SHOPPING BY MAIL IS EASY

when you do your shopping at Baltimore's Best Store. A letter or post card stating your needs will bring you detailed descriptions and prices, as well as samples of materials, if you specify what you want.

The information you receive will be fresh and up to the minute. Styles change constantly, and this store keeps abreast of them, which is something that, of necessity, the house which issues a catalogue cannot do.

Your order, when received, will be filled by an experienced shopper—one who takes pride in giving her customers intelligent service. And, so far as is possible, the same young woman will fill all subsequent orders, so that the longer you deal here, the better you will be served.

We deliver purchases of any amount up to $5.00 free by Parcel Post within the limits of the first and second zones.

Purchases of $5.00 or over are delivered free by Parcel Post anywhere in the United States.

Local Notes

THE ducking season opened Wednesday, and the rabbit law will be out next Friday, Nov. 10th.

J. W. KIRBY, the local tomb stone man, has put up a fine stone for the late E. B. Pennington at Shrewbury, besides good jobs at Chester Cemetery in the Davis lot and others.

THE Chestertown Council, No. 177, J. O. U. A. M. had a beautiful initiation Wednesday evening, also an entertainment.

A LARGE CROWD enjoyed the oyster scald given by the Chestertown Choral Club at J. E. Ferguson's on Friday afternoon. Mr. Jake Wilber prepared the bivalves in a fine manner.

THE first annual colored Chautauqua was held at Janes M. E. Church last week and proved interesting and instructive.

THE pants factory started on Monday afternoon with seventeen workers. They will have many more in a few days.

MR EDWARD ARMSTRONG receives his "Sun" paper at 3 a. m. on Sunday mornings. He claims to have the earliest papers in Chestertown.

HICKS says, a reactionary storm period is central on the 6th, 7th, 8th and 9th. This period leads into the opening of the combined Mercury and Venus periods, with the opposition of the Moon to Sun and Earth on the 9th. The quadrature of Uranus with Earth and Sun on the 8th, and the conjunction of Jupiter and the Moon on the same date, will have their part in bringing on and intensifying the disturbance of this period. For two to three days, beginning in western extremes about the 6th, the barometer will indicate approaching changes in weather conditions. By the 7th and 8th these conditions will develop into active storm centers, and pass into central parts of the country on their eastward drift. On and touching the 8th and 9th, rain and wind areas will pass from central to eastern extrems of the country, while at the same time rain will have turned to sleet and snow behind the rain areas, and rising barometer, change to westerly winds and much colder will be bringing up the rear from the west and north.

A regular storm period is central on the 12th, extending from t e 10th to the 15th. The moon comes to its highest north points on the 12th, and passes its apogee on the 15th. The planet Venus will pass her perihelion, or nearest approach to the Sun on the 11th, while the Moon is in very close conjunction with both Saturn and Neptune on the 15th.

HOSIERY

We are, as we have always been headquarters for hose. We have children's hose, the best that money can buy, for 15c per pair, or 2 pairs for 25c. They are hard to tell from the regular 25c a pair quality. We have a special grade of ladies hose, medium weight and great wearers, at 3 pairs for $1.0

CORSETS

The best advertisement on earth that a man can have is a satisfied customer. A lady whoever puts on a pair of Bon Ton or Royal Worcester Corsets is certainly satisfied and comfortable and she tells her friends and neighbors. That's the cause of our immense sale.

GROCERIES

This is the season of the year for parties and when giving one you always want nice things to eat. We have the best at all times. Why pay a high price for second grade goods when you can get the best here.

We use coffee as our leader. We have a special grade of coffee which are selling at 20c a pound and which cannot be duplicated at any other store for less than 25c a pound. Our 28c quality, our customers say, is as good as they are used to paying 35c a pound for. Try a pound, and if not satisfied no charge will be made for it
