FEED FAIRFIELD'S BLOOD TONICS POWDERED

A SEPARATE PREPARATION FOR HORSE, COW, HOG AND POULTRY

GREATEST KNOWN BLOOD PURIFIERS

The working capacity of any horse can be practically doubled by feeding FAIRFIELD'S BLOOD TONIC for HORSES regularly. It exterminates worms, builds up the health and saves feed.

The farmer that sowed wheat all over his farm and expected to reap a crop of wheat, oats and corn from same, would be more foolish than the man who feeds his horse, cow, hog and poultry from the same package of Condition Powder and expects to get results. The intelligent farmer feeds FAIRFIELD'S, because there is a separate preparation for each kind of animal.

## POSTOFFICE FOR CHESTERTOWN

In a Delaware paper we find the following: "With both Lewes and Milford having new postoffices built by the Government, Georgetown will endeavor to have this Coogress grant an appropriation for a federal building."

Lewes, according to the last census, has a population of 2259, Milford 2500, and Georgetown 1658. Chestertown, according to the last census, has a population of 3080. Now it seems to us that if these towns (all of which have fewer inhabitants than Chestertown) can have a post-office building, Chestertown certainly ought to do as well. Our suggestion is that our citizens, irrespective of party or creed, get together and endeavor to get an appropriation for a postoffice building.

Dr. S. W. Thomas, who owns the present building and site, is in hearty accord with the movement and is ready to co-operate with the citizens of our town. He mentioned the matter to the authorities at Washington and their answer was that there is no demand in Chestertown for a new building.

## OTTO LOEB ARRESTED

### Well-Known Former Resident of Betterton Put in Jail in Philadelphia By Sheriff Andrew Medders—Bride Visits Him.

The readers of the NEWS will recall the incidents connected with Otto Loeb, of Betterton, who was accused of resisting Constable Severson, attempt to bribe Sheriff Hadaway, etc., a full account of which was published in the NEWS. The Philadelphia Bulletin of Wednesday has the following item:

"Accused of forging the name of Wm. A. Gray, assistant District Attorney, to a note for $200 Otto Loeb, of Mt. Vernon st., near 31st, was today arraigned before Magistrate Beaton at the City Hall and held to await requisition from Chestertown, where the alleged offense was committed. The prisoner was also charged with bribery in the fugitive warrant issued by the authorities of Chestertown.

"After the hearing was over Loeb's wife, a bride of only a few months, appeared at the City Hall and talked with her husband. She engaged counsel to arrange for bail, and it was said that the case will be amicably adjusted. The contention is made that a mistake has been made in the arrest of Loeb.

"Loeb was arrested last night at his home by Thomas Kennan, an acting detective, on information furnished by Andrew Medders, sheriff of Chestertown, who called at the Detective Bureau yesterday.

According to Mr. Gray he only knew the defendant slightly, having met him in the summer at a hotel in Chestertown.

It is alleged by the police that Loeb was recently arrested in Chestertown and released on cash bail. Following the giving of the bail, it is alleged, that the defendant, in order to satisfy his bondsman, gave the latter a note for $200. To this note, it is alleged by the police, that Loeb forged the name of Mr. Gray. When this note was presented for collection the alleged forgery was discovered.

The police declare that they do not know the details of the bribery charge. They allege, however, from information received from Sheriff Medders, that Loeb jumped overboard from a boat to escape a constable from Chestertown after he had placed a revolver in the face of the prisoner and told him that he should consider himself under arrest.

Mr. Gray said he did not know anything of the alleged forgery until it was called to his attention three months ago. A Mr. Brice is the prosecutor in the case, it is said.
