of Jas. E Webb's horse and sentence suspended having already been in jail four months. Vickers for State; H. E. Perkins for defense.

In the case of State vs. Abraham Potts charged with shooting Thos. Phillips, the Court rendered a verdict of not guilty. W. W. Beck for prisoner.

The case of James Brice against the C. & P. Telephone Co. for $5,000 damages to himself and repairs to car, as the result of an accident in his auto last August, occupied the court Wednesday. H. H. Barroll & Son for plaintiff, W. W. Beck for defendant. The jury returned a verdict of $100 for Mr. Brice.

In the case of Decatur H. Kelley vs. heirs of T. R. Strong, the court instructed the jury to return a verdict for the defendants, on the ground of adverse possession. H. H. Barroll & Son for Kelley, L. W. Wickes and W. W. Beck for Strongs.

In the case of the People's Bank vs. Thos. Plummer judgment was entered in favor of the plaintiff. H. H. Barroll and son for defendant, Wm. M. Slay for plaintiff.

Court finally adjourned on Thursday evening.
