would get the Order?

If you're thinking of a mailing piece, you'll be interested in seeing some practical "case histories" we have where the pulling power of envelope-carried mail is compared with that of self-mailers.

We have no axe to grind—we can print either kind—but would like to find the most effective plan for you. We can also show you what are the standard envelopes, of all shapes, sizes, types and stock. The use of a standard envelope often saves money---and usually saves time. Let us show you the "case histories," and talk mailing pieces
