FEED FAIRFIELD'S BLOOD TONICS
CONDITION POWDERS
A SEPARATE PREPARATION FOR HORSE, COW, HOG AND POULTRY

GREATEST KNOWN BLOOD PURIFIERS

The working capacity of any horse can be practically doubled by feeding FAIRFIELD'S BLOOD TONIC for HORSES regularly. It exterminates worms, builds up the health and saves feed.

The farmer that sowed wheat all over his farm and expected to reap a crop of wheat, oats and corn from same, would be more foolish than the man who feeds his horse, cow, hog and poultry from the same package of Condition Powder and expects to get results. The intelligent farmer feeds FAIRFIELD'S, because there is a separate preparation for each kind of animal.

THE FAIRFIELD PREPARATIONS ARE SOLD UNDER WRITTEN GUARANTEE BY

## ...Localettes...

SALISBURY, one of the largest towns on the Eastern Shore, is without a garbage system. Chestertown is in the same category.

H. P. SKIPPER killed a pen of hogs Saturday which weighed 1717 pounds!

READ J. Waters Russell's adv. on page 4. He offers desirable farms near Massey, Chestertown and Millington.

THE stockholders of the Chestertown Laundry will meet on Feb. 17th when it will be decided whether to rebuild or not. The citizens of the town should see that this industry remain with us and practical encouragement should be given.

THE steamer Corsica is being overhauled in Baltimore. A new boiler and engine to give more speed will be put in. Electric lights with searchlight will also be installed, besides other up-to-date improvements.

THE semi-annual meeting of the Almshouse Trustees with the County Commissioners was held Wednesday. Everything was found in good shape under the supervision of Supt. Wm. Ford and the practical trustees with their efficient president, Mr. Philip G. Wilmer, are to be congratulated upon the manner in which the home is kept.

THE Orphans' Court on Tuesday appointed Mrs. Mary Moffett and Mr. Rufus F. Parks administrators, pendente lite, of the estate of Mrs. Lydia Shaw. The estate is valued at $15,000.

THE P. O. S. of A., of Chestertown, sent to Annapolis this week their hearty endorsement of the local option bill.

MR. MORTON P. KERN, a farmer residing near Ridgely, Caroline county, sold at Ridgely station, last week, 119 dozen eggs at 42c per dozen. These eggs were gathered in seven days, and the price obtained was net. While this seems like a pretty large seven-day product, yet Mr. Kern has 1000 hens on his yard.

A PETITION for a worthy cause has been circulated in town this week. The subscribers ask the State to pay to Mr. Jesse G. Duyer $300 per annum for loss of eyesight because of injuries received while acting as guard at the Md. House of Correction. He went to the assistance of a fellow guard who had been knocked down by a colored prisoner and the latter turned on Mr. Duyer and gave him a terrible blow over the eye with a piece of iron. Since this blow Mr. D.'s eyesight has been impaired and physicians all agree it is the result of the blow. No one has refused to sign the petition and we feel sure the State will look after the case.
