TODAY IS NOT TOMORROW

Harvesting

Hay season is with us and as for the past 12 seasons so again this year we offer you the old favorite McCormick Mower.

Those of you who have bought the New 4 Mowers were well pleased with the service rendered but those who have bought the No. 6 McCormick for the last three seasons have found that it was possible to make even a better mower than the New 4 was. The horses can step slower but the knife will run faster than it did on the New 4. Makes no difference how heavy the grass you can stop and start as often as you like.

Binders

You have begun to think now that the straw is so heavy that there is doubt about your old binder going through the harvest. Makes no difference what your old binder was. When you buy this new one you want the best. Take it, point for point, we do not honestly believe there is a better binder made than the McCORMICK.

This is not a conclusion hastily arrived at but is the opinion of several hundred of users of it and other makes of machines. Has every modern improvement and is backed by the largest company in the business.

We have a few that are unsold. Place your order as soon as you can so that we may have time to set them up.

Repairs

Don't forget that when you want repair parts for these machines we have them. The largest stock of repairs in this section. Buy machines you can get repairs for when needed.

The General County Committee for the Victory Loan Campaign, just closed, desires to express its appreciation and thanks for the hearty co-operation and assistance given by all local committees, both ladies and gentlemen; by all who assisted with the music; by all the speakers, and for use of the various Halls and Churches. To the newspapers for the generous space contributed and to all other co-workers.

It was only by the efforts of all and the generous response of our people that the splendid showing of $440,050 for the county was obtained. Over the top by $32,300.

We feel assured that all who took part feel repaid by the knowledge that "Old Kent" has gone "Over The Top" in splendid style as a Thanksgiving offering for the VICTORY that we now enjoy.
